The words "CITY OF HOUSTON" are arched across the top, and "TEXAS" is arched across the bottom. The entire seal is rendered in a light gray, semi-transparent style.

GENERAL GOVERNMENT FACILITIES

General Government Facilities

The Fiscal Year 2019 - 2023 General Government Facilities Improvement Programs include funding for several categories of projects that rely primarily on Public Improvement Bond funds. Projects included in this section are either citywide in nature or are not funded through one of the major departmental programs.

Highlights of the Fiscal Year 2019 - 2023 Adopted CIP include:

- Due to Hurricane Harvey, \$25 million has been allocated for projects to restore City Hall, City Hall Annex, Municipal Courts and Kendall Library and Community Center.
- City Hall – Provide structural repairs to address settlement of the foundation. Replacement of Roof will upgrade the roofing system providing a new warranty and minimal maintenance costs.
- Alief Neighborhood Center will encompass a Multi-Service Center, Community Center and Library in one facility. This will improve cost-effectiveness and eliminate the need for leased space and extensive repairs at existing facilities. The new facility will be sized to better accommodate the needs of the community.
- ARA – Parking Pay Station Replacement which began in FY2016, will upgrade at least 1,000 pay stations by the projects' completion in FY2020 to better manage the public parking supply in high demand areas.
