Library Facilities

Houston Public Library (HPL) is a dynamic organization that serves one of the largest service areas – both population and area – in the country. We link people to the world, through a broadly defined platform of educational, recreational and cultural programs and services for persons of all ages, ethnicities, and life stages throughout Houston and the surrounding region.

The goal of the HPL Fiscal Year 2019 - 2023 Adopted Capital Improvement Plan is to focus on locations with the most need as defined by HPL's Annual Facility Conditions report.

Highlights of the Fiscal Year 2019 - 2023 Adopted CIP include:

- Barbara Bush Literacy Plaza – The outdoor plaza space located between the Julia Ideson Library Building and the Jesse H. Jones Library Building is in need of a renovation to utilize plaza space and increase outdoor programming ability. The Plaza will become the physical focal point for literacy in Houston. This welcoming space will extend the Houston Public Library's mission outside of its physical walls and into the outdoors.
- As a part of the Houston Public Library's transformation plan, the Meyer Library, built in 1962, is beyond repair. Also, the Frank Library, built out in 2009, is in a leased space. Combining the service areas of the Meyer and Frank Libraries with the construction of a New Westbury will meet the needs of the combined service areas.
