Project Justification					
This section includes Fund 8500 for costs of wastewater and water utility improvements. These costs are shown in the Wastewater (R-) and Water (S-) sections to ensure they are associated with the CUS capital plan (R-000500, R-000521, S-000500 and S-000521). A negative offset eliminates double counting across the sections of the CIP.
