<b>Project Description</b> <p>This project will create units of high quality, safe, and sanitary affordable housing for Houstonians through acquisition, repair, demolition, and/or reconstruction of blighted structures. <b>Project Justification</b> <p>Nearly 50% of households in Houston are low and moderate income. Housing costs continue to increase drastically while household income has had only small gains in recent years. Further exacerbating the availability of decent, safe, and sanitary affordable housing is Houston's aging housing stock.</p>		Units:	0
