

The seal of the City of Houston, Texas, is a circular emblem. It features a central illustration of a steam locomotive with a star above it. Below the locomotive is a plow. The words "CITY OF HOUSTON" are arched across the top, and "TEXAS" is arched across the bottom. The entire seal is rendered in a light gray, semi-transparent style.

SOLID WASTE MANAGEMENT FACILITIES

Solid Waste Management Facilities

The objectives of the Solid Waste Management Department's five-year Capital Improvement Plan are to maintain, preserve, and extend its physical assets for the efficient provision of solid waste services to the residents of Houston. The services include collection, disposal and recycling of discarded materials in a manner that is safe, efficient, environmentally sound, and cost effective.

Through integrated solid waste management services, the department provides varying level of services to the City's 2.3 million residents.

Highlights for the Fiscal Year 2021 - 2025 CIP include:

- Extend the life of existing rolling stock equipment through the reduction of O+M related expenses at private vendor landfills by development of new waste transfer station.
- Improve fleet renewals to meet nationally accepted standards.
- Repair and replace existing roofs at various department buildings.
