| Motion 2025-0430-4 - Adopt substitute motion | 5.04 | <p>Add \$134,000 to BARC Special Revenue Fund to fund two additional animal enforcement officers. Transfer funding from:</p> <p><u>General Fund</u> \$28,000 – management consulting services \$38,000 – miscellaneous support and services \$12,000 – paper and printing \$8,000 – General Government contingency</p> <p><u>Central Service Revolving Fund</u> \$35,000 – management consulting services \$13,000 – discontinue print edition of City Saavy publication</p> <p>Note: Additional animal enforcement officers (AEOs) are needed to address critical gaps in field response capabilities. Currently, BARC responds to just over 50% of all calls for service, with a low response rate of approximately 14% for Priority 4 and 5 calls. While Priority 1, 2, and 3 calls are largely addressed, the most critical Priority 1 and 2 calls have seen increases of 10% and 40% respectively over the past two years. While an additional 17 AEOs are needed, adding two AEOs would be a small step toward improving call response and addressing public safety concerns.</p> <p><u>Substitute Amendment</u> Add \$134,000 to BARC Special Revenue Fund to fund two additional animal enforcement officers.
