The Honorable Al Green
United States House of Representatives
2347 Rayburn House Office Building
Washington, DC 20515

Dear Congressman Green,

I am writing in support of the Avenue 360 Health and Wellness application for the Southwest Houston Medical Home Revitalization Project Funding for the 2024 Fiscal Year.

Avenue 360 Health and Wellness is a Federally Qualified Health Center with several clinics in the Houston area caring for our medically underserved communities. I am thrilled to support this very needed community revitalization project and look forward to doing whatever we can to facilitate the success of this project.

Thank you for your consideration of this request.

Sincerely,
