Re: Support for Southwest Houston Redevelopment Authority Sharpstown Trail – Phase 2
Commissioner Briones,

I am pleased to support the Southwest Houston Redevelopment Authority's Sharpstown Trail – Phase 2 project. The Authority is requesting construction funding to implement this important community project.

Phase 2 is the $\frac{3}{4}$ -mile segment of the multipurpose trail from Beechnut Street to the Brays Bayou Greenway. Once complete, The Sharpstown Trail will provide a complete connection between the Woodchase Trail near the Westpark Tollway to the Brays Bayou Greenway near the Southwest Freeway, a distance of nearly three miles. The Southway Shopping Center, Club Creek Park, Braeburn Park, and many other restaurants, health and wellness centers, and personal services businesses are all frequented destinations along the Sharpstown Trail.

This project represents an effort, in partnership with Houston Parks Board, and in coordination with CenterPoint Energy, to expand north-south multimodal connectivity in Southwest Houston. The project will improve public health and safety, accessibility, and development through the provision of safer transportation alternatives for residents, commuters, and many others.

Thank you for your consideration,

COUNCIL MEMBER SALLIE ALCORN, AT-LARGE 5
