Contracts funded as a whole or in part by federal funding are also subject to the requirement at 2 C.F.R. § 200.321 to solicit minority businesses, women's business enterprises, and labor area surplus firms when possible. The list of labor surplus areas is provided at the Department of Labor's website at <https://www.dol.gov/agencies/eta/lsa>.

Regulation 2 C.F.R. § 200.321 requires, where subcontracting is permitted, Proposers to take the following affirmative steps:

1. Solicitation Lists. The Proposer must place small and minority businesses and women's business enterprises on solicitation lists.
2. Solicitations. The Proposer must assure that it solicits small and minority businesses and women's business enterprises whenever they are potential sources.
3. Dividing Requirements. The Proposer must divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses and women's business enterprises.
4. Delivery Schedules. The Proposer must establish delivery schedules, where the requirement permits, which encourage participation by small and minority businesses and women's business enterprises.
5. Obtaining Assistance. The Proposer must use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

The Proposer must take these steps regardless of whether it has met the City's MWBE goal referenced above. Selected Proposer(s) should clearly document communication and outreach to the certified business. Documentation may include mail logs, phone logs, or similar records documenting the use of the above identified sources of information about MWSBE firms, the efforts to contact them, and other efforts to meet the above requirements.

It is unlawful for any Proposer to contribute or offer any contribution to a candidate for City elective office during a certain period prior to and following a contract award (Chapter 18 City Code). Proposer will be required to comply with Anti-discrimination provisions (Chapter 15, Article II City Code), Pay or Play Program (Executive Order 1-7 and Ordinance 2007-0534), Minority, Women, Persons with Disabilities and Small Business Enterprise requirements (Chapter 15, Articles V and VI, City Code and Executive Order 1-2).
