HOUSING AND COMMUNITY DEVELOPMENT

Public Notice

The City of Houston (City), through its Housing and Community Development Department (HCDD), is proposing an amendment to the Community Development Block Grant-Disaster Recovery 2021 (CDBG-DR21) Single-Family Home Repair Program (the Program) Master Contractor Agreements (MCA) that will add three additional contractors: (1) Galveston Piling, LLC; (2) PMG Construction, Inc.; and (3) DSW Homes, LLC. There are no budgetary changes associated with this item.

HCDD established the Program using CDBG-DR21 funds after the federally declared disasters. Its purpose is to repair, rehabilitate, or reconstruct eligible homes damaged during these events and to improve long-term resiliency. To efficiently deliver these services, HCDD utilizes MCAs that create a pre-qualified pool of contractors to support timely, consistent, and compliant home repair activities.

The public has fifteen (15) days to comment on these proposed items. The 15-day period extends from Monday, May 18, 2026, through Tuesday, June 2, 2026. Following the 15-day public comment period, SPD will take this item to Council. For additional information on this item, contact Kenneth Brown at (346) 547-3106. Written comments can be submitted by email to Kenneth.Brown3@houstontx.gov.
