LOAN AGREEMENT (CDBG-DR 17 Transaction)

The parties to this Loan Agreement (this "Agreement") are the CITY OF HOUSTON, TEXAS, a home-rule city organized under the laws of the State of Texas ("City"), and AVENUE COMMUNITY DEVELOPMENT CORPORATION, a Texas nonprofit corporation ("Borrower"), and is joined herein by AVENUE ON 34TH LP, a Texas limited partnership ("Owner").

Unless the context otherwise requires, the initial capitalized words shall have the meanings ascribed to them in **Schedule A** attached to this Agreement if they are not otherwise defined in the main body of this Agreement.

Borrower, City and Owner hereby agree as follows:

SECTION ONE BACKGROUND

- A. Borrower has requested and this Agreement provides for a loan to be made from the City to the Borrower in the maximum principal amount of NINE MILLION NINETY THOUSAND AND NO/100 DOLLARS (\$9,090,000.00) ("Loan Amount") ("City Loan" or the "City's Loan"). The City's Loan will provide for the rehabilitation, reconstruction, acquisition and/or construction of replacement affordable housing that was damaged or destroyed by Hurricane Harvey, and will serve a Low and Moderate Income ("LMI") benefit by providing or improving residential structures to be occupied by households qualifying for LMI ("LMI Persons") or "City's LMI Persons").
- B. Funding for the City Loan is being provided to the City pursuant to 2017 Community Development Block Grant ("CDBG") Disaster Recovery program funds ("CDBG-DR17 Program") awarded by the United States Department of Housing and Urban Development ("HUD") through the Texas General Land Office ("GLO") under the Continuing Appropriations

Act, 2018 and Supplemental Appropriations for Disaster Relief Requirements Act, 2017 (Public Law 115-56) and the Further Additional Supplemental Appropriations for Disaster Relief Requirements Act, 2018 (Public Law 115-23), and the requirements published by HUD under 83 Fed. Reg. 5844 and 83 Fed. Reg. 40314, and is subject to the terms and conditions of that certain Contract Numbered 19-147-001-B489, as may be amended from time to time ("GLO Contract") between GLO and the City. Pursuant to the GLO Contract, the provisions of that certain City of Houston Local Action Plan - Hurricane Harvey Housing Recovery passed and approved by City Council of the City of Houston ("City Council") by Ordinance No. 2018-518 on June 27, 2018, as amended by that certain State of Texas Plan for Disaster Recovery: Hurricane Harvey Round 1, as amended from time to time (as so amended, the "Action Plan"), Federal regulations, as published in 24 C.F.R. Part 570 ("CDBG Regulations"), the State of Texas CDBG Housing Rules, as published in 10 TAC Chapter 60; the City's Harvey Multifamily Program Guidelines, as amended from time to time, and other related administrative rules and regulations issued by the Federal Government or State of Texas that are applicable to rental activities funded under the CDBG-DR17 Program ("Other Requirements") are hereby included or incorporated in this Agreement and sub-agreements, as applicable. Furthermore, Borrower and Owner have been notified that the information related to the development, its operations and its residents are covered under Chapter 552, Texas Government Code, the Texas Public Information Act, unless a valid exception exists, and Chapter 2306 of the Texas Government Code.

C. The term of the City Loan shall commence on the Closing Date and shall mature on the last day of the Affordability Period (as same may be extended). Until expiration of the Approved Construction Period, Borrower shall have no obligation to make payments on the City Loan. Following the expiration of the Approved Construction Period, outstanding principal balance of

the note shall accrue interest at the rate of one percent (1%) per annum. From Available Cash Flow, Borrower shall pay an annual installment equal to the lesser of (i) one percent (1%) annually on the outstanding balance of the City Loan plus accrued unpaid interest, if any, or (ii) fifty percent (50%) of Net Cash Flow. The annual interest payment or non-payment of such interest shall be accompanied by evidence acceptable to the Director documenting cash flow or lack of sufficient cash flow. Unpaid interest will accrue and will be payable from future Available Cash Flow. For purposes of this provision Available Cash Flow shall mean 50% of Net Cash Flow, defined as follows:

Net Cash Flow shall mean all income and revenues actually received by Owner from the lease of the Project Units and other improvements, and all other income and revenues actually received by Owner in connection with the Project, excluding and deducting therefrom all (1) Operating Expenses including any debt service payments related to the Senior Loan (but not any subordinate loans); (2) security, pet or cleaning deposits, if any; (3) payments from the Replacement Reserve or from Operating Reserves; (4) payments or reimbursements from insurers or other third parties and used or to be used for restoration, repair or remodeling of any of the Project Units or other improvements; (5) capital contributions, grants, proceeds of any permitted sale, transfer, exchange, refinancing or other disposition or encumbrance of all or a portion of the Project; (6) condemnation proceeds and awards in place of them; (7) tax reduction or abatement proceeds (8) City Loan proceeds; (9) deposits made to operating reserves and to the replacement operating reserves; (10) payments of the deferred developer fee; (11) costs of residential services; (12) social services fees; and (12) any tax credit adjustments, any asset management fees due to either the Tax Credit Investor or a limited partner of Owner to the extent allowed under the Approved Final Project Budget and loans from the limited partner of Owner (to the extent the

repayment of any such loan (a) is not secured by the Project, and (b) is made for the purposes of covering assumed tax liability, tax credit shortfalls, and operating deficits under the Approved Final Project Budget of Owner for the applicable year and not for the purposes of facilitating distributions to the partners of Owner).

Provided that no Default then exists and subject to the Director's consent and the conditions of this Section, Borrower may, at its option, extend the Term of this City Loan for a maximum of three (3) successive renewal periods of five (5) years each (the "Renewal Periods") by written notice to the City of Borrower's desire to renew the City Loan (the "Renewal Notice") which Renewal Notice shall be given no earlier than ninety (90) days prior to the expiration of the then current Term and no later than thirty (30) days prior to the expiration of the then current Term (as it may have previously been extended). For each Renewal Period, Borrower will pay the City a fee equal to one percent (1.0%) of the then outstanding balance of the City Loan which is a good faith estimate of the additional legal fees, monitoring costs and other expenses to be incurred by the City as a result of such extension and which sum must be paid simultaneously with the giving of the Renewal Notice. The extension option may only be exercised as to one Renewal Period at a time. (For clarity purposes, the second extension option may be exercised no earlier than ninety (90) days prior to the expiration of the first Renewal Period and will not be available if the first extension option is not exercised and the third extension option may be exercised no earlier than ninety (90) days prior to the expiration of the second Renewal Period and will not be available if the first and second extension options are not exercised.) As a condition to each such extension, the Affordability Period must be extended to cover the applicable Renewal Period, and the parties shall execute a written extension agreement and any other documentation which may be required to extend the City Loan, the Affordability Period and the Restrictive Covenants for the Renewal

Period in form and substance reasonably acceptable to the City and Owner. In addition, as a further condition to the renewal, (i) Borrower shall provide the City with a title company endorsement to the City's loan policy of title insurance for such extension under Texas Title Insurance Procedural Rule P.9.b.3 (or the equivalent), and (ii) the Project must pass the inspection of the City to ensure compliance with the Minimum Property Standards as the same are revised from time to time and if necessary, the Borrower shall cause Owner and Owner shall additionally make all necessary repairs to bring the Project into compliance. If Borrower requests an extension, the City may also, as a condition of renewal, require that the Replacement Reserve Account(s) be collaterally assigned to the City, subject, however, to the Senior Lender's interest in the Replacement Reserve Account(s) under the Senior Loan Documents.

D. No payment of principal shall be payable under the City Loan except (and subject to the next sentence) in the event of Borrower's or Owner's Default of its obligations or representations and warranties under (a) this Agreement, (b) the terms of the Note, the Collateral Note or any security or other Loan Documents securing or evidencing the City Loan, and/or (c) the City's Restrictive Covenants, provided, however, the Director, in his or her sole discretion, may waive in full or in part any requirement of this sentence. Upon the Maturity Date, if no Default has occurred which remains uncured, the amount of the City's Loan which remains unpaid, if any, shall be deemed paid. In the event the Director elects to accelerate payment of the Note and declare that all sums under the City Loan are immediately due and payable upon the declaration by the Director of a Default under (a) this Agreement, (b) the terms of the Note or other documents securing or evidencing the City Loan, (c) the City's Restrictive Covenants, (d) the terms of the Owner Loan Agreement or the terms of any of the Owner Loan Documents, or (e) the Collateral

Assignment (Owner Loan), the principal balance of the City Loan together with accrued but unpaid interest thereon shall become immediately due and payable.

- E. Borrower's obligations to the City under this Agreement, including, but not limited to repayment of the City's Loan as evidenced by the Note, will be secured by, among other things, the Collateral Assignment (Owner Loan) in favor of the City and the Owner Loan Documents. In furtherance of the foregoing, Borrower and Owner shall execute and deliver any instruments, documents and/or agreements necessary to create or perfect the security interests referenced hereunder.
- F. Borrower shall loan the proceeds of the City Loan to Owner pursuant to the Owner Loan Agreement which has been or will be approved by the Director, for the Owner Loan from Borrower to Owner. Owner shall use the proceeds of the Owner Loan for the payment of the costs to acquire and rehabilitate, reconstruct, construct or replace rental housing to be known as The Avenue on 34th, located at 2136 West 34th Street, Houston, Harris County, Texas. The Land on which the Project is located is described in Exhibit A attached to this Agreement. The purpose of the Project is to house the City's LMI Persons in compliance with the affordability agreements set forth in this Agreement and in the Restrictive Covenants.
- G. Guarantor will sign a Construction Completion Guaranty in the form set forth in the Attachments to this Agreement ("Construction Completion Guaranty") of Borrower's and Owner's requirements under this Agreement and the Construction Contract.
- H. To secure the City Loan, Borrower will collaterally assign the Owner Loan and the Owner Loan Documents pursuant to the Collateral Assignment (Owner Loan) by Borrower in favor of the City covering the Owner Loan, the Deed of Trust Security Agreement and Financing Statement executed by Owner covering the Project and the other Owner Loan Documents.

- I. The City is obligated to comply with certain requirements with respect to reporting to GLO about the use of the Loan Proceeds and the operations and maintenance of the Project, among other matters, and this Agreement contains provisions for the Borrower and Owner to submit information to the Director on various aspects of the Project. Borrower shall, and shall cause Owner to submit, and Owner shall submit this information to the Director on the forms from time to time provided and required by the Director to be used by the Borrower and/or Owner ("Monitoring Forms"), the initial form of which is attached as APPENDIX 5 hereto.
 - J. The City Loan is issued subject to the conditions and terms of this Agreement.
- K. Borrower and Owner shall comply and shall cause their contractors to comply with the City's Minority, Women and Small Business Enterprise ("MWSBE") programs as set out in Chapter 15, Article V of the City's Code of Ordinances. Borrower and Owner shall make Good Faith Efforts as described by the City's Office of Business Opportunity ("OBO") policy attached hereto as APPENDIX 9, to award subcontracts or supply agreements in at least 34% of the Loan Amount to MWSBEs. Borrower and Owner acknowledge that they have reviewed the requirements for Good Faith Efforts on file with the OBO and shall comply with them.

Borrower and Owner shall ensure and shall cause their contractors to ensure that all subcontracts with MWSBE subcontractors and suppliers contain the following terms:

- "[MWSBE subcontractor] shall not delegate or subcontract more than 50%
 of the work under this Subcontract to any other subcontractor or supplier without the express
 written consent of the City of Houston's OBO Director.
- 2. [MWSBE subcontractor] shall permit representatives of the City of Houston, at all reasonable times, to perform (a) inspections of all places where work is to be undertaken in connection with this Subcontract, and (b) audits of the books and records of

[MWSBE subcontractor]. [MWSBE subcontractor] shall keep such books and records available for such purpose for at least four (4) years after the completion of its performance under this Subcontract. Nothing in this provision shall affect the time for bringing a cause of action nor the applicable statute of limitations.

- 3. Within five (5) business days of execution of this Subcontract, the prime contractor and [MWSBE Subcontractor] shall designate in writing to the Director an agent for receiving any notice required or permitted to be given pursuant to Chapter 15 of the City's Code of Ordinances, together with the mailing address and telephone number of such agent.
- 4. Any controversy between the parties involving the construction or application of any terms, covenants, or conditions of this Subcontract may be submitted to the OBO Director. The OBO Director may prescribe procedures to provide dispute resolution by neutrals, in accordance with the requirements of Chapter 15 of the City's Code of Ordinances.
- L. Borrower and Owner agree to abide by the conflict of interest provisions at 24 C.F.R. § 570.611, 2 C.F.R. § 200.317 and 2 C.F.R. §200.318 and furnish conflict of interest disclosure forms if so required by the Director. - 2. The Borrower and Owner shall implement the Affirmatively Furthering Housing Requirements ("AFFH Requirements") of Section Six, Paragraph 6.26.
- M. If the Loan Proceeds do not cover all of the costs of the Project, Owner shall have obtained at the time of Closing a firm commitment for the funding of the remaining acquisition costs (if applicable) and the construction costs to repair, renovate, construct and/or reconstruct the Project (collectively, together with the Senior Loan the "Other Financings"), all of which combined with the Loan Proceeds, total at least the amount required by the Approved Final Project Budget ("Final Project Budget") in form and content approved by the Director and attached hereto in the Exhibits to this Agreement. The City shall have

a subordinate security interest in the Replacement Reserve, and Borrower and Owner shall execute any instruments or other documents necessary to create or perfect such interest.

- P. Any property management fee, asset management fee or other similar fee ("Property Management Fee") is limited to no more than five percent (5.0%) in the aggregate of the Project's gross annual income.

- 4.4. <u>Closing of City's Loan At Title Company</u>. The closing of the City's Loan shall occur at a title company approved by the Director ("<u>Title Company</u>"). In no event will the City's Loan be closed by a "fee attorney" or escrow officer who is not a full-time employee of the Title Company or Title Insurer who will "close the transaction".
- 4.5. <u>Closing Deadline</u>. Notwithstanding anything contained in this Agreement to the contrary, Borrower shall cause all conditions precedent to Closing to be satisfied on or before October 31, 2020 (the "<u>Outside Closing Date</u>"). Unless Closing occurs on or before the Outside Closing Date (unless the Director, in his sole and absolute discretion, consents to an extension of the Outside Closing Date), the Director may, without providing prior notice, terminate this Agreement by written notice to Borrower and Owner, in which event the City's obligations hereunder shall automatically cease and be of no further effect.
- 4.6 <u>City Expenses.</u> Borrower shall pay or cause Owner to pay all third party expenses incurred by the City whether or whether not the City Loan closes including, without limitation, any expenses incurred by the City for outside counsel (up to a maximum of \$49,000.00).

SECTION FIVE CITY AND FEDERAL FUNDING LIMITATIONS

5.1 <u>Dependency Upon Federal Funding</u>. Borrower understands that the availability of the Loan Proceeds is dependent upon federal and state funding. Unless and until the City receives adequate funds from GLO, the City shall have no obligation to Borrower under this Agreement. In the event that the funds received by the City under the CDBG-DR17 Program are

insufficient to meet the City's prior commitments, the Director may reallocate all or a portion of the funds that are budgeted for this Agreement.

- Agreement or any of the Loan Documents shall cease. In furtherance of the foregoing, in the event that GLO arother that the City provides Borrower and Owner with notice of interruption as contemplated in this Section Five, Borrower and Owner shall execute any releases or other documents or agreements that the City determines necessary to enable the City to reallocate all or a portion of funds that are available pursuant to this Agreement that have not been funded to Borrower.
- 5.3 Original Allocation. In order to comply with Article II, Sections 19 and 19a of the City's Charter and Article XI, Section 5 of the Texas Constitution, the City has (in addition to prior appropriations and allocations) appropriated and allocated the Loan Amount to be used, in part or in whole, to discharge its duties, if any, to provide money under this Agreement.
- 5.4 Environmental Clearance and Release of Funds. Notwithstanding any provision of this Agreement, the parties hereto agree and acknowledge that this Agreement does not constitute the City's commitment of funds or site approval, and that such commitment of funds and site approval may occur only upon satisfactory completion of environmental review and receipt by the City of a written "release of funds" authorization from HUD (Authority to Use Grant Funds, form HUD-7015.16 or successor form) in accordance with 24 C.F.R. Part 58 and Executive

Order 11988 and any Environmental Mitigation required therein. The parties further agree that if the City is to provide any funds to the Borrower or the Owner in connection with the Project, such disbursement is conditioned on the City's determination to proceed with, modify, or cancel the City's Loan based on the results of a subsequent Environmental Review of the Land and the improvements thereon.

5.5 <u>City Council Approval Required</u>. This Agreement is subject to the approval of the City Council.

SECTION SIX COVENANTS OF BORROWER AND OWNER

Further, proceeds of the City Loan (as distributed pursuant to the Owner Loan) shall only be used for hard construction or other allowable costs, acquisition costs, relocation expenses and work performed that is eligible for payment under the regulations applicable to the City Loan. No portion of the City Loan or the Owner Loan will be used to pay for damages to the extent covered and paid for by any FEMA reimbursement, SBA assistance, or any insurance policy including delayed or future payments anticipated under any insurance policy. Borrower covenants that the City Loan does not constitute a duplication of benefits to Owner within the meaning of Section 312 of the Stafford Act and the requirements of 76 Fed. Reg. 71060 as updated by 84 Fed. Reg. 28836 and 84 Fed. Reg. 28848.

Notwithstanding anything to the contrary, this provision shall survive the end of the term of this Agreement.

6.2 Construction Matters.

Borrower shall cause Owner to, and Owner shall complete the Work in accordance with the Approved Construction Schedule but in no case later than the earlier of (i) eighteen (18) months after the Closing of the City's Loan or (ii) the expiration date of the GLO Contract, time being of the essence (the "Approved Construction Period"). Any changes to the Approved Construction Schedule, Approved Construction Contract, Approved Construction Period, or the Approved Plans, Specifications, and Drawings must be submitted and approved in writing by the Director. Subject to waiver by the Director, neither Borrower nor Owner shall be entitled to receive any disbursements of the City Loan after the expiration of the Approved Construction Period.

Each

Construction and Supply Contract must comply with the federal labor standards provisions of the Davis-Bacon Act, as amended (40 U.S.C. §§ 276a, et seq.); compliance with the Davis-Bacon Act may be verified through on-site inspections by representatives of the City or at the City's option, the Approved Inspectors. In addition, each Construction Contract must require compliance with labor standards under CDBG Regulations at 24 C.F.R. § 570.603 and Department of Labor regulations at 29 C.F.R. No later than ninety (90) days prior to the initiation of rental activities at the Project, Borrower shall cause Owner to, and Owner shall contact the Director to establish a procedure for identifying the initial Designated Units to be occupied by qualified tenants and a procedure for identifying the floating Designated Units on a periodic basis thereafter. - Affordability Requirements, Borrower shall cause Owner to, and Owner shall, prior to the occupancy of any tenant in a Designated Unit and thereafter annually, submit to the Director for his approval, the rents proposed to be charged by Owner for the coming year for Designated Units and the monthly allowances proposed by Owner for the coming year for utilities and services to be paid by the tenant. 6.11 <u>Tenant Lease Requirements</u>. Prior to the date that Owner enters into any new or renewal leases for Designated Units, the Director shall approve a form lease that shall be used for occupancy of the Designated Units. Owner shall not make any modifications to such form lease without the Director's prior written approval. Borrower shall cause Owner to, and Owner shall enter into leases in such approved form with each tenant of a Designated Unit. - 6.14 <u>Use of Project</u>. During the term of the Affordability Period, the Designated Units shall be used solely for the purpose of providing housing for the City's LMI Persons in accordance

with the provisions of this Agreement, and for no other purpose. Owner shall list the Project on the Houston Housing Authority's ("HHA") landlords list and shall notify HHA that the Designated Units are available for affordable housing.

- 6.15.3 Using the Monitoring Forms or other forms from time to time established for use by the Director for monitoring purposes of the Loan Proceeds or to document Owner's compliance with the requirements of this Agreement, Borrower shall cause Owner to and Owner shall provide the Director with all monthly, quarterly or annual compliance reports as the Director requests.

Borrower shall cause Owner and Owner at its option shall either: (1) fund an escrow account with Senior Lender for the payment of taxes and insurance premiums; or (2) provide the Director with written evidence acceptable to the Director that taxes and insurance premiums are paid prior to the date that such taxes and insurance premiums are due. To the extent that Owner escrows funds with Senior Lender, Owner shall provide the City with evidence of the adequacy of such escrows. Further, to the extent that Owner fails to escrow funds with the Senior Lender, the Director reserves the right to require Owner to escrow funds for taxes and insurance premiums with the City.
- 6.20 <u>HUD Section 3 Requirements</u>. If applicable, Borrower shall cause Owner to and Owner shall comply at all times with Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) as set forth and supplemented in the City's Housing and Community Development Department's Section 3 Plan and associated documents. Borrower shall cause Owner to report Section 3 compliance in accordance with 24 C.F.R. Part 135 and 83 Fed. Reg. 5844. Section 3 requirements are applicable to Borrower and Owner if the assistance provided for in this Agreement exceeds \$200,000.00, and to contractors and subcontractors for contracts or subcontracts that exceed \$100,000.00.
- 6.21 <u>Public Relations and Signage</u>. All news releases and other public relations efforts, including advertising (except for advertisements solely for the purpose of obtaining tenants for the Project) and signage, must be approved in advance by the Director, and must properly refer to the City's Loan by the City and the City's Housing and Community Development Department.

("Section 504"), and regulations and guidelines promulgated thereunder, as all of the same may be amended and supplemented from time to time, the Texas Architectural Barriers Act, Tex. Gov't. Code Ann. § 469.001 et seq. (1994) and the regulations and guidelines promulgated thereunder, and Chapter 10, subsection 60 of the Texas Administrative Code and the regulations and guidelines promulgated thereunder ("Chapter 10") as all of the same may be amended and supplemented from time to time

(collectively, "Accessibility Requirements"). Five percent (5%) of the total number of units at the Project (i.e. four (4) units), disbursed throughout the Project, shall be designated accessible in accordance with Section 504 and Chapter 10 using the 2010 ADA Standards for Accessible Design, promulgated by the United States Department of Justice, found at 28 C.F.R. § 35.151 (2013) and 36 C.F.R. Multifamily Requirements. If required by Applicable Law, Borrower shall cause Owner, and Owner shall also submit to Director copies of all tenant notices and the Seller's Occupancy Certification required under PTAF with respect to the tenant protection requirements, to substantiate that such notices, if required by Applicable Law, were provided either by the foreclosing lender or by Borrower or Owner, as applicable.

Replacement Reserve and Operating Reserve. In accordance with the Senior Loan Documents, but not later than the first (1st) anniversary following Project Completion, Borrower shall cause Owner to, and Owner shall establish with Senior Lender, or to the extent not funded with the Senior Lender, a financial institution acceptable to the Director and Senior Lender in their sole and absolute discretion, and fund as an Operating Expense a "replacement reserve escrow account" ("Replacement Reserve Account") for the replacement of furniture, fixtures, and equipment used in connection with those units at the Project for which the Work has been completed and for repair of capitalized improvements, in an amount not less than the greater of (i) \$300.00 per unit annually, increased by 3% annually, or (ii) the reserve required by the Senior Lender per Unit per annum. If the Senior Lender requires a Replacement Reserve Account meeting these requirements, no additional reserve shall be required by the City. The reserve shall be deposited in equal monthly installments on an amortized basis. (For example if the Project had 100 Units, the monthly payment would be calculated as follows: 100 Units x $$300 \div 12 = $2,500$ monthly escrow payment). In the event that the Senior Lender does not require a Replacement Reserve Account pursuant to the immediately preceding sentence, the City shall have the right to cause Owner to fund such Replacement Reserve Account, in an annual amount not less than \$300.00 per unit, increased by 3% annually, in accordance with the terms of this Section 6.24. Unless a Default exists, Owner shall be entitled to utilize amounts in the Replacement Reserve

Account as necessary, provided that Owner shall replenish the amount withdrawn by continuing to fund deposits to the Replacement Reserve Account in accordance with the preceding sentence. Any replacement reserve amounts required under the Senior Loan Documents may be applied toward satisfaction of the Replacement Reserve Account requirements in this Agreement. If the Replacement Reserve is not required by the Senior Lender, the Director may require that the Replacement Reserve Account and all amounts held therein shall be collaterally assigned to the City pursuant to a pledge and account control agreement in form and substance acceptable to the Director in his or her sole and absolute discretion. If the Replacement Reserve is required by the Senior Lender, the City shall have a second lien priority interest in the Replacement Reserve Account and the funds contained therein. On an annual basis, Borrower shall cause Owner to, and Owner shall provide the Director with an accounting of the Replacement Reserve Account. If not required by the Senior Lender or Owner's Partnership Agreement, the Director may require Owner to establish an Operating Reserve for the Project at Project Completion on terms and conditions as approved by the Director.

6.25 <u>Insurance Provisions in the Deed of Trust</u>. Borrower shall cause Owner to, and Owner shall comply with all insurance requirements set out in the Senior Mortgage, the Deed of Trust securing the City Loan and this Agreement.

6.26 Additional AFFH Requirements.

6.26.1 Due to the age of the existing commercial buildings located on the Property, an asbestos survey must be conducted to identify the possible presence of asbestos containing materials (ACM) on site. If ACM is identified, it will need to be removed by a licensed contractor and disposed of properly in accordance with local, state and federal requirements. Measures will be taken to ensure the health and safety of works with respect to exposure to ACM. The Texas Department of State Health Services (TDSHS) Demolition/Renovation Notification form combines the requirements of the National Emission Standards for Hazardous Air Pollutants, 40

CFR, Subpart M (NESHAP) and the Texas Asbestos Health Protection Rules (TAHPR). Both of these regulations require that written notification be submitted before beginning renovation projects that include the disturbance of any asbestos-containing material in a facility. A notification form is required before the demolition of a building or facility, even when no asbestos is present. While the future buildings on Project will not have any foreseeable lead paint, any lead paint in the existing buildings that are to be demolished will need to be removed and adequately handled to ensure worker safety and proper disposal as per all applicable federal, state and local requirements.

6.26.2 If historic properties are discovered or unanticipated effects of historic properties are found, work should cease in the immediate area; work can continue where no historic properties are present. In such case, Owner must contact the History Programs Division of the Texas Historical Commission at 512-463-5852 to consult on further actions that may be necessary to protect the historic properties.

6.26.3 If buried cultural materials are encountered during construction or disturbance activities, work should cease in the immediate area; work can continue where no cultural materials are present. Owner shall contact the Texas Historical Commission's Archeology Division at 512-463-6096 to consult on further actions that may be necessary to protect the cultural remains. If any unforeseen items, remains, artifacts, or the like are discovered, Native American tribes will need to be contacted as appropriate to ensure proper disposal or to determine the items aren't theirs.

6.26.4 Noise mitigation will be required during the construction phase of the Project to achieve an indoor noise level of 45 dB or less per HUD's guidelines. Various types of mitigation can be utilized in order to decrease the noise environment, especially in the more sensitive locations such as interior spaces and outdoor recreational areas. Most notable examples include when practicable, modifying the building configuration, moving the buildings farther away from the noise source and incorporating noise attenuation in the building materials. If

modifications to the building configuration occur, steps will be taken to ensure that the outdoor recreational areas (playground) are not placed in a location with noise levels in the "normally unacceptable" range. In order to confirm the proposed building materials will provide sufficient noise attenuation, the project architect will need to perform an analysis using HUD's Sound Transmission Classification Assessment Tool (STraCAT). The STraCAT tool needs to confirm a minimum of 25 dB of attenuation will occur, sufficient to ensure an indoor noise environment of at least 45 dB.

6.27 <u>Consulting and Developer's Fees</u>. During the Term, without the prior written approval of the Director, no consulting or developer's fees shall be paid by Borrower or Owner, directly or indirectly out of the proceeds of the City's Loan or out of the revenue of the Project (except as provided in the Approved Final Construction Budget or the Approved Final Operating Budget).

an annual (calendar year) basis, the available cash for distribution for such calendar year shall be limited to the cash available between breakeven (1:1 debt service ratio) and a 1.5 to 1 debt service ratio. Notwithstanding anything to the contrary contained in this Agreement, any distribution in excess of such amount shall entitle the Director to declare a Default hereunder without prior notice and opportunity to cure. For example: If the debt service on the Project was \$100,000 per year and the available cash before payment of debts was \$200,000, the Project would have a debt service ratio of 2:1. \$100,000 of the cash would be used to pay debt service, \$50,000 (only) would be available for distribution and the remaining \$50,000 would be reserved by Owner and promptly invested in the capital improvement of the Project or deposited in the Replacement Reserve Account. Cash flow in excess of a 1.5 to 1 debt service ratio shall not be available for distribution and shall be invested in the Project or deposited in the Replacement Reserve Account as provided above. Borrower and Owner covenant to notify the City in writing at least ten (10) days in advance

of any distribution of Project income to Borrower's or Owner's partners, shareholders or members as applicable.

6.29 <u>Modification Fees.</u> In the event that a modification of this Agreement or any change in any City Loan terms is required after Closing which requires the Director's or City Council's approval, Borrower shall be responsible for all costs in connection therewith together a fee of no less than \$25,000.00 with the amount of the fee to be determined at the time of request.

SECTION NINE DISBURSEMENT PROCEDURES

- 9.1 <u>Disbursement Limitations</u>. The proceeds of the City Loan shall be disbursed only for eligible and approved costs of the Work, relocation costs or acquisition costs that (i) are included in the Approved Final Project Budget, (ii) have been approved by the Director, (iii) if for Work, are for Work that has been completed and which Work has been approved by the Director, and (iv) if for materials, are for materials purchased and stored on site and approved by the Director.
- **9.2** Retainage. Disbursement for the Work or other expenses under the Approved Final Construction Budget shall be subject to a ten percent (10.0%) retainage under Section 53.101, et seq. of the Texas Property Code (as it may be amended from time to time) and may require retainage on acquisition costs advanced, but notwithstanding the foregoing, in no case shall retainage be released prior to thirty (30) days following completion of the Work as certified by the Architect or other person acceptable to the City. At the time of the release of the retainage, the

Project is or will be as a result of the release of retainage free of all liens relating to the Project, other than liens that are bonded around. At the time of the release of the retainage, Borrower shall cause Owner and Owner shall provide the City with a down-date endorsement (T-3), final lien waivers and/or such other documentation as may be required by the Director.

- 9.3 <u>Reallocation of Loan Proceeds</u>. Any Loan Proceeds that are allocated for the Project but that are not expended for eligible costs under the Approved Final Project Budget pursuant to the terms of this Agreement shall be returned to the City for reallocation.
- 9.4 <u>Reallocation of Savings and Contingencies</u>. Borrower or Owner may, with the Director's approval, reallocate savings from one category of the Approved Final Construction Budget or from the contingency category of the Approved Final Construction Budget to another category of the Approved Final Construction Budget for the Project.
- Proceeds except in accordance with the Approved Construction Schedule and Approved Final Project Budget and in accordance with the provisions of this Paragraph 9.5. When a disbursement of Loan Proceeds is requested, Owner shall provide to Borrower for delivery to the Director (but in no event more often than once a month and for an amount of not less than \$5,000) an application for the disbursement (in a form required by the Director) (the "Disbursement Request") together with supporting documentation required by the Director (which shall include but not be limited to invoices and draw requests submitted by Contractor, interim lien waivers using forms provided by the GLO attached hereto as APPENDIX 14, and monthly construction progress reports on a unit by unit basis for verification by a third party inspector or a representative of the City) and evidence of required permits. In addition to the other information required by the Director, the initial disbursement request shall include a copy of all required permits necessary to commence

construction. If the Director objects to an item (or portion thereof) included in any Disbursement Request or if all required information has not been submitted, then the Director shall notify Owner within 10 business days of receipt of the applicable Disbursement Request of the Director's objection and shall thereupon be relieved of any obligation to make a disbursement for that item (or portion thereof) until such time as Owner cures the objection(s) to the satisfaction of the Director. If the Disbursement Request is otherwise complete (as determined by the Director) and provided no Default exists or event that with the passage of time or giving of notice would constitute a Default has occurred and is continuing, the City shall, within 30 calendar days following approval of Owner's request, fund the requested disbursement from the City Loan less any amounts for items to which the Director has raised an objection and that have not been cured and less any retainage; provided, however, that the City shall not be required to make a disbursement (other than the last disbursement) in an amount less than \$5,000 nor shall the City be required to make more than one disbursement per month. With each draw, the Owner shall provide a down-date endorsement (T-3) to the City Loan Title Policy together with partial lien releases from the Contractor and subcontractors for the Work performed through the date of the draw request.

SECTION TEN DEFAULT AND REMEDIES

10.1 <u>Default</u>. The Director may declare a default ("Default") under this Agreement or any one or more of the Loan Documents upon the occurrence of any one or more of the following circumstances (and in all events, subject to the rights of Senior Lender under the Senior Loan Documents and the Tax Credit Investor under <u>Section 10.4</u> hereof):

10.1.1 Failure to Pay.

- (a) If Borrower fails to pay, when due, any portion of the indebtedness evidenced by the Note and/or Loan Agreement and/or secured by the Collateral Assignment (Owner Loan) and such failure continues for ten (10) days after written notice thereof from the Director to Borrower.
- (b) If Owner fails to pay the Borrower when due any portion of the indebtedness evidenced by the Owner Loan and such failure continues beyond all applicable notice and cure periods contained in the Owner Loan Agreement.

10.1.2 <u>Breach of Affordability Requirements and/or Restrictive Covenants</u>. If Borrower or Owner breaches (i) the Affordability Requirements in this Agreement or the parallel Affordability Requirements set forth in the Restrictive Covenants and such breach continues for thirty (30) days after written notice thereof from the City to Borrower and Owner or (ii) any other covenant, condition, representation or warranty contained in the Restrictive Covenants..

10.1.3 Breach of Other Covenants or Conditions.

Paragraphs 10.1.1 and 10.1.2 above, if Borrower or Owner fails, refuses or neglects to perform fully and timely any obligation, or breaches any covenant or condition (including any condition prior to or subsequent to the issuance of the City Loan) under this Agreement, or under any other Loan Document, and such failure continues for thirty (30) days after written notice from the City to Borrower and Owner, or, if the failure is not susceptible to cure within said 30-day period, such greater period of time (not to exceed sixty (60) days) as is necessary to cure such failure provided Borrower commences to cure such failure within said 30-day period and diligently works to cure such failure; provided, however that in the event that (i) any such cure periods would cause a

violation to occur under Applicable Law or cause a recapture of the tax credits or (ii) any breach or failure of performance of a life safety requirement, such event shall be deemed a Default hereunder without any notice or opportunity to cure;

Except for the breaches of covenants or conditions covered by Section Ten,

Paragraphs 10.1.1 and 10.1.2 above, if Owner fails, refuses or neglects to perform fully and timely
any obligation, or breaches any covenant or condition under any of the documents evidencing,
securing or otherwise pertaining to the Owner Loan, and such failure continues for thirty (30) days
after written notice from Borrower or City to Owner; provided, however that in the event that (i)
any such cure periods would cause a violation to occur under Applicable Law or cause a recapture
of the tax credits or (ii) any breach or failure of performance of a life safety covenant, such event
shall be deemed a Default hereunder without any notice or opportunity to cure.

Warranties. If any representation or warranties. If any representation or warranty made by Borrower or Owner in its application(s) for the City Loan or in any of the Loan Documents, or this Agreement, or the Restrictive Covenants is false or misleading in any material respect, provided, however, that solely with regard to non-financial misrepresentations or warranties, Borrower and Owner shall have thirty (30) days after written notice to the Borrower and Owner from the City in which to take such action as may be necessary to cause the matter or thing represented to become true or not misleading; provided, however that in the event that any such cure periods would cause a violation to occur under Applicable Law or cause a recapture of the tax credits, such event shall be deemed a Default hereunder without any notice or opportunity to cure.

10.1.5 <u>Voluntary Actions</u>. If Borrower, Owner or Guarantor (if any) is voluntarily adjudicated bankrupt, seeks, consents or does not contest the appointment of a receiver or trustee

for itself or for all or part of its property, makes a general assignment for the benefit of creditors, does not pay its debts as they become due, or files a petition seeking relief under United States Bankruptcy Law.

- 10.1.6 <u>Involuntary Actions</u>. If a petition is filed against Borrower, Owner or Guarantor (if any) under United States Bankruptcy Law or if a court of competent jurisdiction enters an order appointing a receiver or trustee for Borrower, Owner or Guarantor (if any) for all or any material part of such party's property, and the order or petition is not discharged, dismissed or stayed within a period of ninety (90) days.
- 10.1.7 <u>Dissolution or Liquidation</u>. If Borrower or Owner is a partnership, limited liability company, corporation or other legal entity and dissolves, liquidates, or merges with or is consolidated into any other entity without the written approval of the Director.
- 10.1.8 <u>Destruction of the Project</u>. If the Project is demolished, destroyed or substantially damaged, and it is not restored or rebuilt in accordance with the requirements of the Loan Documents.
- 10.1.9 <u>Cessation of Work</u>. If Work on the Project ceases for ninety (90) or more consecutive days unless such cessation of Work is caused by cessation of funding under the City Loan.
- or Owner fails to obtain any funding of the Other Financing in the order required under the Intercreditor Agreement (if applicable) or if Owner or Borrower has been declared in default under any regulatory agreement or document evidencing or related to the Other Financing and such default is not cured within ten (10) business days, or if longer, the cure period set forth in such

regulatory agreement or other document but not to exceed thirty (30) days; provided, however, that any cure of the underlying default shall also constitute acceptable cure of the Default.

Liens and Other Encumbrances. If any mechanics', materialman's or other similar lien or encumbrance is filed against the Project, or the fixtures, materials, machinery and equipment to be used in the Project or other collateral that secures the City Loan, and the same is not discharged (by payment, bonding, which may include payment bond furnished by contractor, or otherwise) within fifteen (15) business days following written notice thereof from the City to Borrower and Owner.

10.1.12 Change of Ownership or Management.

- transfers of membership or partnership interests in Owner by the Tax Credit Investor or any entity permitted pursuant to Paragraph 10.1.15), sold or assigned, voluntarily or involuntarily, or there is a change of management of the Project, at any time within the Affordability Period, such transfer of interest or change of management must first be approved in writing by the Director, which approval may be granted or withheld by the Director. In the case of a transfer of Owner's interest in the Project, the Director's consent, if any, shall not be effective unless or until the purchaser or transferee assumes in writing all obligations and covenants of Borrower and Owner under the Loan Documents in a form acceptable to the Director and the City Attorney; or
- (b) If there is otherwise a change in control of Borrower in violation of this Agreement.
 - (c) There is a change in the Property Manager without Director's consent.

Notwithstanding anything to the contrary herein, there shall be no consent permitted by the Owner's Partnership Agreement.

Work in accordance with the Approved Plans, Specifications, and Drawings that are approved by the Director within the Approved Construction Period.

Internal Revenue Service, or other federal or state agency makes an audit finding or exception that relates to the Project, the funds provided under this Agreement, or the Other Financing, provided, however, that if the audit finding or exception is curable, there shall be no Default unless the audit finding or exception is not cured within thirty (30) days after written notice to Borrower and Owner of such finding or exception or for such greater period as shall be necessary to cure such finding or exception so long as Borrower or Owner commences to cure such finding or exception within thirty (30) days after written notice thereof to Borrower and Owner and satisfactorily completes such cure.

the contrary contained in this Agreement or the Loan Documents, the removal and/or replacement of Owner's general partner for cause in accordance with Owner's Partnership Agreement shall not require the consent of the City or Director, shall not constitute a default under this Agreement or the Loan Documents or accelerate the maturity of the City Loan. The consent of the Director shall be required for the appointment of a new general partner, but if the Tax Credit Investor exercises its right to remove the Owner's general partner for cause, City will not unreasonably withhold its consent to the substitute general partner; provided however, the consent of neither the City nor the Director shall be required if the substitute general partner is an affiliate of the Original Tax Credit Investor. The substitute general partner shall assume all of the rights and obligations of the removed general partner of Owner hereunder.

other provision of this Agreement or any of the other Loan Documents to the contrary, neither Borrower nor Owner shall be in Default hereunder or thereunder if such Default occurs solely as a result of temporary noncompliance with Section Six, Paragraphs 6.8.1, 6.8.3 or 6.8.4, or comparable or similar provisions of this Agreement or any of the other Loan Documents, and such temporary noncompliance is caused by increases in incomes of existing tenants, provided that actions satisfactory to GLO and the City are being taken to ensure that all vacancies are filled with eligible tenants until the noncompliance is corrected. Without limiting the foregoing, existing tenants of Designated Units whose financial status during the term of the lease are found to be such as to no longer qualifies as a City LMI Person, an amount equal to the lesser of the amount payable by the tenant under state or local law or thirty (30%) percent of the family's adjusted monthly income, as recertified annually, but in no event shall more rent be charged than is allowed under Section 42 of the Internal Revenue Code.

which, with the passage of time might become a Default, if the Project has received Other Financing from low income housing tax credits, the Tax Credit Investor and/or the Senior Lender shall have the independent and concurrent right to cure such event or condition during the same period of time as that provided to Borrower or Owner. A cure by the Tax Credit Investor and/or the Senior Lender of any event or condition that, with the passage of time might become a Default, shall have the same effect as a cure of such event or condition by Borrower. The City will give notice to Senior Lender and Tax Credit Investor of any Default by Owner or Borrower in accordance with the requirements of the Intercreditor Agreement.

- Section 10.1 which, with the passage of time might become a Default, if the Project has received other financings from low income housing tax credits, Owner shall have the independent and contingent right to cure such event or condition during the same period of time as that provided to Borrower. A cure by Owner of any event or condition that, with the passage of time might become a Default, shall have the same effect as a cure of such event or condition by Borrower. The Tax Credit Investor shall have the right, but not the obligation, to tender cure on behalf of the Owner within the applicable notice and cure period.
- by Borrower or Owner or Senior Lender or Tax Credit Investor to cure same within a time period specified herein (if any), the Director may in his or her sole discretion: (i) terminate this Agreement; (ii) accelerate payment of the Note and declare that all sums under the City Loan are immediately due and payable; (iii) foreclose on the Project; (iv) cease funding any disbursements under the City Loan; (v) foreclose on the Collateral Note and/or (vi) take any other action authorized or available under this Agreement, any of the Loan Documents or under Applicable Law or in equity. In the event a Default exists, if the Director so chooses this remedy, the outstanding deferred principal balance shall be immediately due and payable. Upon the occurrence and continuation of any Default hereunder, the deferred principal shall bear interest at a rate of the lesser of ten percent (10%) per annum or the maximum rate of interest permitted to be contracted for by Applicable Law ("Highest Lawful Rate"). Failure of Borrower or Owner to adequately perform under this Agreement may result in penalties including the possibility of disbarment from future GLO and City projects. In the event that the City elects to stop funding the City Loan upon

the occurrence and continuance of a Default, the Borrower and Owner shall be obligated to continue and complete the Work at Borrower's and Owner's expense.

SECTION ELEVEN ALLOCATION OF COST SAVINGS AND RECOVERY OF DAMAGES FROM CONTRACTOR

In the event that (i) cost savings are achieved in connection with the performance of the Work and not reallocated in accordance with Section Nine, Paragraph 9.4 or (ii) the Contractor or any Subcontractor selected to perform the Work on the Project makes a payment of damages to Owner for delays, defective workmanship or material, or for other items related to Work on the Project and such sums are not used by Owner to correct such defective workmanship or otherwise mitigate any damages related to Work on the Project resulting from such default by the Contractor or any Subcontractor, Borrower shall immediately cause Owner to and Owner shall pay to the City a portion of such cost savings or the sum received as payment of damages, to be applied against the principal balance of the City Loan . The amount of such savings or damages to be paid to the City and applied to the City Loan shall be equal to:

- (i) (The total amount of the City Loan disbursed for Work) X (amount of cost savings realized or damages received)

 (The total Work cost)
 - (ii) less any portion of the damages received that the Director determines are attributable to lost income from rent; and
 - (iii) less any portion of the cost savings realized or damages received that are used to pay Work costs approved by the Director in accordance with the Final Budget.

Provided, however, to the extent that cost savings result in reduction in eligible basis for the Project and such reduction results in the amount of equity being contributed to the Project by the Tax Credit Investor being reduced, the City Loan shall not be reduced by any amount of reduction in the Tax Credit Investor's equity.

SECTION EIGHTEEN MISCELLANEOUS

- 18.1 <u>Relationship of Parties</u>. The relationship of the City to Borrower pursuant to this Agreement, the Note, and all other Loan Documents is that of lender to borrower. Neither this Agreement, the Note, nor any of the Loan Documents creates any partnership, joint venture, or other subrecipient or fiduciary relationship between City and Borrower and/or the City and Owner.
- 18.2 Parties in Interest. Except for the rights of the GLO specifically set forth herein, this Agreement shall not bestow any rights upon any third party, but, rather, shall bind and benefit the City, Owner and Borrower, and as applicable, benefit GLO. Neither the U.S. Government, HUD, any subcontractor or supplier, nor any other person or entity, is a party to or a third-party beneficiary of this Agreement.
- 18.3 <u>Exculpation</u>. The City shall not be liable to Borrower or Owner or responsible in any manner to any third-party in connection with this Agreement.
- 18.4 <u>Non-waiver</u>. Failure or forbearance of any party hereto to insist on the strict performance of any obligation under this Agreement or to exercise any rights or remedies accruing upon default shall not be considered a waiver of the right to insist on and to enforce, by any appropriate remedy, strict compliance with any other obligation or to exercise any right or remedy occurring as a result of any future default or failure of performance.
- 18.5 <u>Modification</u>. Any alterations, additions, or deletions to terms which are required by changes in federal or state laws and regulations shall be automatically incorporated into this Agreement and shall take effect on the effective date of the laws or regulations.
- 18.6 <u>Severability</u>. In the event that any covenant, condition or provision of this Agreement is held to be invalid by a court of competent jurisdiction, the invalidity of the invalid covenant, condition or provision shall in no way affect any other covenant, condition, or provision,

provided that the respective rights and obligations of the parties contained in the valid covenants, conditions and provisions of this Agreement are not materially prejudiced.

- 18.7 <u>Choice of Law</u>. This Agreement shall be performable and enforced in Harris County, Texas, and shall be construed and interpreted in accordance with the laws of the City, the State of Texas and other Applicable Law. Venue for any disputes relating in any way to this Agreement shall lie exclusively in Harris County, Texas.
- 18.8 <u>Integration</u>. Except as may be otherwise provided in this Agreement, this Agreement, the Appendices, Attachments, and Exhibits, or the other Loan Documents and Borrower's response to the City's request for proposal embody the entire Agreement between the City, Borrower, and Owner, and there are no other effective agreements, representations or warranties between the City and Borrower in connection with this Agreement and the other Loan Documents.
- 18.9 <u>Assignability</u>. This Agreement shall not be assignable in whole or in part by Borrower or Owner without the prior written consent of the City which consent shall be in the form of an ordinance passed by City Council.
- 18.10 <u>Survival</u>. All the terms of this Agreement (including without limitation, the conditions listed in <u>Section Three</u>) shall survive the execution of the Note, the Deed of Trust and Restrictive Covenants. The parties hereto expressly agree and acknowledge that the terms of this Agreement and the Restrictive Covenants shall remain in full force and effect until the expiration of the Affordability Period, notwithstanding whether the Note or the Owner Note is prepaid in accordance with its terms.
- 18.11 <u>Captions</u>. The use of captions in this Agreement is for convenience only and such captions shall not be used to define or limit the terms of this Agreement.

- 18.12 <u>Applicable Law</u>. The interpretation and application of this Agreement shall be in accordance with the laws of the City, the State of Texas and other Applicable Law.
- 18.13 <u>Multiple Counterparts; Effective Date</u>. The parties have executed this Agreement in multiple originals, each having full force and effect, as of the Effective Date.
- 18.14 <u>Approval by the City or the Director</u>. All references to "reasonable" with respect to the granting or denying of the City's or the Director's approval shall be deemed to be "reasonable" if the Director is acting in his or her official capacity in accordance with the City's Charter and related ordinances.

As applicable, during the term of this Agreement, Borrower shall cause Owner and Owner shall maintain flood insurance as required under the Flood Disaster Protection Act of 1973 and the National Flood Insurance Reform Act of 1994 (42 U.S.C. § 4001 et seq. and 42 U.S.C. § 5154a), as amended, in accordance with APPENDIX 2 hereto or as otherwise required by HUD, City ordinance or the Director. Provided, however, that if the Property is located within a 100-year or 500-year floodplain or Special Flood Hazard Area designated by FEMA, Borrower shall cause Owner and Owner must maintain flood insurance on the Property for the life of the Property, in accordance with 42 U.S.C. §4012a, and this requirement shall survive the expiration or earlier termination of this Agreement. Borrower and Owner understand and acknowledge that failure to maintain the required flood insurance shall result in ineligibility for any further federal disaster relief of any kind, including but not limited to CDBG disaster recovery assistance. If the Property is sold or transferred by Owner or any subsequent transferring owner, the applicable flood insurance requirements under this Section are transferred to the new Property owner. Owner or any subsequent transferring owner of the Property must notify the new owner in accordance with 42 U.S.C. § 5154a and this requirement shall survive

the expiration or earlier termination of this Agreement. Owner or any subsequent transferring owner of the Property may be subject to liability if it fails to provide the notice required by 42 U.S.C. § 5154a.

Director under the Loan Documents is for the purposes of administering the City Loan for City's benefit only and does not constitute any type of warranty or guaranty to Borrower or Owner that the plans, specifications, contracts or items of a similar nature for which approval or consent is sought is free from error, in compliance with Applicable Law or fit for the Owner's purpose. Borrower and Owner acknowledge that neither the City nor the Director is an engineer or an architect and that Owner is required to rely on its own architect, contractors and engineers in performance and monitoring of the Work hereunder. To the extent that any condition or provision of this Agreement or any other Loan Document is subject to the approval or consent of the City or the Director and such consent is not expressly required to be "reasonable", such consent or approval may be granted or denied within the sole and absolute discretion of the City or the Director, as applicable. In all cases, any approval or consent required by the City or Director shall not be effective unless such consent or approval is in writing.

18.17 <u>Choice of Venue</u>. - 1. Form of Policies: The insurance may be in one or more policies of insurance, the form of which is subject to reasonable approval by the Director. - 3. Insured Parties: Each policy, except those for Workers' Compensation and Professional Liability, must name the City (and its officers, agents and employees) as additional

insured parties on the original policy and all renewals or replacements during the term of this Agreement. The City's status as an additional insured under the Owner's insurance does not extend to instances of sole negligence of the City unmixed with any fault of the Owner or general contractor.

- C. PROOF OF INSURANCE. Owner shall provide proof of insurance as indicated below.
- 1. Prior to commencing any Work under this Agreement, Owner shall furnish the Director with Certificates of Insurance, along with an affidavit from the Owner confirming that the Certificate accurately reflects the insurance coverage that will be available during the term of the Agreement. If requested in writing by the Director, the Owner shall furnish the City with certified copies of Owner's actual insurance policies. Failure of Owner to provide certified copies, as requested, may be deemed, in the Director's and/or City Attorney's discretion, to constitute a breach of this Agreement.
- 2. Notwithstanding the proof of insurance requirements set forth above, it is the intention of the parties hereto that Owner, continuously and without interruption, maintain in force the required insurance coverages set forth above. Failure of the Owner to comply with this requirement shall constitute a default of Owner under this Agreement. Owner agrees that the City shall never be argued to have waived or be estopped to assert its rights to terminate this Agreement because of any acts of omissions by the City regarding its review of insurance documents provided by the Owner, its general contractor, or any agents, employees or assigns.

This includes, without limitation, independent contractors, subcontractors, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the Project. "Services" include, without limitation, providing, hauling or delivering equipment or materials, or providing labor, transportation, or other service related to a Project. "Services" does not include activities unrelated to the Project, such as food/beverage vendors, office supply deliveries and delivery of portable toilets.

- 9. The Owner shall contractually require each person with whom it contracts to provide services on a Project to:
 - (i) provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all of its employees providing services on the Project, for the duration of the Project;
 - (ii) provide to the Owner, prior to that person beginning Work on the Project, a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the Project, for the duration of the Project;

- (v) retain all required certificates of coverage on file for the duration of the Project and for one (1) year thereafter;
- (vi) notify the City in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provisions of coverage of any person providing services on the Project; and
- (vii) contractually require each person with whom it contracts, to perform as required under this Subparagraph 5.1 A-G, with the certificates of coverage to be provided to the persons for whom they are providing services.
- 10. By signing this Agreement or providing or causing to be provided a certificate of coverage, the Owner is representing to the City that all employees of the Owner who will provide services on the Project will be covered by Workers' Compensation coverage for the duration of the Project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier. Owner shall not be allowed to self-insure Workers' Compensation. Providing false or misleading information may subject the Owner to administrative penalties, criminal penalties, civil penalties, or other civil actions.
- 11. The Owner's failure to comply with any of these provisions is a breach of contract by the Owner which entitles the City to declare the Agreement void if the Owner does not remedy the breach within ten (10) days after receipt of notice of breach from the City.
- B. <u>FLOOD AND HAZARD INSURANCE REQUIREMENTS.</u> Owner must comply with the flood hazard insurance requirements set forth below.

The initiating department director or his or her designee shall determine whether the contract is one to which MWSBE provisions should be applied.
 - (1) These provisions are not required to be applied in the following circumstances:

- A public or administrative emergency exists which requires the goods or services to be provided with unusual immediacy;
- The service or goods requested are of such a specialized, technical or unique nature as to require the city department to be able to select its contractor without application of MWSBE provisions (such as contracts for expert witnesses, certain financial advisors or technical consultants);
- If application of MWSBE provisions would impose an unwarranted economic burden or risk on the
 city or unduly delay acquisition of the goods or services, or would otherwise not be in the best
 interest of the city; or
- If the possible MWSBE participation level based on MWSBE availability would produce negligible MWSBE participation.

If one of the above-listed conditions is determined to exist, the department director shall certify that determination in writing prior to the award of the contract, specifying the conditions which lead to the determination, and submit the determination to the OBO director for review and approval.

(2) If the contract does not fall within one of the above-listed exceptions, based upon its overall review, the initiating department shall assign an appropriate MWSBE participation level, if any, for the contract (whether goal-oriented or regulated) considering the local availability of certified MWSBEs in the contract field.

The intention of this article is to provide administrative flexibility in the application of MWSBE provisions of this Code and in the percentage participation level on a contract-by-contract basis so as not to limit access to city contracting by nonminority-owned, nonwomen-owned or established business enterprises to a greater degree than necessary to meet the city-wide annual goal and the policies and objectives of this article.

(d) The bidding documents and the contract documents for goal-oriented contracts for which a MWSBE participation level has been established shall contain a provision detailing the purposes and objectives of the city's MWSBE ordinance and shall incorporate by reference this article and the then-current motion or ordinance establishing MWSBE annual goals. Regulated contracts which are determined to have significant subcontracting potential for which a MWSBE participation level has been established shall contain contractual provisions (and proposal provisions if submitted for proposals or for bids) requiring the contractor to meet or exceed the determined MWSBE participation level for that contract, or to establish that it has made good-faith efforts to do so, and that notwithstanding such efforts, was unable to meet or exceed the determined participation levels. The OBO director shall establish procedures defining good-faith efforts. These procedures will be reviewed and approved by the mayor and the city attorney.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Sec. 15-84. - Office of business opportunity.

- (b) The office of business opportunity has responsibility for:
 - (1) Establishing procedures for the implementation of this article, and reviewing and approving procedures established by city departments, such procedures to be narrowly designed to attain the purposes and objectives specified herein without unduly limiting nonminority-owned or nonwoman-owned or established business enterprises. Such procedures shall be reviewed and approved by the mayor and by the city attorney prior to implementation;
 - (2) Certifying businesses as minority, small or women business enterprises and maintaining and distributing to affected city departments a current register, updated monthly, of such business (including a separate listing of such businesses whose applications for certification are pending) specifying the categories of city contracting represented by the certified MWSBEs;

- (4) Making recommendations to the mayor, city council and city departments to further the policies and objectives of this article, including but not limited to assisting city departments in setting contract-specific MWSBE goals;
- (5) Reviewing documentation from potential contractors and from contractors concerning good-faith efforts made to meet or exceed the participation level for contracts. The final recommendation to city council for award or for acceptance of work shall be the city department's, although the office of business opportunity may take exception;
- (6) Compiling a report of the progress of city departments, by department, in attaining the city-wide goals set by city council. This report shall be based upon MWSBE contractor and subcontractor information, to be specified by the office of business opportunity. Upon completion, the report is to be submitted quarterly to city council members, the mayor and all affected city department directors for their information;
- Receiving and reviewing complaints and suggestions concerning the MWSBE program from contractors, MWSBEs and city departments; and
- (8) Without limiting the authority of the office of business opportunity to establish procedures that are consistent with the terms of this article, the office of business opportunity is specifically directed to promulgate and implement procedures as follows:

 under this article. The procedures shall include notice and a hearing before an impartial hearing
 officer who shall be appointed by the mayor;

Procedures to ensure performance of work by MWSBEs, which procedures shall include: (i) a requirement that no more than 50 percent of their work may be subcontracted, without a specific waiver from the office of business opportunity for cause; (ii) a requirement that the minority person, small business or woman owner of a MWSBE have the necessary experience, expertise, credentials and regulatory authority to conduct the type of business for which the business is certified; (iii) a requirement that bidders and contractors make good faith efforts to meet or exceed contract MWSBE goals; and (iv) a requirement that MWSBEs accurately represent all material information required for certification and truly perform a commercially useful function;
 - Procedures for counting participation by MWSBEs as prime contractors, subcontractors, suppliers
 and joint venturers on city contracts, which procedures shall ensure that all work performed by
 MWSBEs is included in the computation of the progress made toward meeting the annual city-wide
 goals;
 - Procedures to ensure that this article is limited in its application to the certification of locally based MWSBEs;
 - g. Procedures to coordinate the operation of this article with other local MWSBE programs, which may include reliance upon certification procedures of other entities that are determined to be reliable and equivalent to this article;
 - Procedures to ensure access to necessary records of prime contractors and subcontractors on city contracts; and
 - Procedures for handling theft of services (wage theft) complaints of employees of city contractors and subcontractors.

- (c) MWSBE certification shall be valid for a period of three years from the date of certification; provided, however, all applicants certified as MWSBEs shall be subject to review on an annual basis pursuant to procedures established by the OBO director to ensure compliance with all applicable provisions of this article.
- (d) Applications for renewal of MWSBE certification shall be evaluated under the same criteria and subject to the same manner of review as original applications.
- (e) All procedures established under this section shall be reviewed and approved by the city attorney prior to implementation. A copy of all procedures hereunder shall be maintained in the office of business opportunity for inspection, and copies may be purchased at the fees prescribed by law.

Before execution of any contract or issuance of any purchase order for which a MWSBE goal has been established, a bidder or potential contractor shall submit a plan setting forth how it intends to meet the contract MWSBE goal or documentation demonstrating its proof of good faith efforts to meet the contract MWSBE goal. After execution of a contract or receipt of a purchase order, the contractor shall comply with the submitted plan, unless it has received approval from the OBO director for a deviation therefrom. Approval shall not be unreasonably withheld. While it is not a requirement that a contractor meet its goal, it is required that the contractor objectively demonstrate to the office of business opportunity that it has made good faith efforts to meet the goal. To this end, the contractor shall maintain records as prescribed by the office of business opportunity demonstrating its efforts at compliance. The contractor shall be required to submit to the office of business opportunity reports of its efforts under this article in such form or manner as shall be prescribed by the OBO director.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Sec. 15-87. - Determination of established business enterprise status.

- (a) Based upon a review of data submitted by MWSBEs or MWSBE applicants and any other information available from its files or the files of any other governmental entity, the office of business opportunity shall determine the size of each MWSBE or MWSBE applicant by determining the average of the gross receipts for the prior three years and the average number of employees for the 12 calendar months immediately preceding the review, as applicable. The calculation of size shall be based solely upon the size standards and methods of calculation identified by the U.S. Small Business Administration (SBA) including, without limitation those set forth in 13 C.F.R. part 121, subpart A, secs. 121.101 through 121.107, and sec. 121.201, any amendment or successor thereto, or any other document defining such size standards or the calculation thereof that has been fully and finally adopted by the SBA. The review shall be applicable to business entities applying for initial certification as a MWSBE or to certified MWSBEs, provided that such review may not be initiated until the applicant or certified MWSBE has established a business history of sufficient length to allow calculation of size based on the three year financial or 12 month employee data, as applicable.
- (b) Following the review described in this section, each certified MWSBE or MWSBE applicant shall be reevaluated under this section on an annual basis based upon the size standards and methods of calculation

- identified by the SBA and procedures established by the OBO director to ensure compliance with all applicable provisions of this article.
- (c) All MWSBEs and MWSBE applicants shall, upon written request of the OBO director, provide to the office of business opportunity copies of any and all documents, including without limitation financial statements and tax records, requested by the director in connection with the review authorized in subsection (a) of this section, not later than 20 business days following the date of mailing of the request. Failure to timely and completely comply with any such request will authorize the imposition of sanctions under section 15-86 of this Code, or denial of certification in the case of a MWSBE applicant.
- (d) Following the review authorized by subsection (a) of this section, the office of business opportunity shall classify each MWSBE or MWSBE applicant whose size meets or exceeds the size standard identified by the SBA for that class of enterprise as an established business enterprise. The classification shall be effective as of the date of mailing of the notice provided in section 15-88 of this Code.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Sec. 15-88. - Notice, appeal and waiver.

- (a) Immediately upon classification of a certified MWSBE or MWSBE applicant as an established business enterprise pursuant to section 15-87 of this Code, the office of business opportunity shall notify the business so classified of the action by United States certified mail, return receipt requested, addressed to the last known address of the business and deemed given when placed in a United States mail depository.
 - (b) Each notice shall inform the affected MWSBE or MWSBE applicant of the following matters: (1) That the MWSBE or MWSBE applicant has been classified as an established business enterprise;
 - (2) That the classification is effective as of the date of mailing of the notice;
 - (3) That the MWSBE or MWSBE applicant may appeal the classification or seek a waiver of the classification pursuant to the procedures established under this section;
 - (4) That the provisions of section 15-89 of this chapter shall become enforceable with respect to any certified MWSBE one year following the notice of classification, unless the decision is reversed or a waiver is granted and the classification is withdrawn prior to the expiration of the one-year period; and
 - (5) That any MWSBE applicant deemed ineligible for certification based upon its classification as an established business enterprise shall remain ineligible for certification unless and until any withdrawal of the classification as an established business enterprise is granted pursuant to an appeal or a request for waiver conducted under this section.
- (c) In order to appeal a classification as an established business enterprise, a MWSBE or MWSBE applicant must submit to the OBO director a written notice of appeal no later than 60 days following the date of mailing of the notice of classification. The sole basis for an appeal shall be that the office of business opportunity has incorrectly calculated the size of the business according to SBA standards based upon incorrect information or error in computation. The notice of appeal shall be accompanied by any documentation necessary to demonstrate the asserted error. If the OBO director finds that an error or errors were made in calculating the size of the business and that any such error resulted in an incorrect classification as an established business enterprise, the classification shall be withdrawn and the business promptly notified of the withdrawal. If the OBO director finds that no error was made, or that any error would not materially alter the classification, he shall notify the business that the classification is not altered, by certified mail, return receipt requested. The business may within ten days of the date of mailing of the notice submit to the OBO director a written request for a hearing, which hearing shall be conducted under the procedures set forth in subsections (e) through (g) of this section.
- (d) In order to seek a waiver of a classification as an established business enterprise, a MWSBE or MWSBE applicant must submit to the OBO director a written request for a hearing no later than 60 days following the date of mailing of the notice of classification. The written request shall include documentary evidence, including but not limited to financial statements and tax records, relevant to the following criteria:

- (1) Profitability of the enterprise;
- (2) Sales of the enterprise, including a demonstration that 55 percent or more of the enterprise's sales, within the period utilized by the office of business opportunity in its classification determination, are not related to city contracts;
- (3) Ability of the MWSBE or MWSBE applicant to obtain bonding, if the enterprise acts as a prime contractor or in a category in which obtaining bonding is required; and
- (4) Positive comparison of the enterprise's business and financial profile with those of non-MWSBE firms in the same business category based on an objective industry standard.
- (e) The OBO director shall notify the affected MWSBE or MWSBE applicant of the place and time of a hearing before the OBO director or his designee to consider an appeal requested under subsection (c) of this section, or a request for waiver of the classification under subsection (d) of this section, or both, as applicable, by United States certified mail, return receipt requested. The hearing shall be set not later than 30 days following receipt of the request, provided that the OBO director or his designee may in his discretion extend such date by a reasonable period for good and sufficient cause shown. Hearings for businesses that have both appealed under subsection (c) of this section and requested a waiver under subsection (d) of this section may be consolidated in a single hearing at the discretion of the OBO director or his designee.
- (f) The OBO director shall promulgate written procedures for the conduct of hearings. The OBO director or his designee shall hear each appeal or request for waiver and shall consider only the criteria set forth under subsections (c) and (d)(1) through (d)(4) of this section, as applicable, in determining whether to withdraw the classification of the affected business as an established business enterprise. The OBO director shall develop objective standards for evaluating each factor set forth under subsections (d)(1) through (d)(4) based upon recognized industry or governmental practices or standards. The burden shall be on the business to demonstrate by clear, convincing and cogent evidence either that a material error in classification was made or that the granting of a waiver is justified by at least two of the criteria set forth in subsections (d)(1) through (d)(4) of this section.
- (g) Notwithstanding any provision of this Code or of the rules or regulations of the office of business opportunity to the contrary, including any provision for mediation of a decision of the OBO director, the decision of the OBO director or his designee regarding appeal or waiver shall be final.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Sec. 15-89. - Effect of classification; re-application.

- (a) Upon the expiration of one year following the notice of classification as an established business enterprise referenced in section 15-88(a) of this Code, and in the absence of any withdrawal of such classification by the OBO director, each certified MWSBE so classified shall be ineligible for future participation in any city contract as a MWSBE and its certification shall be withdrawn. No application for re-certification shall be granted absent the prior determination of the OBO director that the applicant does not meet or exceed the SBA size standards referenced in section 15-87(a) of this Code. Certified businesses whose evaluation results in classification as an established business enterprise shall timely file any re-certification application due prior to expiration of the one year extension of program eligibility referenced in this section, but the application shall not be granted unless and until the classification is withdrawn or waived.
- (b) Notwithstanding any provision of this Code or the rules or regulations of the office of business opportunity to the contrary, including any provision for mediation of a decision of the OBO director, any initial applicant for MWSBE certification who meets the criteria for an established business enterprise at the time of its application and is so classified shall be denied certification on that basis alone and shall have no recourse for the denial except through challenging the classification in the manner set forth in section 15-88 of this chapter. Any and all other matters pertaining to the eligibility of the applicant shall be abated and shall only be reinstated if the classification as an established business enterprise is withdrawn.
- (c) The office of business opportunity may continue to assist established business enterprises following ineligibility as follows:

- Such businesses, if formerly certified by the city, may continue to be listed in any listing of MWSBE firms in a separate category of established MWSBE firms for the information of other private or public entities; and
- (2) Such businesses, if formerly certified by the city, may receive information, counseling and referrals to other agencies supporting business enterprises from the office of business opportunity after their classification as established business enterprises.
- (d) No sooner than one year following the date of program ineligibility provided in subsection (a) of this section or the denial of certification provided in subsection (b) of this section, any established business enterprise may apply for reinstatement as a fully eligible, certified MWSBE or reinstatement of an application for certification abated under subsection (b) of this section, as applicable, upon demonstrating the existence of one or more of the following conditions:
 - That the subsequent history from the date of initial classification as an established business enterprise
 demonstrates that a size calculation as of the date of application for reinstatement would place the
 business below the SBA size standards for that category of business;
 - (2) That the established business enterprise has successfully obtained an SBA size determination from a federal agency authorized to make such a determination, or has prevailed in an SBA size protest under 13 CFR § 121.1001, et seq., as amended, including any judicial review thereof, establishing that the business does not meet or exceed the applicable SBA size standard;
 - (3) That the SBA size standards have been revised in such a manner that the subject business no longer meets or exceeds the size standard for its category based upon the most recent three-year average for receipts or 12 month average for employees, as applicable; or
 - (4) That the criteria listed in section 15-88(d) of this Code demonstrate the need to grant a waiver and withdraw the classification of the business as an established business enterprise.
- (e) Applications for reinstatement shall be on a form prescribed by the OBO director and shall be accompanied by relevant documentary evidence supporting the ground or grounds for reinstatement asserted, as requested by the OBO director.
- (f) Within 30 days following receipt of a completed application for reinstatement, the OBO director shall grant the application or deny the application and set the matter for hearing within 30 days of the date of mailing notice of such denial.
- (g) The burden on the business applying for reinstatement shall be to demonstrate the existence of one or more of the conditions set forth in subsections d(1) through d(4) of this section by clear, convincing and cogent evidence, to be evaluated by the director under hearing procedures consistent with the nature of the application and, to the extent applicable, with the provisions of subsections (c), (d), (e) and (f) of section 15-88 of this Code. In addition, a business seeking reinstatement under subsection (b)(4) of this section that has previously sought a waiver of classification as an established business enterprise pursuant to section 15-88(d) of this chapter must present evidence of a material and substantial change in circumstances not shown at the preceding hearing, and the OBO director or his designee shall disregard evidence that is repetitious or cumulative of the prior hearing on the matter.
- (h) The decision of the OBO director or his designee following a hearing on reinstatement shall be final, and any applicant denied reinstatement is to be notified in writing of the decision within ten days following the hearing. No business denied reinstatement may subsequently apply for reinstatement until the expiration of one year from the date of the denial.

§ 135.7 Delegation of authority.

Except as may be otherwise provided in this part, the functions and responsibilities of the Secretary under section 3, and described in this part, are delegated to the Assistant Secretary for Fair Housing and Equal Opportunity. The Assistant Secretary is further authorized to redelegate functions and responsibilities to other employees of HUD; provided however, that the authority to issue rules and regulations under this part, which authority is delegated to the Assistant Secretary, may

24 CFR Subtitle B, Ch. I (4-1-03 Edition)

not be redelegated by the Assistant Secretary.

§ 135.9 Requirements applicable to HUD NOFAs for section 3 covered programs.

(a) Certification of compliance with part 135. All notices of funding availability (NOFAs) issued by HUD that announce the availability of funding covered by section 3 shall include a provision in the NOFA that notifies applicants that section 3 and the regulations in part

135 are applicable to funding awards made under the NOFA. Additionally the NOFA shall require as an application submission requirement (which may be specified in the NOFA or application kit) a certification by the applicant that the applicant will comply with the regulations in part 135. (For PHAs, this requirement will be met where a PHA Resolution in Support of the Application is submitted.) With respect to application evaluation, HUD will accept an applicant's certification unless there is evidence substantially challenging the certification.

(b) Statement of purpose in NOFAs. (1) For competitively awarded assistance in which the grants are for activities administered by an HA, and those activities are anticipated to generate significant training, employment or contracting opportunities, the NOFA must include a statement that one of the purposes of the assistance is to give to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, job training, employment, contracting and other economic opportunities to section 3 residents and section 3 business concems.

(2) For competitively awarded assistance involving housing rehabilitation, construction or other public construction, where the amount awarded to the applicant may exceed \$200,000, the NOFA must include a statement that one of the purposes of the assistance is to give, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, job training, employment, contracting and other economic opportunities to section 3 residents and section 3 business concerns.

Office of Asst. Secy., Equal Opportunity, HUD

(c) Section 3 as NOFA evaluation criteria. Where not otherwise precluded by statute, in the evaluation of applications for the award of assistance. consideration shall be given to the extent to which an applicant has demonstrated that it will train and employ section 3 residents and contract with section 3 business concerns for economic opportunities generated in connection with the assisted project or activity. The evaluation criteria to be utilized, and the rating points to be as- signed, will be specified in the NOFA.

§ 135.11 Other laws governing train-ing, employment, and contracting.

Other laws and requirements that are applicable or may be applicable to the economic opportunities generated from the expenditure of section 3 covered assistance include, but are not necessarily limited to those listed in this section.

(a) Procurement standards for States and local governments (24 CFR 85.36)-(1) General. Nothing in this part 135 pre- scribes specific methods of procurement. However, neither section 3 nor the requirements of this part 135 supersede the general requirement of 24 CFR 85.36(c) that all procurement trans- actions be conducted in a competitive manner. Consistent with 24 CFR 85.36(c)(2), section 3 is a Federal statute that expressly encourages, to the maximum extent feasible, a geographic preference in the evaluation of bids or proposals.

(2) Flexible Subsidy Program. Multi- family project mortgagors in the Flexible Subsidy Program are not required to utilize the methods of procurement in 24 CFR 85.36(d), and are not per-mitted to utilize methods of procurement that would result in their award of a contract to a business concern that submits a bid higher than the lowest responsive bid. A multifamily project mortgagor, however, must ensure that, to the greatest extent feasible, the procurement practices it selects provide preference to section 3 business concerns.

(b) Procurement standards for other recipients (OMB Circular No. A-110). Nothing in this part prescribes specific methods of procurement for grants and other agreements with institutions of

higher education, hospitals, and other nonprofit organizations. Consistent with the requirements set forth in OMB Circular No. A-110, section 3 is a Federal statute that expressly encourages a geographic preference in the evaluation of bids or

(a) Federal labor standards provisions. Certain construction contracts are subject to compliance with the requirement to pay prevailing wages deter- mined Davis-Bacon Act (40 U.S.C. 276a-276a-7) and implementing U.S. Department of Labor regulations in 29 CFR part 5. Additionally, certain HUD-assisted rehabilitation and maintenance activities on public and Indian housing developments are subject to compliance with the requirement to pay prevailing wage rates, as deter- mined or adopted by HUD, to laborers and mechanics employed in this work. Apprentices and trainees may be utilized on this work only to the extent permitted under either Department of Labor regulations at 29 CFR part 5 or for work subject to HUD-determined prevailing wage rates, HUD policies and guidelines. These requirements include adherence to the wage rates and ratios of apprentices or trainees to journeymen set out in "approved apprenticeship and training programs," as described in paragraph (d) of this section.

(b) Approved apprenticeship and trainee programs. Certain apprenticeship and trainee programs have been approved by various Federal agencies. Approved apprenticeship and trainee programs include; an apprenticeship program approved by the Bureau of Apprenticeship and Training of the Department of Labor, or a State Apprenticeship Agency, or an on-the-job training program approved by the Bureau of Apprentice- ship and Training, in accordance with the regulations at 29 CFR part 5; or a training program approved by HUD in accordance with HUD policies and guidelines, as applicable. Participation in an approved apprenticeship program does not, in and of itself, demonstrate compliance with

the regulations of this part.

(c) Compliance with Executive Order 11246. Certain contractors covered by this part are subject to compliance with Executive Order 11246, as amended

§135.11

§ 135.30

by Executive Order 12086, and the Department of Labor regulations issued pursuant thereto (41 CFR chapter 60) which provide that no person shall be discriminated against on the basis of race, color, religion, sex, or national origin in all phases of employment during the performance of Federal or Federally assisted construction contracts.

- (a) General. (1) Recipients and covered contractor may demonstrate compliance with the "greatest extent feasible" requirement of section 3 by meeting the numerical goals set forth in this section for providing training, employment, and contracting opportunities to section 3 residents and section 3 business concerns. (2) The goals established in this section apply to the entire amount of section 3 covered assistance awarded to a recipient in any Federal Fiscal Year (FY), commencing with the first FY following the effective date of this rule. (3) For recipients that do not engage in training, or hiring, but award con- tracts to contractors that will engage in training, hiring, and subcontracting, recipients must ensure that, to the greatest extent feasible, contractors will provide training, employment, and contracting opportunities to section 3 residents and section 3 business concerns.
- (4) The numerical goals established in this section represent minimum numerical targets.
- b. Training and employment. The numerical goals set forth in paragraph (b) of this section apply to new hires. The numerical goals reflect the aggregate hires. Efforts to employ section 3 residents, to the greatest extent feasible, should be made at all job levels.
- (1) Numerical goals for section 3 covered public and Indian housing programs. Recipients of section 3 covered public and Indian housing assistance (as described in § 135.5) and their contractors and

24 CFR Subtitle B, Ch. I (4-1-03 Edition)

- subcontractors may demonstrate compliance with this part by committing to employ section 3 residents as:

- (ii) 20 percent of the aggregate number of new hires for the one period beginning in FY 1996.
- (iii) 30 percent of the aggregate number of new hires for one year period be-ginning in FY 1997 and continuing thereafter.
- (2) Numerical goals for other HUD programs
- covered by section 3. (i) Recipients of section 3 covered housing assistance provided under other HUD programs, and their contractors and subcontractors (unless the contract or sub-contract awards do not meet the threshold specified in § 135.3(a)(3)) may demonstrate compliance with this part by committing to employ section 3 residents as 10 percent of the aggregate number of new hires for each year over the duration of the section 3 project;
- (ii) Where a managing general partner or management agent is affiliated, in a given metropolitan area, with recipients of section 3 covered housing assistance, for an aggregate of 500 or more units in any fiscal year, the man- aging partner or management agent may demonstrate compliance with this part by committing to employ section 3 residents as:
- (A) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;
- (B) 20 percent of the aggregate number of new hires for the one year period beginning in FY 1996;
- (C) 30 percent of the aggregate number of new hires for the one year period beginning in FY 1997, and continuing thereafter.
 - (3) Recipients of section 3 covered community development assistance, and their contractors and subcontractors (unless the contract or sub-contract awards do not meet the threshold specified in § 135.3(a)(3)) may demonstrate compliance with the requirements of this part by committing to employ section 3 residents
 - (i) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;

§135.32

Office of Asst. Secy., Equal Opportunity, HUD

- (ii) 20 percent of the aggregate number of new hires for the one year period beginning in FY 1996; and (iii) 30 percent of the aggregate number of new hires for the one year period beginning in FY 1997 and continuing thereafter.
- (c) Contracts. Numerical goals set forth in paragraph (c) of this section apply to contracts awarded in connection with all section 3 covered projects and section 3 covered activities. - (1) At least 10 percent of the total dollar amount of all section 3 covered contracts for building trades work for maintenance, repair, modernization or development of public or Indian housing, or for building trades work arising in connection with housing rehabilitation, housing construction and other public construction; and
- (2) At least three (3) percent of the total dollar amount of all other section 3 covered contracts.
- (d) Safe harbor and compliance determinations.
- (1) In the absence of evidence to the contrary, a recipient that meets the minimum numerical goals set forth in this section will be considered to have complied with the section 3 preference requirements.
- (2) In evaluating compliance under subpart D of this part, a recipient that has not met the numerical goals set forth in this section has the burden of demonstrating why it was not feasible to meet the numerical goals set forth in this section. Such justification may include impediments encountered de-spite actions taken. A recipient or contractor also can indicate other economic opportunities, such as those listed in § 135.40, which were provided in its efforts to comply with section 3 and the requirements of this part.

§ 135.32 Responsibilities of the recipient.

Each recipient has the responsibility to comply with section 3 in its own operations, and ensure compliance in the

operations of its contractors and subcontractors. This responsibility includes but may not be necessarily limited to:

- (a) Implementing procedures de-signed to notify section 3 residents about training and employment opportunities generated by section 3 covered assistance and section 3 business concerns about contracting opportunities generated by section 3 covered assistance:

- (d) Assisting and actively cooperating with the Assistant Secretary in obtaining the compliance of contractors and subcontractors with the requirements of this part, and refraining from entering into any contract with any contractor where the recipient has notice or knowledge that the contractor has been found in violation of the regulations in 24 CFR part 135.
- (e) Documenting actions taken to comply with the requirements of this part, the results of actions taken and impediments, if any.
- (f) A State or county which distributes funds for section 3 covered assistance to units of local governments, to the greatest extent feasible, must at-tempt to reach the numerical goals set forth in 135.30 regardless of the number of local governments receiving funds from the section 3 covered assistance which meet the thresholds for applicability set forth at 135.3. The State or county must inform units of local government to whom funds are distributed of the requirements of this part; assist

§ 135.34

local governments and their contractors in meeting the requirements and objectives of this part; and monitor the performance of local governments with respect to the objectives and requirements of this part.

§ 135.34 Preference for section 3 residents in training and employment opportunities.

A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as a mended, 12 U.S.C. 1701u (section 3). B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying

with the part 135 regulations.
C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other under- standing, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. §135.38

part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

E The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the con- tractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD

assisted contracts.

G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest ex- tent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Subpart C [Reserved]

Subpart D—Complaint and Compliance Review

(a) Purpose. The purpose of this sub- part is to establish the procedures for handling complaints alleging non- compliance with the regulations of this

§135.74

part, and the procedures governing the Assistant Secretary's review of a recipient's or contractor's compliance with the regulations in this part.

- (b) Definitions. For purposes of this subpart:
- (1) Complaint means an allegation of noncompliance with regulations of this part made in the form described in § 135.76(d).
- (2) Complainant means the party which files a complaint with the Assistant Secretary alleging that a recipient or contractor has failed or re- fused to comply with the regulations in this part.

(3) Noncompliance with section 3 means failure by a recipient or contractor to comply with the requirements of this part.

(4) Respondent means the recipient or contractor against which a complaint of noncompliance has been filed. The term "recipient" shall have the meaning set forth in § 135.7, which includes PHA and IHA.

§ 135.72 Cooperation in achieving compliance.

(a) The Assistant Secretary recognizes that the success of ensuring that section 3 residents and section 3 business concerns have the opportunity to apply for jobs and to bid for contracts generated by covered HUD financial assistance depends upon the cooperation and assistance of HUD recipients and their contractors and subcontractors. All recipients shall cooperate fully and promptly with the Assistant Secretary in section 3 compliance reviews, in investigations of allegations of noncompliance made under § 135.76, and with the distribution and collection of data and information that the Assist- ant Secretary may require in connection with achieving the economic objectives of section 3.

(b) The recipient shall refrain from entering into a contract with any con- tractor after notification to the recipient by HUD that the contractor has been found in violation of the regulations in this part. The provisions of 24 CFR pan 24 apply to the employment, engagement of services, awarding of contracts or funding of any contractors or subcontractors during any period of debarment, suspension or otherwise in- eligible status.

§ 135.74 Section 3 compliance review procedures.

(a) Compliance reviews by Assistant Secretary. The Assistant Secretary shall periodically conduct section 3 compliance reviews of selected recipients and contractors to determine whether these recipients are in compliance with the regulations in this part.

(b) Form of compliance review. A section 3 compliance review shall consist of a comprehensive analysis and evaluation of the recipient's or contractor's compliance with the requirements and obligations imposed by the regulations of this part, including an analysis of the extent to which section 3 residents have been hired and section 3 business concerns have been awarded contracts as a result of the methods undertaken by the recipient to achieve the employment, contracting and other economic objectives of section 3.

(c) Where compliance review reveals noncompliance with section 3 by recipient or contractor. Where the section 3 compliance review reveals that a recipient or contractor has not complied with section 3, the Assistant Secretary shall notify the recipient or contractor of its specific deficiencies in compliance with the regulations of this part, and shall advise the recipient or contractor of the means by which these deficiencies may be corrected. HUD shall conduct a follow-up review with the recipient or contractor to ensure that action is being taken to correct the deficiencies.

(d) Continuing noncompliance by recipient or contractor. A continuing failure or refusal by the recipient or con- tractor to comply with the regulations in this part may result in the application of sanctions specified in the con- tract through which HUD assistance is provided, or the application of sanctions specified in the regulations governing the HUD program under which HUD financial assistance is provided. HUD will notify the recipient of any continuing failure or refusal by the contractor to comply with the regulations in this part for possible action under any procurement contract between the recipient and the contractor.

Debarment, suspension and limited denial of participation pursuant to HUD's regulations in 24 CFR part 24, where appropriate, may be applied to the recipient or the contractor.

(e) Conducting compliance review before the award of assistance. Section 3 compliance reviews may be conducted be- fore the award of contracts, and especially where the Assistant Secretary has reasonable grounds to believe that the recipient or contractor will be un-able or unwilling to comply with the regulations in this part.

(f) Consideration of complaints during compliance review. Complaints alleging noncompliance with section 3, as pro-vided in § 135.76, may also be considered during any compliance review con-ducted to determine the recipient's conformance with regulations in this part.

§ 135.76 Filing and processing con- plaints.

(a) Who may file a complaint. The following individuals and business concerns may, personally or through an authorized representative, file with the Assistant Secretary a complaint alleging noncompliance with section 3:

(e) Time of filing. (1) A complaint must be received not later than 180 days from the date of the action or omission upon which the complaint is based, unless the time for filling is ex-tended by the Assistant Secretary for good cause shown.

(2) Where a complaint alleges noncompliance with section 3 and the regulations of this part that is continuing, as manifested in a number of incidents of noncompliance, the complaint will be timely if filed within 180 days of the last alleged occurrence of noncompliance.

(3) Where a complaint contains incomplete information, the Assistant Secretary shall request the needed information from the complainant. In the event this information is not furnished to the Assistant Secretary with in sixty (60) days

of the date of the re- quest, the complaint may be closed.

(d) Contents of complaint—(1) Written complaints. Each complaint must be in writing, signed by the complainant, and include:

(i) The complainant's name and ad-dress;(ii) The name and address of the

Such amendments may include, but are not limited to, amendments to cure, technical defects or omissions, including failure to sign or affirm a complaint, to clarify or amplify the allegations in a complaint, or to join additional or substitute respondents. Except for the purposes of notifying respondents, amended complaints will be considered as having been made as of the original filing date.

(e) Resolution of complaint by recipient.
(1) Within ten (10) days of timely filing of a complaint that contains complete

information (in accordance with para-graphs (c) and (d) of this section), the Assistant Secretary shall determine whether the complainant alleges an action or omission by a recipient or the recipient's contractor that if proven qualifies as noncompliance with section 3. If a determination is made that there is an allegation of noncompliance with section 3, the complaint shall be sent to the recipient for resolution.

(2) If the recipient believes that the complaint lacks merit, the recipient must notify the Assistant Secretary in writing of this recommendation with supporting reasons, within 30 days of the date of receipt of the complaint. The determination that a complaint lacks merit is reserved to the Assistant Secretary.

(3) If the recipient determines that there is merit to the complaint, the recipient will have sixty (60) days from the date of receipt of the complaint to resolve the matter with the complain- ant. At the expiration of the 60-day period, the recipient must notify the Assistant Secretary in writing whether a resolution of the complaint has been reached. If resolution has been reached, the notification must be signed by both the recipient and the complainant, and must su mmarize the terms of the resolution reached between the two parties.

(4) Any request for an extension of the 60day period by the recipient must be submitted in writing to the Assist- ant Secretary, and must include a statement explaining the need for the extension.

(5) If the recipient is unable to re-solve the complaint within the 60-day period (or more if extended by the Assistant Secretary), the complaint shall be referred to the Assistant Secretary for handling.

(f) Informal resolution of complaint by Assistant Secretary—(1) Dismissal of complaint. Upon receipt of the recipient's written recommendation that there is no merit to the complaint, or upon failure of the recipient and complainant to reach resolution, the Assistant Secretary shall review the complaint to determine whether it presents a valid allegation of noncompliance with section 3. The Assistant Secretary may conduct further investigation if deemed necessary. Where the com-

plaint fails to present a valid allegation of noncompliance with section 3, the Assistant Secretary will dismiss the complaint without further action. The Assistant Secretary shall notify the complainant of the dismissal of the complaint and the reasons for the dismissal.

(2) Informal resolution. Where the allegations in a complaint on their face, or as amplified by the statements of the complainant, present a valid allegation of noncompliance with section 3, the Assistant Secretary will attempt, through informal methods, to obtain a voluntary and just resolution of the complaint. Where attempts to resolve the complaint informally fail, the Assistant Secretary will impose a resolution on the recipient and complainant. Any resolution imposed by the Assist- ant Secretary will be in accordance with requirements and procedures concerning the imposition of sanctions or resolutions as set forth in the regulations governing the HUD program under which the section 3 covered assistance was provided.

(3) Effective date of informal resolution. The imposed resolution will become effective and binding at the expiration of 15 days following notification to recipient and complainant by certified mail of the imposed resolution, unless either party appeals the resolution before the expiration of the 15 days. Any appeal shall be in writing to the Secretary and shall include the basis for the appeal.

(g) Sanctions. Sanctions that may be imposed on recipients that fail to comply with the regulations of this part include debarment, suspension and limited denial of participation in HUD programs.

(h) Investigation of complaint. The Assistant Secretary reserves the right to investigate a complaint directly when, in the Assistant Secretary's discretion, the investigation would further the purposes of section 3 and this part.

(i) Intimidatory or retaliatory acts prohibited. No recipient or other person shall intimidate, threaten, coerce, or discriminate against any person or business because the person or business has made a complaint, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of

§ 135.90

complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing or judicial proceeding arising thereunder.

Each recipient which receives directly from HUD financial assistance that is subject to the requirements of this part shall submit to the Assistant Secretary an annual report in such form and with such information as the Assistant Secretary may request, for the purpose of determining the effectiveness of section 3. Where the program providing the section 3 covered assistance requires submission of an annual performance report, the section

3 report will be submitted with that annual performance report. If the pro- gram providing the section 3 covered assistance does not require an annual performance report, the section 3 re- port is to be submitted by January 10 of each year or within 10 days of project completion, whichever is earlier. III. Examples of Procurement Procedures That Provide for Preference for Section 3 Business Concerns

This Section III provides specific procedures that may be followed by recipients and contractors (collectively, referred to as the "contracting party") for implementing the section 3 contracting preference for each of the competitive procurement methods authorized in 24 CFR 85.36(d).

(1) Small Purchase Procedures. For section 3 covered contracts aggregating no more than \$25,000, the methods set forth in this paragraph

(1) or the more formal procedures set forth in paragraphs (2) and (3) of this Section III may be utilized.

(i) Solicitation. (A) Quotations may be solicited by telephone, letter or other informal procedure provided that the manner of solicitation provides for participation by a reason-able number of competitive sources. At the time of solicitation, the parties must be in-formed of:

the section 3 covered contract to be awarded with sufficient specificity;

 the time within which quotations must be submitted; and

-the information that must be submitted with each quotation.

(B) If the method described in paragraph (i)(A) is utilized, there must be an attempt to obtain quotations from a minimum of three qualified sources in order to promote competition. Fewer than three quotations are acceptable when the contracting party has attempted, but has been unable, to obtain a sufficient number of competitive quotations. In unusual circumstances, the contracting party may accept the sole quotation received in response to a solicitation provided the price is reasonable. In all cases, the contracting party shall document the circumstances when it has been unable to obtain at least three quotations.

(ii) Award. (A) Where the section 3 covered contract is to be awarded based upon the lowest price, the contract shall be awarded to the qualified section 3 business concern with the lowest responsive quotation, if it is reasonable and no more than 10 percent higher than the quotation of the lowest responsive quotation from any qualified source. If no responsive quotation by a qualified section 3 business concern is within 10 percent of the lowest responsive quotation from any qualified source, the award shall be made to the source with the lowest quotation.

(B) Where the section 3 covered contract is to be awarded based on factors other than price, a request for quotations shall be issued by developing the particulars of the solicitation, including a rating system for the assignment of points to evaluate the merits of each quotation. The solicitation shall identify all factors to be considered, including price or cost. The rating system shall pro- vide for a range of 15 to 25 percent of the total number of available rating points to be set aside for the provision of preference for section 3 business concerns. The purchase order shall be awarded to the responsible firm whose quotation is the advantageous, considering price and all other factors specified in the rating system.

(2) Procurement by sealed bids (Invitations for Bids). Preference in the award of section 3 covered contracts that are awarded under a sealed bid (IFB) process may be provided as follows:

Office of Asst. Secy., Equal Opportunity, HUD

Pt. 146

(i) Bids shall be solicited from all businesses (section 3 business concerns, and non-section 3 business concerns). An award shall be made to the qualified section 3 business concern with the highest priority ranking and with the lowest responsive bid if that bid—

(A) is within the maximum total contract price established in the contracting party's budget for the specific project for which bids are being taken, and
(B) is not more than "X" higher than the total bid price of the lowest responsive bid from any responsible bidder. "X" is determined as follows:

	determined as follows:	
	x=lesser	
When the lowest responsive bid is less than \$100,000	10% of that bid or \$9,000.	
When the lowest responsive bid is:		
At least \$100,000, but less than \$200,000	9% of that bid, or \$16,000.	
At least \$200,000, but less than \$300,000	8% of that bid, or \$21,000.	
At least \$300,000, but less than \$400,000	7% of that bid, or \$24,000.	
At least \$400,000, but less than \$500,000	6% of that bid, or \$25,000.	
At least \$500,000, but less than \$1 million	5% of that bid, or \$40,000.	
At least \$1 million, but less than \$2 million	4% of that bid, or \$60,000.	
At least \$2 million, but less than \$4 million	3% of that bid, or \$80,000.	
At least \$4 million, but less than \$7 million	2% of that bid, or \$105,000.	
\$7 million or more	11/2% of the lowest responsive bid, with no dollar limit.	

(ii) If no responsive bid by a section 3 business concern meets the requirements of paragraph (2)(i) of this section, the contract shall be awarded to a responsible bidder with the

be awarded to a responsible bidder with the lowest responsive bid.

(3) Procurement under the competitive proposals method of procurement (Request for Proposals (RFP)). (i) For contracts and sub-contracts awarded under the competitive proposals method of procurement (24 CFR 85.36(d)(3)), a Request for Proposals (RFP) shall identify all evaluation factors (and their relative importance) to be used to rate proposals. proposals.

(ii) One of the evaluation factors shall address both the preference for section 3 business concerns and the acceptability of the strategy for meeting the greatest extent feasible requirement (section 3 strategy), as dis- closed in proposals submitted by all business concerns (section 3 and non-section 3 business concerns). This factor shall provide for a range of 15 to 25 percent of the total number of available points to be set aside for the evaluation of these two

components.
(iii) The component of this evaluation factor designed to address the preference for section 3 business concerns must establish a preference for these business concerns in the order of priority ranking as described in 24

CFR 135.36.

(iv) With respect to the second component (the acceptability of the section 3 strategy), the RFP shall require the disclosure of the contractor's section 3 strategy to comply with the section 3 training and employment preference, or contracting preference, or both, if applicable. A determination of the contractor's responsibility will include the submission of an acceptable section 3 strategy. The contract award shall be made to the responsible firm (either section 3 or non-section 3 business concern) whose proposal is determined most advantageous, considering

price and all other factors specified in the

TITLE 10	COMMUNITY DEVELOPMENT	
PART 1	TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS	
CHAPTER 1	ADMINISTRATION	
SUBCHAPTER B	UNDERWRITING, MARKET ANALYSIS, APPRAISAL, ENVIRONMENTAL SITE ASSESSMENT, PROPERTY CONDITION ASSESSMENT, AND RESERVE FOR REPLACEMENT RULES AND GUIDELINES	
RULE §1.36	Property Condition Assessment Guidelines	

- (a) General Provisions. The objective of the Property Condition Assessment (the PCA) is to provide cost estimates for repairs, replacements, or new construction which are: immediately necessary; proposed by the developer; and expected to be required throughout the term of the regulatory period and not less than 30 years. The PCA prepared for the Department should be conducted and reported in conformity with the American Society for Testing and Materials "Standard Guide for Property Condition Assessments: Baseline Property Condition Assessment Process (ASTM Standard Designation: E 2018)" except as provided for in subsections (b) and (c) of this section. The PCA report must contain a statement indicating the report preparer has read and understood the requirements of this section. The PCA must include discussion and analysis of the following:
- (1) Useful Life Estimates. For each system and component of the property the PCA should assess the condition of the system or component, and estimate its remaining useful life, citing the basis or the source from which such estimate is derived;
- (2) Code Compliance. The PCA should review and document any known violations of any applicable federal, state, or local codes. In developing the cost estimates specified herein, it is the responsibility of the Housing Sponsor or Applicant to ensure that the PCA adequately considers any and all applicable federal, state, and local laws and regulations which may govern any work performed to the subject property;
- (3) Program Rules. The PCA should assess the extent to which any systems or components must be modified, repaired, or replaced in order to comply with any specific requirements of the housing program under which the Development is proposed to be financed, particular consideration being given to accessibility requirements, the Department's Housing Quality Standards, and any scoring criteria for which the Applicant may claim points; and
- (4) Cost Estimates for Repair and Replacement. It is the responsibility of the Housing Sponsor or Applicant to ensure that the PCA provider is apprised of all development activities associated with the proposed transaction and consistency of the total immediately necessary and proposed repair and replacement cost estimates with the development cost schedule submitted as an exhibit of the Application.
- (A) Immediately Necessary Repairs and Replacement. Systems or components which are expected to have a remaining useful life of less than one year, which are found to be in violation of any applicable codes, which must be modified, repaired or replaced in order to satisfy program rules, or which are otherwise in a state of deferred maintenance or pose health and safety hazards should be considered

immediately necessary repair and replacement. The PCA must provide a separate estimate of the costs associated with the repair, replacement, or maintenance of each system or component which is identified as being an immediate need, citing the basis or the source from which such cost estimate is derived.

- (B) Proposed Repair, Replacement, or New Construction. If the development plan calls for additional repair, replacement, or new construction above and beyond the immediate repair and replacement described in subparagraph (A) of this paragraph, such items must be identified and the nature or source of obsolescence or improvement to the operations of the Property discussed. The PCA must provide a separate estimate of the costs associated with the repair, replacement, or new construction which is identified as being above and beyond the immediate need, citing the basis or the source from which such cost estimate is derived.
- (C) Expected Repair and Replacement Over Time. The term during which the PCA should estimate the cost of expected repair and replacement over time must equal the longest term of any land use or regulatory restrictions which are, or will be, associated with the provision of housing on the property. The PCA must estimate the periodic costs which are expected to arise for repairing or replacing each system or component or the property, based on the estimated remaining useful life of such system or component as described in paragraph (1) of this subsection adjusted for completion of repair and replacement immediately necessary and proposed as described in subparagraphs (A) and (B) of this paragraph. The PCA must include a separate table of the estimated long term costs which identifies in each line the individual component of the property being examined, and in each column the year during the term in which the costs are estimated to be incurred and no less than fifteen (15) years. Consequently, this guide does not address many additional issues in real cotton transactions such as a consequent of molecular criticis, or physical defoliacion adading to diff-site conditions.

3.3 Wise May Conduce—The walk-through survey portion of a PCA should be conducted by a field observer, and the PCR stouds to reviewed by a PCR soviewer; but qualified as suggested to 20.1.1.1 and XL1.1.2 segmentively.

stream or reviewed by a re-it convert pass quantum as suggested to XI.1.1.1 and XI.1.1.2, respectively.

1.4 Principles—The following principles are in integral past of this gride. They are intended to be softened to in emolying notification, or in exercising discretion accorded the men or consultant in conducting a PCA, or in judging whether a ster or committee him conducted appropriate inquiry or has otherwise conducted an adequain PCA.

3.4.1 Uncertainty Not Eliminated—No PCA can wholly

3.A.1 Uncertainty free manuscription and perfect of physical deficiencies and the perfectoreror of a subject preparty's hullding systems. Prepared on a PCR is accordance with this

guide is intended to reduce, but not eliminate, the necessary regurding the potential for component or system failure and to recision the potential diet such component or system may not be initially observed. This golds also mergalizes the inherent subjective sames of a consultant's opinious as to such inners as workmanable, quality of original installation, and originally the RUL of any given component or system. The golds recognition a commitmer's analysis of remoty may be described neder time commisses, formed without the aid of engineering calculations, testing, exploratory probling, the recovered or contentials, or deadgo. Furthermore, these case the other electrons or more appropriets achieves or establish to resembly the physical definitions. The correction's opinious generally are formed without detailed involvedge from those building with the return of the correction. the emplement's or system's performance.

3.4.2 Nor Technically Exhaustive-Appropriate due dill-3.4.2 Mer Technically Enhancitve—Appropriate due diligence according to tric guide in set to be construed as
technically exhaustive. These is a point at which the cost of
information obtained or the since required to conduct the PCA
ted propose the PCR may outsetigh the exclusions of the
information and, in fact, may be a metartel destinant on the
coducty and timely completion of a accommunial real estate
transaction. It is the issues of this guide to attempt to identify
a believe between finishing the costs and time decreaseds
industrial in perfeculing a PCA and reducing the uncortainty
about unknown physical deficiencies resulting from complexing additional impairs.

3.4.3 Representative Charvarians—The propose of con-

3.4.) Representative Observations—The purpose of con-ducting exposurative observations is as energy to the erer the expected angulateds of continuous encountered or unfedpassed conditions. Recommended representative observation quanticonditions. Exconsmonded representative observation quanti-ties for various must types are provided in the Americ however, if in the field observer's epicien such representative observa-tions on presented in the Americ ten tearressent and a much of heatography of the nates or other reasons demand appropriate by the field observer, the field observer may reavey sufficient saint, areas, systems, buildings, see, so as so comment with reasonable confidence as othe representative present semi-tion of such repetitive or similar nests, systems, buildings, and. To the assect disea is those than our buildings on the stations from the property, and day are busingsmeats with respect to approxi-cults age, was, basic design, consulate, and systems, in least a requirement of this goids for the field observer to conduct a unifo-through survey of such individual building's systems to describe an apresentative of existing within the PCR. It is described as expresent on their condition within the PCR are to be construed as expresentative of diffusion inspervences. 3.4.3.1 Unity-Mandated Representative Observation—A

constrains an empresentative of all minute improvements.

3.4.3.1 Units Administrat Representative Observations—A more may mandate the especializative observations mapping for a given property. Such improvementative observations are provided in the Annex.

5.4.3.2 Extrapolation of Phidings—Consultant may reseaseably extendicts representative observations and findings to all typical arous or systems of the subject property for the purposes of describing mech conditions widen the PCR and properting the opinions of probable orace for suggested mesody of metodal physical deficiencies.

3.4.4 Level of Dire Diligence to Variable—Not every peoperry will secrete the sume lovel of property condition resonances. Consistent with good commercial and customery preotice, the appropriate level of property condition associatest generally is guided by the type of property, the ego of the improvements, the expection and citik tolerance level of the user, and the time available for preparing the PCR and reviewing the opinions to be contained in the PCR.

3.45 Comparison With a Subsequent PCR-It should not he concluded or secured that a provious PCR was deficient bornouse the previous PCA did not discover a carete or purdenter physical deficiency, or became opinious of probable costs in the purvious PCR are different. A PCE coordes a representative indication of the property condition at the time of the walk-through rervey and is dependent on the informattion available to the consultant at that time; therefore, a PCR should be evaluated on the remonshingers of judgments made at the time and under the circumstances in which they are made. Tene available, bledsight, now or additional informs tion, enhanced visibility as a rount of improved weather or site conditions, equipment visibility as a result of improved wonther or size conditions, equipment not in a shatelown mode, and other factors influence the PCA and the opinions contained in the PCR.

3.5 Prior PCR Usage—This public recognises that PCRs arned in accordance with this guide may include informaligh that subsequent users and contributes may were to use to avoid duplication and to reduce cost; sharefore, this guide includes procedures to metal more and concellence in deterrelating the appropriatement of using such information. In addition to the specific procedures contained elecutions to this guida, the following should be considered:

3.5.1 Use of Prior PCR Information Information contained in pulse property condition reports may be used by the committee if, in the consultant's opinion, it is relevant, however, users and conscultants are consigned that information from prior property condition reports should only he wand if such information was gusticated or obtained thought precedent Such information should serve only as an aid to a comultant in fulfilling the requirement of this golde and to amist the field observer in the walk-through survey, respects, and the field observer's understanding of the subject property. Pusheomore, the PCR should identify the previously proposed property coordina report if information from the paint ropest was used by the consoltent to preparing the PCR.

3.5.2. Combasting Current Whit-Triengh Serveya-Breeght as provided in 3.5.1, prior property consistion reports should not be used without varification. At a minimum, for a PCR to be consistent with this guide, a new walk-knowly purery, interviews, and sufficientless and seview of building and floodspartment research for recorded saterial violations should be performed

3.5.3 Actual Exercising Exception—If the uses or commit-ant conducting a PCA has accord knowledge that the information from a prior property condition report is not accepte, or if It is obvious to the field observer that the information is not accurate, mich information from a prior property condition

report should not be used.

3.5.4 Contractual Issuer-This guido mongations that contractual and legal obligations may exist between prior and subsequent deers of property condition reports, or consultants who prepared prior property condition reports, or bath. Conaddresion of such contracted obligations is beyond the scope of this guide. Furthermore, prior property condition copums my lave been prepared for purposes other than the correct control of the purpose of the PCR.

3.6 Rates of Dispayment—The control and legal obligations between a consultent and a user (and other parties, if

say) are conside the scape of this guide. He specific head relationship between the committee and the user was comit-

ered docing the properation of side guide.

4. User's Respondbillion

4.1 Access—User should arrange for the field observer to 4.1 Acres — Out makes arrange for no non-control and safe to the subject property's improvements (including roofs). In addition, access to the subject property's staff, vendoes, and appropriate documents should be provided by owner, owner's representative, or made available by the user, or a combination thereof. In no owner should the field observer seek access to any thereof. In my owner minist min tent onserver some access to may paralisate portion of the property, inserview property spanning tent; said, vondors, or instant, or swiner documents, if the country said, vondors, or instant, as swiner documents, if the country said, or occupant objects to such access or stempes to restrict the field observer from conducting may perfor of the well-decounts survey, research or interferent, or taking of photographs. Any conditions that algorithmenty imposite or contest the field observer's well-decounts accessed, or contest the field observer's well-decounts accessed in the same access. the follows of the event or occupant to provide timely stress, information, or requested documentation about the timely exicated by the computant to the user. If such condition are not seconded, the consultant is obligated to state within the PCR all such meterial impediments that laterfored with the

conducting of the PCA in accordance with this guide.

4.2 User Disclarace—The user street disclare in a timely manner all appropriate information in the user's passession that may easiet the consultance efforts. The user should not withhold any pastoner information that may sasiet in identifying a metarial physical deficiency including, but not limited on particular physical deficiency including the real limited on particular physical deficiency including the real limited on particular physical deficiency including the real limited on particular physical deficiency including the particular physical physical deficiency including the physical p providently proposed distributely installing, but not limited on providently proposed on a system or component of the subject property; any knowledge of school or proposed physical deficiencies; or, any information such as easts to sensely learness physical deficiencies.

5. Preparty Condition Assessment

- 5.1 Objective—The purpose of the PCA is to observe and report, to the extern Sessible personnel to the processes proscribed herein, on the physical condition of the subject pros-
- 5.2 PCA Components—The PCA should have four compo-

- 5.22 Walk-Through Survey, refer to Section 8.
- 5.2.3 Preparation of Opinions of Probable Costs to Remoty Physical Deficiencies; pulse to Section 9.

- 5.2.4 Property Condition Report; refer to Section 10.
- 5.3 Coordination of Components.
- 5.3.1 Components Used in Concert—The Documents Hoview, Interviews and Walls-Through Survey components of this guide are interrelated to that information obtained from one compensat may either indicate the need for more inforroarion from another, or impact the constant's fastings, opinions, opinions of probabile costs, or recommendations, or a compliantion thereof.
- 5.3.2 Information Provided by Others-The consultant should note in the PCR the source of information used by the cornectant that worm material in identifying any physical deficiencies encembering the subject property that is not readily observed by the consultant or that supplemented the consultrat's observations.
 - 5.4 Countime's Darties:
- 5.4.1 Who May Conduct Paraions of the PCA-The inquirics, interviews, walk-through survey, interpression of the information upon which the PCR is based, the proparation of opinions of probable costs, and the writing of the PCR are all tasks and portions of the PCA that may be performed by the consultant, floid observer, members of the consultant's staff, or
- third party commutators cogged by the constituet.

 3.4.2 Responsibility for Lack of hybrantian—The consultant is not responsible for providing or obtaining information. should the source commercial falls to respond, to respond only in part, or falls to respond in a timely feation.
- 5.4.3 Opinions of Probable Costs Continued on Further 5.4.3 Opinious of Previole Costs Contingent on Further Discovery—The commitment is not required to provide opinious of probable costs to councily physical deflocation, which army sequent the opinious of specialty commitment or the ments of usting, exploratory problem, or further retearch to determine the cause of the physical deficiency and the appropriate remody, scope, and achieves for repair or apparents, others user and conseitent have agreed to such an expension of the scove of work.
- 5.4.4 Representative Observations—The field observer is not expected to servey every compresent of every system decing a walk-through survey. For example, it is not the intent to servey every RTU, belcosy, window, road, toiler room facility, every square foot of rouling, etc. Only representative observations of such areas are to be surveyed. The concept of representative observations extends to all consideras, areas, ognipment, components, systems, buildings, etc., to the cideot that they are challed and expressed on a case society.

6 The Conseilers

6.1 Qualifications of the Consultant-This guide recognities that the competency of the consultant is highly depend many Screen that any include professional education, training, especiesse, carification, or professional licensingles journal of both the consultant's field observers and the PCR reviewer. It is the intere of this golde to identify factors that should be considered by the uper when retaining a consultant to coma PCA and by the consultant in selecting the appropriate field observer and PCR reviewer. No standard can be designed to direiests the role of perfectional judgment, compoisson, and the value and need for experience during the walk-through survey and to constant the PCA. Community, the qualifies-

tions of the field observer and the PCR reviewer are critical to the performance of the PCA and the resulting PCE. This guide further rougenhaus that the cumulant but the responsibility to school, ongages, or employ the field observer and the PCR reviewer, therefore, each PCR should include as an exhibit a statement of qualifications of both the field observer and the

6.2 Stoffing of the field Observer-This yaids recognizes. that for the majority of commercial real cause subject to a PCA, the field observer assigned by the consultant to conduct the walk-through survey most likely will be a single individual baving a genural, well rounded knowledge of portland build-Ing systems and components; however, a single individual will soldom have components to be bedge, expense or expenence with all building codes, building systems and asset types. which are applicable in all locales. Therefore, any decision to supplement the fluid observer with specialty consultance, building system muchanics, specialized service personnel, or my other specialized field observers should be a mutual decis made by the consultant and the user. This decision should be roade in accordance with the requirements, risk tolerance level. and budgetary constraints of the user, the purpose the PCA is to surve, the expediency of repart delivery, and the complexity of the subject property. The level of the diligence can derives a PCA is of the adjusted to the risk tolerance of the way.

6.3 Independence of the Consoluer-This enide recognizes that the consultant normally is a person or entity, acting as an independent constructor, who has been accepted by the near to conduct a PCA. In the event the consultant, the field observer, the PCR reviewer, or members of the consultant's staff are employees of, or relatedary of, the secr, such stiffings or relationship should be disclosed in the Hapanetten Summary of

6.4 Qualifications of the Field Observer-Roler to X1.1.1 ndescry goldenec on the qualifications of the field chaerver

- G.5 Qualifications of the PCR Reviewer—Roter to X1.1.2 R sommendatory guidance on the qualifications of the PCR for me
- 6.6 The Field Observer and PCR Resiewer May Se a Single Individual-The PCR reviewer also may act us the field observer and conduct the well-deough survey. In such an event, the PCR reviewer should identify such dual connectbilities and sign the PCE indicating that he or she has
- performed both functions.

 6.7 Not a Professional Architecture or Engineering Service—It is not the least of this gods that by one walk-through survey or reviewing the PCR that the committeet, the field observer, or the PCR reviewer is practicing audition ture or engineering. Pentacenors, it is not the intent of this guide that either the PCR reviewer or the field eitheren, if they are no analytical or engineer, must either eign or seel the PCR as an instrument of professional service or identify their signatures as boing that of an architect or engineer.

7. Document Review and Interviews

7.1 Objective—The objective of the document review and interviews is to assente the walk-through survey and to assist the convisions's understanding of the subject property and identifying of physical deficiencies. Records or documents, if readily evallable, may be certained to specifically identify, or assist in the identification of, physical deficiencies, as well as say proceeding or outpoint efforts, or costs to investigate or rumarilate the physical deficiencies, or a combination thereof. Such review is not to include commentary on the securacy of such documents but merely to decermine the existence of such documents.

- 7.2 Retirece—The consultant is not required to independeatly verify the information provided and may rely on information provided to the extent that the information appears reasonable to the consultant.
- 7.3 Accoracy and Complements Accoracy and completesees of information varios among information sources. The consultant is not obligated to identify mistakes or insufficiencies in the information provided; however, the consultrat should make reasonable offert to compound for michales or insufficiencies of information reviewed that me obvious in Habe of other information obtained in the process of conducting the PCA as nuherwise known to the postulated.
- 7.4 Government Agency Provided Information:
- 7.4.1 Documents to Be Reviewed—Consultant is to solicit and mylow; base building confidents of occupancy, occupancy, occupancy, and recorded auxurial building code violations, and recorded mendal fire code widations.
- 7.4.2 Reasonably Ascertainshie/Standard Government Record Sources-Assistability of record or document informstion varies from information source to information source, including governmental judedictions. The completes should make appropriate laquity and review only such record infor-menton that is reasonably ascorphishle from standard purces. If information is not procedually reviewable us not provided to the committeet in a reasonable time for the conformulate an opinion and complete the PCR, such fact should be stated in the PCR, and the conseitant is to have no further obligation of remarking such documentation or reviewing it is it is subsequently provided. Nevertheless if pursuent to the consettant's appropriate inquiry, meterial information is re-ceived by the consultant consumportaneous to the preparation of the PCR (within 30 days) but too late to be included in the PCR, the constituent should forward it to the week.
- 7.4.3 Publicity Amiliable Docum Jaffers government agency, department or other source of information, which typically is reproduced and provided to the consultent upon appropriate inquiry and is restorably securiouslis.
- 7.4.4 Orandage—Obtaining a set of dearway, which may be available publicly, is an exception to the equivament due Publishy Available Documents to provided, due to delivery and cost occurrents in readily available, such documents should be position and bleatified to the contribute by the owner, owner's representative, or user as communication, as-built, or other designs' construction documents. Monethaless, the review of drawings of the sebject property is not a toquirement of this guide. Drawings may serve as an aid to the consultant in describing the subject on the second of the subject property's cooler systems.

- 7.4.5 Reasonable Time and Cost—It is the interes of this guide that information will be provided to the consultant within test business days of the scuree receiving appropriate inquiry. without an in-person request by the consultant being required. and at no more than a nominal cost to cover the source's cost of scatoving and daptioning the information. Generally, as in-person request by the consultant is not required. However, this is not to preclude the consultent from personally researching such files if, in the opinion of the consultant, this could be reseasably accomplished at the time of the also visit.
- 7.5 Pre-Survey Questionneiro-The consultant may provide the owner or owner's representative, or both, with a pre-survey questionnaire (the questionnaire). Such a questionnaire, compless with the owner's or owner's represented ve's responses, should be tecloded as an exhibit within the PCR unless discrete otherwise by user.
- 7.6 Owner/User Provided Documentation Information—If resulty available, the considered abund review the following documents and information that may be in the possession of or provided by the owner, owner's representa-tive, user, or combination thereof, as appropriate. Such informetion also could sid in the consultant's knowledge of the tubject property's physical improvements, extest and type of use, or assist in identifying meanful discrepancies between reported influention and observed conditions, or a combina-tion thereof. The openitant's review of dominatory submitted photoid not include commending on the accuracy of such documents or their preparation, methodology, or protect. If the consultant discovers a significant discrepancy, it should be disclosed within the PCR.

- 7.7 Interviews Prior to the site visit, the consultant should

ack the owner or ever to identify a person or persons knowl edgeshie of me physical characteristics, melossomes, and repair of the property. If a property measure or agent of the number in laborithms, the consultant should contact such individual so as to inquies about the subject property's historical repairs and replacements and their costs, level of preventive undatesance exercised, pending repairs and improvements, Sequency of repairs and replacements, and existence of ongoing or pending Rigation soluted to subject property's physical condition. In connection with the count wellt-through aux voy, the consultant also may question others who are knowledgeable of the subject property's physical condition and operation. It is within the discortion of the consultant to docide which questions to sak before, during, or after the size visit.

7.7.3 Incomplete Austracy—Wildle the consultent should make inquiries in moordance with this section, the persons or whom the questions are addressed may have no obligation to cooperate. Should the owner or the property message; building/facility orginent, or maintenance expervisor not be available for an interview, whother by intere or incommander, or not asspond in fall or in past to questions posed by the operations the consultant absolute disclose such within the PCR. Porthermore, should any purty not grant such methorization to interview, secretor such methodization, or should the person to others the questions are addressed not be been/odgest/fe about the subject property, this should be disclosed within the PCR.

8. Walk-Through Survey

8. Objective—The objective of the well-charage servey is a visually observe the subject property to us to obtain information on material systems and components to for the purposes of providing a brief description, identifying physical deficiencies to the annual that they are observable, and obtaining information needed to address such issues in the PCR as contined within Section 10.

8.2 Frequency—It is not expected that more than one vite visit to the subject property be made by the field observer in connection wife a PCA. The site visit constituting part of the

connection with a PCA. The also visit constituting part of the PCA is referred to us the walk-through survey.

9. Opinions of Probable Costs to Remedy Physical

9.1 Perpens Based upon the well-through survey and information obtained in accordance with following this guide, ground-scope opinious of publishe costs are to be prepared for the suggested versody of the masseriel physical deficiencies observed. These opinious of probable mosts are to exist the user in developing a general wederstanding of the physical

coadition of the subject property.

9.2. Scape—Opinium of probable crass should be provided for material physical deficiencism and not for regules or improvements that could be cleanifed as: (1) coassetts or decorative: (2) pers or parent of a building movement to reposi-or transit improvemental infates; (3) enhancements to reposition the subject property in the marketplace; (v) for warranty

transfer purposet; or (.5) routine or normal preventive malero-sance, or a combination thereof.

9.3 Ophrons of Probable Casts Attributes:

9.3.1 Threshold Assessed for Ophrons of Probable Coats—it is the futest of this guide that the meterial physical deficiencie observed and the corresponding opinions of probable costs (1) be consessations with the complexity of the subject property;
(2) not be crises or inefgetfluent; and (3) serve the purpose of (2) not be minor or ineligiblesse; and (3) serve the purpose of the user in securdance with the user's risk infanace level. Optiones of graduable cours that are either individually or in the arguments less than a threshold annount of \$3,000 for like items sor to be emissed from the PCR*. If there are more than four capaneous terms that one below this threshold experiment, but collectively enter over \$40,000, such items should be included. The vapor within the PCR's discontive Summerly under the heading "Deminions from the Gride." the heading "Deviations from the Golde."

9.3.2 Actual Costs May Vary-Oplaines of probable costs should only be commund as preliminary budgues. Actual contract probably will vary from the consultant's opinions of pushable routs depending on such matters to type and during of suggested security, quality of materials and justaffation, manu-

facturer and type of equipment or system schooled, field conditions, whether a physical deficiency is repaired or replaced in whole, phasing of the work (if applicable), quality of contractor, quality of project management exceeding, merical conditions, and whether competitive printing is solicited, esc. 9.3.3 Extrapolation of Representative Observations—

Opinions of probable come may be beent open: the entrapola-tion of representative observations, conditions downed by the convolues as highly probable, results from information recalved, or the commandly excountered Mills or Mills of the components or systems, or a combination thereof.

9.3.4 Estimating of Quantities—It is not the Intent of this guide that the consultant is to prepare or provide exact questition or identify the sucot locations of items or systems as

a basis for properting the opinions of probable costs.

9.3.5 Senie of Costs—The source of cost influencies utilized by the consultant may be from one or more of the following assessment (1) user provided unit costs; (2) owner's bimorted experience costs; (3) consultant's cost delebase or nott filer; (4) companielly available cost information such as published commercial dusc (5) third party case information from contractors, vandors, or suppliest or (6) other qualified sources that the constituent determines appropriate. Opinions of probable costs should be provided with approximate quantities, units, and their costs by line items. If in the semesthis opinion of the consultant, a physical deficiency is too one difficult to develop an opinion of probable own using the chilicult to develop an opinion of pronuns our using the quantity and note constructed, the considerat may apply a bump seem opinion of probable costs for that profunds like. Opinions of probable costs should be likelied to construction-pointed costs; those types of costs that community are provided by contractors who perform the work. Business volated, design, meanagement from, and other indirect costs should be excluded.

seamgement from, and other instituct owns should be excluded.

9.5.6 Corts for Additional Study—For some physical deficiencies, determining the appropriate suggested remedy or scope may warrant fluctuar studythneourch or design, weeker, explanatory problems, and explanatories of wickets require substract, or a combination shorted at 0 which an outside the scope of this guide. In these instances, the opinious of probable costs for additional study should be provided.

AL SPECIFIC PROPERTY TYPES

INTRODUCTION

This Amonx is to be used to supplement or complement previous socilors of this guide for various asset types as if integral to the preceding sections.

Al.1 Multi-Possily Properties:

Al.1.1 Representative Observations For complexes with multiple buildings, the exterior envelopes of all residential buildings should be surveyed. For complexes built in phases, each construction phase should be surveyed. Representative observations of the inteclors should include a mix of trains, which are occupied, vaccos, destinged, and under renovation or regards. Representative observations of the interiors of each construction phase should include a sufficient comber of the top and bottom floors. If not specified is the agreement between consistent and user, the number of unks, buildings, and components surveyed in each commendes phase should be sufficient to allow the field observer to davelop an opinion with resonable confidence regarding the present condition of the building systems and should be described using the professional judgment and experience of the field observer at the time of the walk-though survey. The member of reported uning that are not available for occupancy and the reported reasons they are not available should be included in the PCR. The PCR should contain the conscious's rationale for determining the aucebur of units surveyed and for selecting the units that are surveyed. In saidition, the PCR should discress the specific MAIN SURVEYED

Al.1.2 Parties and Belonder—The field observer should conduct seprementative observations of pulsor, belonder, co-closures, callings, cir., and report on the observed condition.

Al.1.3 Panishan—The field observer should identify the type of supply piping remarked to the extens that it is easily visiblely and mote very replacement or bisocical bendings reported. General conditions and historical lexings of other systems and apparent causes should also be discussed in the form. PCR.

A1.1.4 Circuricat-The field observer should note the size of the electrical service serving representative units, and whether units are individually secured. To the extent resulty secureble and enally visible, which for purposes of this clame includes the removal of awtich or nuclei covers by building staff for representative observations, the type of distribution wirting for 120-volt circuits should be provided in the PCR. If aluminate wicker is observed, the presence or absence of property rated connection devices should be reced.

A1.15 Ando-The presence or back of an auje should be specifically addressed. If the attic(s) is readily nonceable, the field observer should note observations such as means of access, vestilation, evidence of water laskage, daylight entering through defects, the account and type of insulation and the prosence and cundition of draft stops.

A1.1.6 Roof Shouthing The field observer should note Piec. Resistant Trented (FRT) plywood, if observed.

A1.1.7 Interviews—For multi-family properties, residential occupants do not seed to be interviewed unless appropriate and with the consent of the owner or user. If the subject property also has nonresidential uses and the owner or user prevides suthertestion, the field observer should inserview morresidential occupants in accordance with this goldo.

A1.2 Commercial Office Buildings:

A1.2.1 Representative Observations For complexes of buildings traits in phases, each communion phase should bu surveyed. For a subject property that combin a complex of avolable buildings, the concept of representative observations extends to each building individually and not to all buildings as a whole. Representative observations absolut lociado a mix of tement (complet and reseccupied) and common areas. Represemedie observations of the inseriors of such essertation places should include a sufficient manufer of the top seal bottom floors. If not specified In the agreement between committees and user, the quantity of floor eres and the number of components. and systems surveyed in ouch communities phase should be sufficient to allow the field observer to develop an opinion with ressonable confidence regarding the present condition of the building systems. Such representative observations abould be determined using the professional judgment and experience of the field observer at the time of the wall-drough survey. The quantity of reported floor area, which is not available for correpancy and the reasons is in reportedly out available, should be located in the PCR. The PCR should contain the counsileent's rationale for describing the quantity of floor area societyed and for selecting the specific floors, that were rarveyed.

A1.3 Resel Buddings.

A.1.3.1 General Europeans—The concentrate in not required survey the letterior condition of shell-flaith senancies or the neclositions building conditions of nactor stores, unless in-

cluded to the subject property.

At 3.2. Repersonancies Observations—For complemes of buildings built in phenos, each consection phase about to phenos, each consection phase about to buildings built in phenos, each consection phase about to perceyed. For a subject property due control a each observations cannot no each buildings individually and not to ell buildings as a which. Representative observations therefore a mix of tensor a seas. Representative observations of at interfers to each constantion pheno thereof factions as difficulty combert of each constantion phenos thereof factions a selficient comber of the age and business faces. If not specified in the approximant between equivalent and uses, the question of fine acts constanting phenosity of floor nots and the number of complement, and systems survivated in each constitutes at the buildings as ophicas with confidence as to the present conditions of the insisting systems. Such apparentments observations though the facility of topological and experience of the field observer at the slate of the unit-density observations though the present conditions of the field observer at the slate of the unit-density maybe. The quantity of reposted floor year, which is not available for assumming and the remove

is in reportedly not available, should be included in the PCR. The PCR should nonzeln the consultant's retinude for descending the quentity of liner can surveyed and for referring the specific flacts, that went torough.

specific finers, that went rerveyed.

A.I.3.1 Interview—The field observer thrould interview proprieton or stero manager of the search spaces serveyed as to the publics; property's general condition in addition to other knowledgeable persons identified by the owner or user as described for 7.7. The occupational should use discretion and should not disastent the purpose of the PCA to treate interview the user greats possedues. This guide recognizes that there is no obligation for the purposess or store management occupants.

alc.

Al.3.4 Roofing—in addition to the observations made of the main reads of buildings, a description and observed considered or supervised, whereal other from the main read or. If appropriate, from the ground should be reported along with the generally observed physical deficiencies with the perspect, camping, with, or fuscin pyears.

Al.3.5 Finneys—Leading dook mean, if any, should be chosened slong with the excellent of my finteents, such as the teaching dock photoner, incling dook exact, and as the teaching dock photoner, incling dock exactic scales, and overcool tables pade.

If it is determined that there are, the plan will be amended to address the special requirements particular to the tenants. These tenants would be given the Notice of Eligibility for Relocation Assistance (see example in Section F) which would inform them of their rights under URA.

B. RELOCATION DESTINATION

There have not been any new leases executed in the last () months in order to have units available to move tenants into. The Relocation Specialist will track the vacant units each month during renovation and submit tracking documentation to HCDD. A tenant transition plan will be

mapped out and submitted to HCDD. This plan will show which tenants will be moved and the new reliabled units they will be moved to. (See Section F, 3)

If there are no available units onsite the tenant will be provided temporary housing in the development listed below. (Property name) will assure that all temporary housing provided is decent, safe, and sanitary on a non discriminating basis for families or individuals who may be moved offsite.

If it becomes necessary to house tenants in temporary units other than a subsidized housing complex, attempts will be made to find single family units. Rents paid by (your property name) will represent the difference in the tenants current TTP and any additional rent that the tenant must pay. In addition, all relocations off site will be within a five mile radius unless it is in response to a request to a "reasonable accommodation".

(INSERT TABLE WHICH LISTS "DEVELOPMENTS AVAILABLE FOR RELOCATION HERE-include name and address of property, contact information)

C. TEMPORARY RELOCATION OF TENANTS

1. Tenant Notice

In preparation for the relocations, () will conduct group meetings to notify the tenants of the plans for the complex. In addition to these group meetings, the tenants will also receive written notices of the overall renovation plans and notice of the plans for their relocation. Tenants will be notified that they should not move on their own or contact a mover because they would risk being held responsible for these cost and/or forfelt relocation benefits.

Each tenant will be given a packet of information that is included in Section F of this plan and it includes items mandated via URA. Every attempt will be made to keep the tenants informed and to answer any questions that they may have.

2. Moving Assistance

Moving services will be made available to the tenants. Each resident will be given the option of receiving packing assistance. If a resident prefers to pack their own personal possessions, they will be provided packing supplies. All residents will be provided written notices of their scheduled moving date and time in their 30 day notice. (See Section F, 4)

3. Utility Transfers

A letter will be sent to the utility providers of the property. It will explain the plans for the property renovation and for them to anticipate numerous requests for transfers within a short period of time. The tenant will be responsible for scheduling the transfer of their utilities and are expected to notify the relocation specialist of the date and time the transfer is scheduled. If there are any problems with any transfers the property will have the utilities turned on in the

properties name and the tenant will be given 10 days to resolve the issues with the utility company.

D. TENANT RELOCATION BENEFITS

1. Tenant Notice

Tenants will be given notice of what charges and deposits will be covered in the relocation and they will have to sign it and indicate that they understand that there are no other costs that will be covered.

2. Covered Cost

(Your property name) will pay for packing and moving costs that are scheduled by the relocation specialist. (Your property name) will also cover the cost of deposits or transfer fees for the utilities, any increase in rent of the off site temporary housing, if applicable; and telephone/cable at both the temporary unit and the return to the newly renovated unit. These costs will be paid directly to the providing agency and attached to the tenants unit and head of household. These costs will not be paid on behalf of anyone that moves prior to the coordination efforts of the Relocation Specialist or due to Eviction for Cause.

3. Advisory Services

(Your property name) will contact and interview each person who is affected by the project to discuss his/her needs, preferences, concerns, and to answer questions. (Your property name) will use the Site Occupant Record (Exhibit 8of HCDD Relocation Policy) to record interview of each household. (Your property name) will also provide information about the project and any benefits the tenant may be eligible for; as applicable to the tenants' circumstances (49CFR 24.205(c)).

E. RELOCATION SERVICES

1. Transportation

Relocation of the tenants will be done in phases; the Relocation Specialist will be able to provide the necessary supportive services that may required. If off site housing is used and there is a need, transportation will be provided to the tenant via taxl companies to tour the proposed unit.

2. Communication

Each tenant will be given written information outlining the process and will be given group and individual access to the Relocation Specialist. The tenants that may require special assistance due to a disability will be identified and will be provided assistance in a non-discriminatory manner.

3. Delinquent Utility Bills

If the tenants do not have the financial resources to pay delinquent utility bills that would hinder services being transferred to their temporary unit, the property will have the services temporarily placed under the property name. The tenant would have 10 business days after move-in, to resolve the issue with the respective utility company.

 This is <u>not</u> a notice to vacate the premises.

- This is not a notice of relocation eligibility.

If you are determined to be eligible for relocation assistance in the future, you may be eligible for: 1) Relocation advisory services including help to you find another place to live; 2) At least 90 days advance written notice of the date you will be required to move; 3) Payment for your moving expenses; and 4) Replacement housing payments to enable you to rent, or if you prefer to purchase, a comparable replacement home. You will also have the right to appeal the agency's determination, if you feel that your application for assistance was not properly considered. The enclosed HUD brochure, "Relocation Assistance To Tenants Displaced From Their Homes" provides an explanation of this assistance and other helpful information.

(NOTE: Pursuant to Public Law 105-117, aliens not lawfully present in the United States are not eligible for relocation assistance, unless such ineligibility would result in exceptional hardship to a qualifying spouse, parent, or child. All persons seeking relocation assistance will be required to certify that they are a United States citizen or national, or an atien lawfully present in the United States.)

Please be advised that you should continue to pay your rent and meet any other obligations as specified in your lease agreement. Failure to do so may be cause for eviction. If you choose to move or if you are evicted prior to receiving a formal notice of

Exhibit 11

relocation eligibility you will not be eligible to receive relocation assistance. It is important for you to contact us before making any moving plans.

Again, this is not a notice to vacate the premises and does not establish your eligibility for relocation payments or assistance at this time. If you are determined to be displaced and are required to vacate the premises in the future, you will be informed in writing. In the event the proposed project does not proceed or if you are determined not to be displaced, you will also be notified in writing.

NOTES

- The case file must indicate the manner in which this notice was delivered (e.g., personally served or certified mail, return receipt requested) and the date of delivery. (See Paragraph 2-3 1 of Handbook 1378.)
- 2. This is a guideform. It should be revised to reflect the circumstances.
- Optional paragraphs for displaced residents of public housing projects (may be modified based on the PHA's resident return policy):

"Even though you will be provided all of the assistance the URA requires for a permanent move, the Authority believes that every resident displaced from the site should have the right to reapply for occupancy once this project is complete. For this reason, after project completion, every resident who receives assistance as a "displaced person" will be contacted and offered an opportunity to reapply for occupancy in the newly-revitalized community. Furthermore, because you will be a former occupant who was "displaced" from the site, you will also receive a priority preference to return.

In the event the number of those who request to return and qualify for housing exceeds the number of units available, rating and ranking criteria will be used to identify those who will be offered a unit at the site until all available units are filled. If you do return, the Authority may help defray the costs of the return move. If you have Replacement Housing Payments not yet spent or obligated, you may be asked to forfeit these payments as a condition for returning to public housing, since this assistance will no longer be necessary to meet your housing needs. Such assistance, if not forfeited, must be considered as income and may affect your eligibility and rent."

INTRODUCTION

This document is intended to provide the Minimum Property Standards (MPS) for new construction, reconstruction, rehabilitation, and maintenance of multifamily housing facilities that receive federal assistance through the City of Houston Housing & Community Development Department as required by 24CFR §200.925. The primary objective of the Minimum Property Standards is to establish the criteria for the life, health and safety of the residents at the property.

Pursuant to 24CFR §92.251, housing that is constructed or rehabilitated with HOME or CDBG funds must meet all applicable local codes, ordinances, and rehabilitation standards, at the time of project completion. In the absence of a local code addressing new construction, reconstruction, or rehabilitation, HOME-assisted new construction or rehabilitation must meet, as applicable, International Building Code (IBC) or its appropriate sub code, and/or the Minimum Property Standards(MPS) in 24CFR§200.925 and §200.926. Housing must meet the accessibility requirements at 24CFR Part 8, which implements Section 504 of the Rehabilitation Act of 1973 (29U.S.C.§794) and covered multifamily dwellings, as defined at 24CFR§100.201, and must also meet the design and construction requirements at 24CFR §100.205, which implement the Fair Housing Act (42U.S.C.§3601-§3619).

The MPS supplement local building codes by requiring properties to meet minimum standards of workmanship, durability and performance of various components of the multifamily property during the period of affordability. These components would include doors, windows, gates, stairwells, wall coverings, kitchen cabinets, carpeting, etc. of the property that would be maintained in good and safe working condition that ensures the life, health and safety of the residents at the property.

To achieve this objective, the Housing & Community Development Department conducts an annual inspection of the property in accordance with the 24CFR§92.251(a) and all local codes, construction standards, and city ordinances. Findings identified during the inspection are required to be resolved by the property owner and management. All repairs, materials, and installations must be meet the aforementioned standards of quality and workmanship.

WHEREAS, the 81st Texas Legislature (Regular Session) passed House Bill 1819 ("HB 1819"), which bill became law on June 19, 2009; and

WHEREAS, HB 1819 added Section 214.219 ("Section 214.219") to the Texas Local Government Code; and

WHEREAS, Section 214.219 requires a municipality with a population of 1.7 million or more to "adopt an ordinance to establish minimum habitability standards for multi-family rental buildings, including requiring maintenance of proper operating conditions" and to "establish a program for the inspection of multi-family rental buildings to determine if the buildings meet the minimum required habitability standards"; and

WHEREAS, HB 1819 requires a municipality subject to Section 214.219 to enact the said ordinance and to establish the said program not later than December 31, 2010; and

WHEREAS, the City is a municipality subject to Section 214.219; and

WHEREAS, the City Council finds that Article V and Divisions 3 and 4 of Article IX of Chapter 10 of the Code of Ordinances, City of Houston, Texas (the "Code of Ordinances") constitute habitability standards for multi-family rental buildings, which standards should be supplemented and strengthened as provided herein; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HOUSTON, TEXAS:

Section 1. That the findings contained in the preamble of this Ordinance are determined to be true and correct and are adopted as a part of this Ordinance.

Section 2. That Chapter 10 of the Code of Ordinances, Houston, Texas, is amended by adding a new Article IV that reads as follows:

"ARTICLE IV. HOUSTON MULTI-FAMILY HABITABILITY CODE

Sec. 10-151. Title; purpose; conflict with other municipal laws.

This article is, and may be cited as, the 'Houston Multi-Family Habitability Code.' One purpose of this Habitability Code is to comply with Section 214.219 of the Texas Local Government Code. The provisions of this Habitability Code are cumulative of all other laws and regulations of the city, as well as all applicable state and federal laws and regulations. In the event of a conflict between this Habitability Code and another law or regulation of the city, the provisions of this Habitability Code shall control.

Sec. 10-152. Definitions.

In addition to definitions appearing elsewhere in this article, the following words and phrases when used in this article shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Building official means the building official and all persons designated in writing by the building official to act on his or her behalf to construe and to enforce this article.

Habitability refers to the character of a multi-family rental building free of any condition constituting a material risk to the physical safety or health of the building's ordinary tenants. A multi-family rental building substantially free of such conditions is habitable.

Multi-family rental building or MFRB means a building that has three or more units. Only for the purposes of the Inspection Program established by this article, multi-family rental building or MFRB includes all MFRBs and all accessory buildings (such as a boiler room, laundry room, club house, or garage) on the same tract.

Owner means the current owner (or, collectively, the current owners) of the real property on which a multi-family rental building is located. For the purposes of this article, records available for public view at an official website maintained by the appraisal district in which the MFRB is located are presumed to be accurate with regard to the ownership of real property, but the presumption of ownership may be rebutted by documents properly recorded in the real property records of the county in which the MFRB is located.

Tract means the parcel or parcels of real property on which a

multi-family rental building is located.

Unit means one or more rooms rented for use as a permanent residence under a lease to one or more tenants, except that none of the following shall constitute a unit:

- (a) A room or rooms rented primarily for the purpose of receiving services regulated by a department or agency of the federal government or of the State of Texas (Including, but not limited to, the Texas Department of State Health Services);
- (b) A room or rooms owned or operated by a public or private college or university accredited by a recognized accrediting agency within the meaning of Section 61.003, Texas Education Code;
- (c) An 'apartment' in a 'condominium' within the meaning of Chapter 81, Texas Property Code; or
- (d) A 'unit' in a 'condominium' within the meaning of Chapter 82, Texas Property Code.

Sec. 10-153. Construction of this Habitability Code.

This article shall not be construed to alter the terms of any lease or other agreement between an owner and a tenant relating to an MFRB, except that no provision of any such lease or other agreement shall be construed to excuse compliance with this article or with any other law or regulation of the city. It is not the purpose of this article to prescribe legal rights or liabilities as between an owner and a tenant.

Sec. 10-154. MFRB Registration.

- (a) The building official shall promulgate a form for the registration of MFRBs, which form shall require disclosure of:
 - The physical address of the MFRB;
 - (2) The account number(s) assigned to the tract by the appraisal district in which the MFRB is located;
 - (3) The number of buildings on the tract;
 - (4) The number of units in each building on the tract;

- (5) A brief description of the intended use of each building on the tract (residential building, boiler room, laundry room, club house, garage, etc.);
- (6) The Project Number(s) appearing on the face of either the Certificate of Occupancy or the Life Safety Compliance Certificate issued by the city for each building on the tract; and
- (7) The name, mailing address, physical address, telephone number, and e-mail address (if available) of at least one owner of the MFRB.
- (b) The form promulgated by the building official shall provide a physical address and a mailing address for filling completed MFRB Registration Forms. In addition, the building official shall establish a means by which MFRB Registration Forms may be completed and filed electronically.
- (c) An owner of an MFRB shall register the MFRB by completing and filing an MFRB Registration Form with the building official.
- (d) An owner of an MFRB shall post a hard copy of the current, completed MFRB Registration Form in or on the MFRB.
- (e) If an MFRB was not in existence on January 1, 2010, the owner of the MFRB shall register the MFRB by completing and filling the MFRB Registration Form with the building official no later than 30 days after the MFRB receives a Certificate of Occupancy.
- (f) Registration of an MFRB as required by this section shall constitute:
 - Registration of the MFRB under section 28-283 of the Code of Ordinances; and
 - (2) Compliance with sections 250.003 and 250.004 of the Texas Local Government Code.
- (g) No later than 30 days after an owner of an MFRB knows or reasonably should know that a statement on the MFRB Registration Form was incomplete or inaccurate when filed, or has become incomplete or inaccurate since filed, the owner must complete and file an amended MFRB Registration Form.

You also may report the condition to the City of Houston by calling the City's Service Helpline at 311.'
 - (3) Any document required by this article to be posted in or on an MFRB must be posted aither (a) as provided by the Bullding Code or (b) by posting an accurate copy of the document in a manner reasonably protected from weather and in a place conspicuous to ordinary tenants no more than five feet from each mallbox facility at which the United States Postal Service delivers mail to tenants or, if no such facility exists, in some

An owner who violates, or whose MFRB is in violation of, any provision of this article shall be guilty of a misdemeanor punishable upon conviction by a fine of not less than \$500 nor more than \$2,000. Section 3. That nothing in this Ordinance shall delay or otherwise hamper a timely inspection of a multi-family rental building ("MFRB") by the City in response and relating to credible complaints by tenants or other members of the public, such inspections ("reactive inspections"), although not part of the Multi-Family Residential Building Inspection Program ("MFRB Inspection Program") established by this Ordinance, being essential to the public welfare.

Section 4. That, except as otherwise provided by this Ordinance, an owner of an MFRB shall register the MFRB by filing a completed registration form (the "the MFRB Registration Form") with the building official no later than January 31, 2010.

Section 5. That the building official shall use appropriate public and non-public databases to compile a list (the "MFRB List") of the City's MFRBs in numerical order, according to the following priorities:

First, MFRBs not registered with the building official as required by this Ordinance;

Second, MFRBs whose owners have not obtained Certificates of Occupancy or Life Safety Compliance Certificates as required by the Building Code;

Third, MFRBs that were subjects of one or more citations issued during 2009 for violations of the Building Code; and

Fourth, all other MFRBs.

Within the four groups described immediately above, MFRBs shall be ordered in a manner reasonably consistent with their respective dates of construction, older MFRBs first. For the purposes of this Ordinance, the date of an MFRB's construction is the most recent of (a) the date of construction according to the registration required by this Ordinance, unless the building official reasonably concludes that such information is not reliable; or (b) the date of construction according to an official website maintained by the appraisal district in which the MFRB is located; or (c) the date on which the building official issued a Certificate of Occupancy or a Life Safety Compliance Certificate for the MFRB.

Section 6. That the MFRB List shall be available for public view in the office of the City Secretary and at a website maintained by the City at least forty-five days before the building official conducts an inspection pursuant to the MFRB Inspection Program. The office of the City Secretary and said website both shall provide a mailing address for the submission of additional buildings that members of the public believe should be included on the MFRB List. Any building so added to the MFRB List shall be assigned the next consecutive number. In addition:

- A newly constructed or rehabilitated multi-family rental building shall be added to the MFRB List four years after the date on which a Certificate of Occupancy is issued for the building;
- (2) For the purposes of subsection (1) immediately above, a Life Safety Compliance Certificate is not a substitute for a Certificate of Occupancy;
- (3) The building official may add a building to, or delete a building from, the MFRB List as long as the addition or deletion is consistent with the purposes and requirements of this Ordinance; and
- (4) If the building official deletes a building from the MFRB List, the number to which the building had been assigned shall be marked "Deleted," and the building official shall make a reasonable effort to avoid reassigning numbers to buildings on the MFRB List.

Section 7. That the building official's enforcement of the MFRB Inspection Program shall include inspections conducted in the order the buildings appear on the MFRB List, except that, with regard to buildings to whose owners the building official properly has sent letters stating that the buildings will be inspected during the same thirty-day period, the building official may inspect the said buildings in any order during the said period.

Section 8. That, as soon as reasonably possible, the bullding official shall schedule for a reactive inspection any building added to the MFRB List after February 15, 2010, for which neither a Certificate of Occupancy nor a Life Safety Compliance Certificate has been issued.

Section 9. That, when all buildings on the MFRB List have been inspected under the MFRB Inspection Program, the building official shall reinspect the buildings in the order the buildings appear on the MFRB List, repeating the inspection cycle ad *Infinitum*, except that the building official shall omit from the then-current reinspection cycle any building that during the preceding four years:

- (1) Has been inspected at least once pursuant to the MFRB Inspection Program;
- (2) Has not been the subject of a "notice of violation" within the meaning of the Building Code; and
- (3) Has not been the subject of a citation alleging a violation of the Building Code or of Division 3 or Division 4 of Article IX of Chapter 10 of the Code of Ordinances.

Section 10. That, if any provision, section, subsection, sentence, clause, or phrase of this Ordinance, or the application of same to any person or set of circumstances, is for any reason held to be unconstitutional, vold, or invalid, the validity of the remaining portions of this Ordinance or their application to other persons or sets of circumstances shall not

be affected thereby, it being the intent of the City Council in adopting this Ordinance that no portion hereof or provision or regulation contained herein shall become Inoperative or fail by reason of any unconstitutionality, voidness, or invalidity of any other portion hereof, and all provisions of this Ordinance are declared to be severable for that purpose.

Section 11. That there exists a public emergency requiring that this Ordinance be passed finally on the date of its introduction as requested in writing by the Mayor; therefore, this Ordinance shall be passed finally on such date and shall take effect at 12:01 a.m. on the ninetieth day next following the date of its passage and approval by the Mayor.

Appendix 15 City Workforce Protection Measures

The City is committed to ensuring that the construction it finances protects workers on these projects by making sure they are safe, are compensated in accordance with applicable law and have access to pathways for sustainable careers in the construction industry. Contractors who work on developments financed under this NOFA will be required to implement certain policies designed to ensure every worker on the project is safe, receives appropriate pay, and has a path toward building a career in construction. All contractors of any tier that perform work on the development, unless otherwise specified, will be required to comply with the following workforce protection program and employment measures.

The City acknowledges many of these provisions may require additional costs. The department will consider award requests sufficient to cover additional costs associated with the new requirements. However, the City will still require the limitation of CDBG-DR awards to no greater than 50% of total development costs. The City reserves the right to revise the requirements of the workforce protection measures on an as-needed basis before and after issuance of CDBG-DR awards

Pay or Play

In an effort to create a level playing field for competing contractors, the Pay or Play program (POP) mandates City Contractors to offer their employees a minimum level of health benefits or contribute a prescribed amount towards "Contractors Responsibility Fund" to defray the costs of providing health care to uninsured people in the Houston and Harris County area.

This program applies to contracts for services in which the total expenditure by the City, including contingencies, amendments, supplemental terms and/or change orders equals or exceeds \$100,000. This program also applies to subcontracts for services in which the total value of the subcontract, including contingencies, amendments, supplemental terms and/or change orders equal or exceeds \$200,000.

All project contractors (of any tier) must comply with the City's Pay or Play policies with regard to every Section 3 worker and apprentice-level worker that they employ for work on the project. Prior to the commencement of a covered contract, the contractor will declare its intent to comply with the Program and will submit a plan for compliance. Contractors will report to the City regarding the identity of covered subcontracts and covered employees working under subcontracts in the form and manner prescribed by the Administer (060).

Pay

If the contractor elects to comply by paying, the contractor will pay to the City \$1 for each regular hour of work performed by covered employees, including covered employees of covered subcontractors. All payments will be deposited into the City shall be deposited in the Contractor Responsibility Fund.

Play

If the contractor elects to comply by "playing", the contractor will provide documentary proof in a form acceptable to the Administrator that it provides the requisite level of health benefits

to each covered employee and that covered employees of covered subcommitters are provided with health benefits. A contractor must contribute no less than \$.50 per covered employee per month toward the total premium cost, and the covered employee may not contribute more than \$150 per month toward the premium. A contractor is deemed to have complied with this provision with respect to a covered employee who is not provided health benefits if the employee refuses the benefits and the employee's contribution to the premium is no more than \$40 per month. Program exceptions such as waivers and types of contracts that do not require participation can be found in Executive Order 1-7. For additional information regarding the City of Houston, Housing and Community Development Department compliance requirements. You may visit: http://vvww.houstontx.gov/housinq/multifamily.compliance.html

Workers' Compensation

The owner and general contractor will provide workers' compensation coverage provided with either project level policy or umbrella policy provided by the owner or GC HCDD will require that the owner and GC place signage onsite to properly inform workers of their benefits under this coverage. Developer must provide the Director of HCDD or his or her designee with evidence of worker's compensation coverage at the time of loan closing.

Awardees will be subject to these terms which will be included within the loan agreement.

Safety Training and Hourly Base Wage Rate

The owner and general contractor will be required to ensure that (1) all individuals performing project work, regardless of job designation or employment status, have received OSHA 10 certification and (2) at least one (1) on-site supervisor with OSHA 30 certification is present on the job site at all times that work is being performed.

In addition, any individual performing project work, regardless of job designation or employment status, will receive a minimum hourly wage of no less than the higher of (1) \$15.00 per hour or (2) the Federal prevailing wage.

If the applicant elects to include their statement on safety training, they will be required to certify within the HCDD contract they will employ contractors with adequate OSHA training. HCDD will require the construction contract with the general contractor include this provision as an addendum. HCDD will test compliance during onsite visits and payment applications.

If the applicant elects to include their statement on an hourly base wage rate, they will be required to certify within the HCDD contract they will comply with the Hourly base rate requirement of \$15.00 per hour for each worker. HCDD will require the construction contract with the general contractor include the Hourly Base Rate of \$15.00 requirement along with the applicable DBRA wage scale as an addendum. HCDD will test compliance during construction.

Awardees will be subject to these terms which will be included within the loan agreement.

Employment Training and Apprenticeships

IICDD expects project contractors to commit to the development of their craft workforce and invest in skills training linked to construction career paths. A minimum of 10% of all labor hours on each project must be performed by individuals enrolled in apprenticeship or craft training programs that are certified by the U.S. Department of Labor.

Owners will be required to certify within the HCDD contract they will employ contractors that adhere to the employment and apprenticeship policy. HCDD will require the construction contract with the general contractor include acknowledgement that 10% of all labor hours will be performed by apprentices enrolled in apprenticeship or craft training programs that are certified by the Department of Labor. HCDD will test compliance during construction. Awardees will be subject to these terms which will be included within the loan agreement.

Section 3

Awardees must, to the greatest extent leasible, employ Section 3 Residents (as defined in Title 24 CFR Part 135) for 30 percent (30%) of the aggregate number of new hires for each year over the duration of the project. At a minimum, awardees must, to the greatest extent feasible, ensure that 10 percent (10%) of all project work hours are performed by Section 3 Residents.

Awardees will be subject to these terms which will be included within the loan agreement.

Employment Classification

HCDD expects its awardees to hire responsible contractors who can reliably verify the proper employment classification of all individuals they engage to perform work on covered projects and provide verified reporting of wages owed and paid to employees and monthly certified payroll data to the City.

All Section 3 workers and apprentice-level workers must be directly employed by a project contractor. In addition, all self-employed workers will be subject to the same compensation standards and protections as other employees/contractors outlined in this policy.

Awardees will be subject to these terms which will be included within the loan agreement.

Davis Bacon and Related Acts (DBRA)/Labor Standards Provisions

All City financed developments require compliance with the Davis-Bacon Labor Standards no matter the use of HCDD's funds. Davis-Bacon and Related Acts require that prevailing wage rates be paid to all construction laborers regardless of job designation or employment status.

Compliance Plan

The Borrower and Owner will be required to submit a plan for implementing these measures. The plan is not required to have detailed procedure, but at minimum an acknowledgement that the applicant will inform general contractors that they and all subcontractors of any tier will be subject to these terms when solicited for the referenced development.

LETTER OF INTENT AGREEMENT

November 25, 2019

Avenue CDC Attn: Mary Lawler 2505 Washington Ave Suite 400 Houston, TX 77057

RE: Avenue on 34th, a 70-unit affordable multifamily housing development to be located at 2136 W 34th Street, in Houston, Harris County, Texas and developed, renovated, owned and operated by [Avenue on 34th], LP, a Texas limited partnership (the "Partnership").

Dear Mary:

Thank you for providing Hunt Capital Partners, LLC ("HCP") the opportunity to partner with the Avenue CDC ("ACDC") and present this Letter of Intent Agreement (the "LOI Agreement") regarding Avenue on 34th Apartments, (the "Project"). The following sets forth our proposal of the basic business terms to be included in the Partnership Agreement by and between HCP, or its designees, as the Investor Limited Partner (the "Limited Partner" or "LP") and [Avenue on 34th GP, LLC], a Texas limited liability company (the "General Partner" or "GP").

A. BASIC INFORMATION

1. Partnership Interest to be acquired:

This proposal is based upon the acquisition of a 99.99% interest in the Partnership by HCP leaving a 0.01% interest to the GP. The Partnership shall be eligible to depreciate on a 30-year, 15-year, and 5-year schedule the building, site improvements, and FF&E, respectively. The Partnership shall elect to claim bonus depreciation.

2. Tax Credits

Year of Tax Credit Allocation	2020
Amount of Federal Tax Credits	\$3,487,470
Percentage of Limited Partnership Interest	99.99%
Tax Credits to be Acquired by the LP	\$3,487,120

B. TOTAL DEVELOPMENT COSTS AND SOURCES OF FUNDS

Please refer to attached financial projection for a detailed sources and uses.

The GP is responsible for development and delivery of the Project, and all costs related thereto, through Rental Achievement, which is defined in the Partnership Agreement as the achievement of (a) a DSCR of 1.15x at a minimum of 90% occupancy for each of three (3) consecutive months, and (b) 100% initial Qualified Occupancy of the Project ("Rental Achievement"). In the determination of Rental Achievement the following assumptions shall be made: (i) the greater of the Project's actual vacancy rate or 7% shall be used, (ii) rental income in excess of achievable Section 42 rents for each unit based on the current AMI limitation shall not be included unless the unit is designated for income averaging ("IA") with another unit and (iii) market rate units shall be underwritten at the lesser of actual or 10% below average market rents, and (iv) annual operating expenses (excluding annual deposits for Replacement Reserves) shall be the greater of actual or underwritten operating expenses plus actual property taxes and insurance. Any additional funds or funding required to achieve Rental Achievement in excess of the estimated Total Development Cost of \$15,654,272 shall be considered Excess Development Costs ("EDCs") which shall be the sole and exclusive responsibility of the GP to fund; provided, however, the GP shall be allowed to defer Development Fee (to the extent not yet paid) to cover EDCs. The average income of all residents in LIHTC units will be no more than 58% of AMI. The LP will determine any hard or soft construction cost savings of the Partnership/Project upon Rental Achievement, whereby any savings shall first be used to reduce any deferred development fee and then used to reduce the Permanent Loan.

C. EQUITY INVESTMENT

1. Amount of Equity Investment

LP will pay the Partnership \$0.92 per \$1.00 of Federal IRC Section 42 low income housing tax credits ("LIHTC") for total tax credit equity of \$3,208,151. Such amount assumes the LP acquires 99.99% of the aggregate 10-year LIHTC stream totaling \$3,487,470. Disbursements will be made pursuant to a monthly draw procedure, as further outlined in the Partnership Agreement. The total equity to be paid by LP, as stated above, will be increased or decreased based on the total amount of tax credits actually received by the Partnership, as stated on the IRS Form(s) 8609, at the rate of \$0.92 per \$1.00 of LIHTC; provided, however, that the total equity taking into account any additional tax credits shall not exceed 110% of the total equity as set forth herein.

Notwithstanding the foregoing, the pricing will only be binding on HCP for a period of the earlier of the closing date of the Partnership pursuant to this agreement, or 180 days from the date of this letter. Thereafter, HCP may modify its price to reflect market conditions in the exercise of its reasonable discretion, in which event the GP or the Developer may terminate this letter if the revised pricing is not deemed satisfactory subject to paying HCP for its third party costs incurred to such point.

Additionally, the pricing indicated herein assumes a Partnership closing by May 2020, whereby the GP is obligated to deliver tax credits to the Partnership on the following schedule:

\$157,773 for 2021

\$348,747 for the years 2022 through 2031

\$190,974 for the year 2032

In the event the Partnership closing occurs earlier or later than May 2020 the tax credit delivery schedule shall be adjusted to maintain the yield to the LP.

2. Timing of the Equity Investment

The LP will invest in the Partnership as follows:

- a. \$641,630 (20.00%) will be funded upon the latest to occur of: (a) the LP's admission into the Partnership, (b) closing and initial funding of the Bonds, (c) receipt of evidence of the availability of LIHTCs for the benefit of the Partnership, (d) issuance of a building permit or will issue letter from the city, and (e) issuance of a tax opinion acceptable to the LP. The proceeds of this capital contribution shall be used to pay HCP reimbursable third-party development costs referenced in Paragraph J.2., land acquisition costs, a portion of the developer fee and Project construction costs. Upon closing of the Partnership Agreement, disbursements will be made pursuant to a monthly draw procedure outlined in the Partnership Agreement.
- b. \$641,630 (20.00%) will be funded upon the latest to occur of: (a) lien-free completion of construction of all the improvements sufficient for all residential rental units to be "placed in service" pursuant to IRC Section 42, (b) the issuance of all required temporary certificates of occupancy permitting immediate occupancy of all residential rental units, (c) engineer's and architect's completion certificates, (d) a date down on the title policy, (e) site inspection by a member of HCP's Construction Services Department verifying final completion in accordance with plans and specifications which will occur within 30 days of request for funding of installment, or requirement shall be waived, (f) May 1, 2021, and (g) satisfaction of all conditions precedent to the payments set forth in paragraphs 2.a of this section. The proceeds of this capital contribution shall be used to first pay Project construction costs and second to pay a portion of the developer fee.
- c. \$1,849,891 (57.66%) will be funded upon the latest to occur of: (a) pay down of the Bonds to its permanent amount (concurrently with funding of this equity installment), (b) receipt of the final cost certification by the Accountant, (c) receipt of recorded Regulatory Agreement, (d) permanent certificates of occupancy (e) Receipt of an as-built ALTA survey (f) April 1, 2022, and (g) satisfaction of all conditions precedent to the payments set forth in paragraphs 2.a-b of this section. The proceeds of this capital contribution shall be used to pay down the construction loan, second to fund the Operating Reserve and third to pay a portion of the developer fee.
- d. \$75,000 (2.34%) will be funded upon the latest of (a) the issuance of an IRS Form 8609 for each building in the Project (b) July 1, 2022, and (c) satisfaction of all conditions precedent to the payments set forth in paragraphs 2.a-c of this section. The proceeds of this capital contribution shall be used to pay developer fee.

3. Timing Adjustment to Equity Investment

Downward Timing Adjuster: In the event that the tax credits in 2021 or 2022 (determined separately for each year) are less than projected in Section C.1 above, the LP's capital shall be reduced by an amount equal to, or if all the LP's capital has been funded the GP shall make a payment to the LP equal to, the product of (a) \$0.65 and (b) the dollar amount by which the actual tax credits delivered in 2021 or 2022 (determined separately for each year) are less than the projected tax credits for 2021 or 2022 (determined separately for each year).

D. DEVELOPMENT FEE

The total development fee payable to ACDC (the "Developer") is \$1,338,000 is payable as noted below. If there is a gap between the total permanent sources and uses, a portion of the development fee may be deferred and dedicated as a permanent source of funds in the form of a Deferred Fee Note (the "DFN"). In the event that the GP elects to fund EDCs by deferring a portion of its Development Fee, such portion of the Development Fee will be dedicated as a permanent source in the form of a DFN, thereby increasing any DFN accordingly. The actual amount of DFN, if any, will be determined upon Rental Achievement, will not bear interest and shall be repayable from available cash as set forth below and from cost savings determined at Rental Achievement. In the event that any portion of the DFN remains after the 15th anniversary from Completion, or date required by the IRS, the GP will make a special contribution to the Partnership to pay such amount necessary to cover any unpaid principal due on the DFN.

The development fee shall be paid as follows:

- 1. \$275,000 upon payment of the first capital contribution.
- 2. \$275,000 upon payment of the second capital contribution.
- 3. \$713,000 upon payment of the third capital contribution.
- 4. \$75,000 upon payment of the fourth capital contribution.

E. GENERAL CONTRACTOR

The Contractor shall be subject to the approval by HCP. The construction contract shall be a guaranteed maximum price contract that provides for 100% payment and performance bond and include provisions for 10% retainage until 50% completion and then reduced to 0%. The Development Budget shall contain a minimum owner's hard cost contingency of 5%.

F. CASH FLOW DISTRIBUTIONS

Distributions noted below relate to all net Cash Flow distributions. Net Cash Flow will be distributed annually beginning after Rental Achievement in the following order of priority:

- 1. To the LP, to make any tax credit shortfall or adjuster payment not previously paid.

Loan Terms

Loan Amount:

Permanent Loan Term Amount:

The "Permanent Loan Term Amount" is estimated to be \$3,780,000. The Permanent Loan Term Amount may not exceed 80% of the Property's appraised value "as stabilized" assuming restricted rents based upon Lender's review of a third party appraisal, with a minimum underwritten debt service coverage ratio of 1.15 to 1 at project completion and stabilization based upon an underwritten interest rate of 5.25% with a 35-year amortization.

Equity Investment:

\$3,213,187 or such other amount acceptable by Lender, by tax credit investor who is acceptable to Lender. If at any time during the Loan Term Lender determines that the portion of the Loan Amount not yet advanced is insufficient to complete the remaining construction work due to an increase in the total project cost, Borrower will be required to contribute additional equity equal to the shortage prior to Lender advancing additional loan proceeds.

Equity installments will be used to fund development costs and/or pay down the Mortgage Loan to the Permanent Loan Term Amount.

Other Anticipated Sources of Funds:

Borrower has applied for CDBG-Disaster Recovery grant funds (the "Grant"), in the amount of \$7,384,511., from the City of Houston — Housing and Community Development Department. Lender will require proof of the grant prior to closing of the Mortgage Loan.

Borrower indicates the project will be receiving \$100,000. in a LISC Predevelopment Grant. Lender will require proof of the grant prior to closing of the Mortgage Loan.

The Interest Rate on the Mortgage Loan is calculated by adding a base spread of 2.50% to the 30-day LIBOR rate adjusted monthly. (Currently, underwritten at a 5.50% rate)

The Interest Rate on the Permanent Loan Term Amount shall be fixed;

- at a rate equal to the rate on the 15 Year Swap Index plus 2.90%, which shall be set within 5 days of closing, or

 - Rate lock fee will be refunded if loan is not approved by Amegy Bank's loan committee or
 - if loan is approved the fee will be credited at the closing

Note: The fixed rate quoted is a current indicative rate and subject to change if comparable market rates for the indicated term increase/decrease.

Loan Term:

The term for the Mortgage Loan will be 20 years. (24 months construction period and 18 years permanent period).

At Borrower's option, subject to the terms of the Loan Agreement, the construction period may be extended for (6) six months upon the payment of a .25% extension fee based upon the outstanding principal balance of the Mortgage Loan on that date, and the full and complete satisfaction of certain other conditions as will be specified in the Loan Agreement.

If the extension option is exercised, the construction period will be 30 months and the permanent period will be 17 ½ years.

Loan Payments:

Monthly payments for the Mortgage Loan will be interest only for the first 24 months, thereafter converting to principal and interest payments based upon a 35-year amortization period.

Amortization Commencement is not to occur later than 24 months from loan closing. The debt coverage ratio calculation will include principal, interest, operating expenses, any and all taxes payable, insurance and replacement reserves, and use the actual rate locked at closing and a 35-year amortization.

Construction Completion:

Project construction must be completed within 15 months of loan closing.

Construction Contract:

Borrower must provide one or more, fixed cost construction contract(s) for an aggregate cost consistent with the budget approved by Lender. Lender must approve the financial condition of the Contractor(s) to determine if any bonding will be required. Any lien rights of the Contractor(s) shall be subordinate to liens of the Lender

Advances:

Project costs will first be funded from the equity deposited with Lender (as it is funded) and second from the proceeds of the Grant (as it is funded according to its terms) and thirdly from the Mortgage Loan. None of the proceeds of the Mortgage Loan will be made available to Borrower unless and until the entire amount of the first equity payment has been deposited with Lender and disbursed to Borrower in accordance with the terms of the Loan Agreement

Construction draws can be submitted for consideration by Lender on a monthly basis. All advances are subject to the terms of the Loan Agreement and other loan documents which use percentage of completion with a 10% retainage (except for materials) for determining

each advance. When the stage of construction is determined to be 90% complete, the retainage held will be reduced to 5%.

When the stage of construction is determined to be 50% complete, Borrower may request a release of retainage for the initial subcontractors whose work is complete. REPRESENTATIONS, WARRANTIES, COVENANTS AND AGREEMENTS OF GRANTOR

For the purpose of better securing to Beneficiary the payment of the Indebtedness, Grantor represents, warrants and covenants to Beneficiary as follows:

A. <u>Title, Authority, and Performance under Leases.</u> At the time of the execution and delivery of this Deed of Trust, Grantor is the sole and lawful owner of the Land in fee simple, and Grantor has the authority to execute this Deed of Trust. The Property is free from all encumbrances and charges whatsoever except for the liens securing the Senior Note and the Permitted Encumbrances. No assignments or pledges are currently in effect with respect to any leases of or rentals or income from the

Property except for assignments and/or pledges to Beneficiary and those expressly stated in **EXHIBIT B** and those securing the Senior Note, and until the Indebtedness is fully paid, at which time this Deed of Trust will be released. Grantor shall not make any additional assignment or pledge thereof without Beneficiary's prior written consent.

- Tax and Insurance Escrow. Unless Grantor is already required to maintain an escrow account with the Senior Lender upon written request by Beneficiary, Grantor agrees to deposit with Beneficiary on a monthly basis, or at other intervals as specified, a sum that shall be sufficient to pay taxes, assessments, charges, and insurance premiums as they become due, all as reasonably estimated by Beneficiary, which sum shall be held by Beneficiary (or by a banking institution selected by Beneficiary whose funds are insured by a federal agency or instrumentality) in trust to pay taxes, assessments, charges and premiums, but which shall not bear interest and may be commingled with other funds. If at any time the funds so held by (or on behalf of) Beneficiary are insufficient to pay any tax, assessment, charge or insurance premium, Grantor shall, upon receipt of notice, deposit with Beneficiary (or such banking institution), all additional funds as are necessary to remove the deficiency. If the Indebtedness is for any reason declared immediately due and payable, funds held by (or on behalf of) Beneficiary for payment of taxes, assessments, charges or premiums as herein provided may, at Beneficiary's election, be applied on the Indebtedness in any manner as Beneficiary so elects. In the event that Grantor is escrowing with Senior Lender (as defined below) a sum for payment of taxes, assessments, charges and insurance premiums and such amount is sufficient to fully discharge such taxes, assessments, charges and insurance premiums, Beneficiary agrees not to require an additional escrow deposit under this paragraph. In the event that Beneficiary does not require the escrow deposits described in the paragraph, Grantor shall provide Beneficiary with written evidence that (i) all applicable taxes and assessments have been paid at least thirty (30) days prior to delinquency and (ii) all insurance premiums have been paid thirty (30) days before the renewal date of the applicable policies. Grantor shall duly pay and discharge, or cause to be paid and discharged, all taxes, assessments, charges, and insurance premiums before they become past due.
- C. <u>Insurance.</u> Grantor shall, prior to or concurrently with the execution of this Deed of Trust, deliver to Beneficiary all of the following insurance policies together with evidence of such other insurance coverage as required pursuant to the Loan Agreement, accompanied by paid premium receipts evidencing payment in full of the required premiums for at least the first full year of coverage:
 - (i) fire insurance with extended coverage and standard Beneficiary and replacement cost endorsement for the full insurable value of the insurable portion of the Property, but in no event for an amount less than the amount of the Note (90% shall be acceptable co-insurance rates for fire insurance); and
 - (ii) public liability insurance in the amount of \$1,000,000.00 per occurrence and \$2,000,000.00 in the aggregate for a twelve (12) month policy period. Each renewal policy shall be delivered to Beneficiary not less than thirty (30) days before the termination of the prior policy and with each policy there shall be delivered to Beneficiary a receipt showing payment of the premium therefor.

Upon request, Grantor shall also carry additional insurance or additional reasonable amounts of insurance covering Grantor or the Property as Beneficiary shall reasonably require, insuring against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in the region where the Property is located. In the event of a conflict between the insurance provisions of this Deed of Trust and the City Loan Agreement, the stricter provisions shall prevail.

If the Property or any part thereof has been or at any time during the term of this Deed of Trust or any extension or renewal thereof is designated as a flood-prone or flood-risk area pursuant to the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as each have been or may be amended, or any successor law, Grantor shall obtain flood insurance in such total amounts as Beneficiary may from time to time require and shall otherwise comply with the requirements of the National Flood Insurance Program as set forth in the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, or any successor law.

All insurance required under this Deed of Trust and the Loan Agreement shall be fully paid for, non-assessable, and such policies shall contain such provisions, endorsements, and expiration dates as Beneficiary shall reasonably require. Such policies shall be issued by insurance companies authorized and licensed to transact business in the State of Texas with ratings acceptable to Beneficiary in its sole and absolute discretion and shall name Beneficiary and the City as an additional insured.

- D. Operations. Grantor will abstain from and not permit the commission of waste in or about the Property, will maintain the Property in good operating condition and repair at all times, ordinary wear and tear and insured casualty excepted, will not remove or demolish the buildings or other improvements now or hereafter constituting a part of the Property, or alter the design or structural character of any buildings or improvements unless Beneficiary shall first consent thereto in writing, which consent shall be granted or denied in Beneficiary's reasonable discretion, and will comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting the Property or the use thereof, which consent shall not be unreasonably withheld, delayed or conditioned. Grantor will not seek or acquiesce in a zoning reclassification of all or any portion of the Property or grant or consent to any easement, dedication, plat, or restriction (or allow any easement to become enforceable by prescription), or any amendment or modification thereof, covering all or any portion of the Property, without Beneficiary's prior written consent, which consent shall not be unreasonably withheld, conditioned, or delayed. Grantor will not, without the prior written consent of Beneficiary, permit any drilling or exploration for or extraction, removal, or production of, any Minerals from the surface or subsurface of the Land regardless of the depth thereof or the method of mining or extraction thereof.
- E. Obligations Under Other Loan Documents. Grantor hereby agrees to comply with and perform all of its obligations under the other Loan Documents and agrees to be bound by the representations, warranties and covenants made by Grantor contained in the Loan Documents. All of representations, warranties and covenants contained in the other Loan Documents are hereby fully incorporated herein.
- F. <u>Casualty and Condemnation Proceeds.</u> Subject to the terms of the Loan Agreement and the Intercreditor Agreement (as defined below), in the event of any fire or other casualty to the Property or eminent domain proceedings resulting in condemnation of the Property or any part thereof, Grantor shall have the right to rebuild the Property, and to use all available insurance or condemnation proceeds therefor, provided that (a) such proceeds are sufficient to keep the Indebtedness in balance and rebuild the affected portion of the Property in a manner that provides adequate security to Beneficiary for repayment of the Indebtedness or if such proceeds are insufficient then Grantor shall have funded any deficiency, (b) Beneficiary shall have the right to approve plans and specifications for any major rebuilding and the right to approve disbursements of insurance or condemnation proceeds for rebuilding under a construction escrow or similar arrangement, and (c) no Default then exists under the Loan Documents that will not be cured by rebuilding the affected portion of the Property. If the casualty or condemnation affects only part of the Property and total rebuilding is infeasible, then proceeds may be used for partial rebuilding and partial repayment of the Indebtedness in a manner that provides adequate security to Beneficiary for repayment of the remaining balance of the Indebtedness.
- G. Failure to Pay. All taxes and any assessments that are due and payable affecting the Property shall be paid and discharged in full prior to execution and delivery of this Deed of Trust, or as they subsequently become due and payable and prior to delinquency. If Grantor fails to pay any tax, assessment, charge or insurance premium affecting the Property in accordance with the terms of this Deed of Trust, Beneficiary may, at its option, pay the same, or if Grantor fails to perform any of Grantor's covenants or agreements set forth in this Deed of Trust in accordance with the terms hereof, Beneficiary may, at its option, correct or cause to be corrected the same and pay any sums in connection therewith as Beneficiary shall determine to be necessary or advisable, and all taxes, assessments, charges, insurance premiums and sums paid by Beneficiary in connection with such matters (collectively, whether one or more, an "Assessment") shall be immediately repayable by Grantor to Beneficiary, together with interest on each amount at the default rate provided in the Note from the date the sum is paid by Beneficiary, until the same is refunded to Beneficiary and all such amounts and interest thereon, shall be secured hereby as part of the Indebtedness. Notwithstanding the foregoing or anything to the contrary set forth in the Loan

- H. <u>Title Litigation.</u> Subject to title insurance coverage, in case of any litigation involving the title to any part of the Property, or the validity of this Deed of Trust, Beneficiary may be represented in the litigation through attorneys of its own selection and Grantor shall, upon demand, promptly reimburse Beneficiary for all court costs and reasonable attorneys' fees incurred by Beneficiary in defending and/or protecting its rights in any litigation.
- I. <u>Default.</u> Subject to applicable notice, grace, and cure provisions and the other terms of this Deed of Trust and the other Loan Documents, if a Default extends beyond any applicable notice and cure period (as defined in the Loan Agreement), the whole of the Indebtedness, at the option of Beneficiary, shall become immediately due and payable, without further notice or demand.
- J. <u>Tenancy at Sufferance.</u> Following any sale of the Property, or any part thereof, under the provisions of this Deed of Trust, and to the extent permissible under applicable law, Grantor shall be obligated to immediately vacate the premises and prior to such vacation shall be a tenant at sufferance of the purchaser of the Property sold and shall be subject to eviction in an action of forcible detainer; provided, the provisions of this Subparagraph J shall be subject to any agreements made in writing by Beneficiary with reference to any existing and/or future leases; provided, further, to the extent permitted under applicable law, the purchaser at any foreclosure sale shall have the option to affirm any then existing leases or tenancies or otherwise to succeed to the rights of Grantor thereunder.
- K. <u>Subrogation</u>. To the extent that any of the Indebtedness represents funds utilized to satisfy any outstanding Indebtedness or obligations secured by liens, rights, or claims against the Property or any part thereof, Beneficiary shall be subrogated to any and all liens, rights, superior titles and equities owned or claimed by the holder of any outstanding indebtedness or obligation so satisfied, however remote, regardless of whether the liens, rights, superior titles and equities are assigned to Beneficiary or released by the holder(s) thereof.
- L. <u>Homestead Disclaimer.</u> Grantor represents and covenants that the Property forms no part of any property owned, used, or claimed by Grantor as a business or residential homestead, or as exempt from forced sale under the laws of the State of Texas and disclaims and renounces all and every such claim thereto.
- M. Additional Transfers and Encumbrances. Subject to the terms and conditions of the Loan Agreement, Beneficiary shall have the right to declare the Indebtedness secured hereby immediately due and payable in the event the Grantor sells, transfers, assigns, or conveys its interest, whether voluntarily or involuntarily, in the Property, or any part thereof, without the prior written consent of Beneficiary, such consent not to be unreasonably withheld, delayed or conditioned or in the event any junior or subordinate mortgage, lien, deed of trust, or other encumbrance is placed upon the Property without the prior written consent of Beneficiary, provided the foregoing shall not prohibit the removal of worn or obsolete Personalty that is replaced with new items of the same or similar quality. If Beneficiary consents to the sale, transfer, assignment, or conveyance of Grantor's interest in the Property, or any part thereof, and waives in writing its right to accelerate the Indebtedness secured hereby as provided in this Subparagraph M, Beneficiary may require that the transferee assume all the obligations of Grantor under this Deed of Trust, the Loan Agreement and the Note in a form reasonably acceptable to Beneficiary and its legal counsel. For purposes

of this Subparagraph M, "transfer" of the Property includes any direct or indirect transfer of any beneficial ownership in Grantor (except as allowed by the City Loan Agreement) or the general partner or managing member of Grantor except to the extent that such transfer is permitted under the Loan Agreement (including the incorporated provisions of the City Loan Agreement) after satisfaction of all requirements for such transfer including the consent of the City of Houston (the "City"), if required for such transfer.

Notwithstanding anything to the contrary contained in this Deed of Trust or the other Loan Documents, the removal and/or replacement of Grantor's general partner for cause in accordance with Grantor's partnership agreement shall not require the consent of the Beneficiary or the Trustee, shall not constitute a default or Default under this Deed of Trust or the Loan Documents or accelerate or give the Beneficiary the right to accelerate the maturity of the Loan. The consent of the Beneficiary and the City shall be required for the appointment of a new general partner, but if the Grantor's Tax Credit Investor (as defined in the Loan Agreement) exercises its right to remove the Grantor's general partner for cause, Beneficiary will not unreasonably withhold its consent to the substitute general partner; provided however, the consent of neither the Trustee nor the Beneficiary shall be required if the substitute general partner is an affiliate of such limited partner. The substitute general partner shall assume all of the rights and obligations of the removed general partner of Grantor hereunder. Except as otherwise allowed by the City Loan Agreement, the consent of the City shall be required for a transfer of the Grantor's Tax Credit Investor interest

- P. Payment for Labor and Materials. Grantor will timely pay all bills for labor, materials, and specifically fabricated materials incurred in connection with the Property (which shall be deemed an Assessment on the Property) and never permit to exist in respect of the Property or any part thereof any unbonded lien or security interest, even though inferior to the liens and security interests hereof, for any such bill, and in any event never permit to be created or exist in respect of the Property or any part thereof any other or additional lien or security interest on a parity with, superior, or inferior to any of the liens or security interests hereof, except for the Permitted Encumbrances and the liens securing the Senior Note. In the event that Grantor becomes aware that such lien has been recorded against the Property, Grantor shall have such lien released within thirty (30) days. If Grantor fails to pay or bond around any bills for labor, materials, and specifically fabricated materials incurred in connection with the Property, Beneficiary shall have the rights set forth in Section V.G for Grantor's failure to pay any Assessment, as well as the other rights and remedies provided under this Deed of Trust.
- Q. <u>Tax on Deed of Trust</u>. At any time any law shall be enacted imposing or authorizing the imposition of any tax upon this Deed of Trust, or upon any rights, titles, liens, or security interests created hereby, or upon the Indebtedness or any part thereof, Grantor will pay when due all such taxes, provided that if such law as enacted makes it unlawful for Grantor to pay such tax, Grantor shall not pay nor be obligated to pay such tax. S. <u>Disclosures</u>. If at any time Grantor shall become aware of the existence or occurrence of any financial or economic conditions or natural disasters which are likely to have a material adverse effect on the Property or Grantor's capacity to carry out its obligations under this Deed of Trust and the other Loan Documents, Grantor shall promptly notify Beneficiary of the existence or occurrence thereof and of Grantor's opinion as to what effect such may have on the Property or Grantor. Grantor shall also give prompt notice to Beneficiary of (i) the serious illness or death of any principal or key employee of Grantor, (ii) any litigation or dispute, threatened or pending against or affecting Grantor, the Property or any guarantor which could have a material adverse effect on the Property or the financial condition or business of any of the aforementioned parties, (iii) any Default, (iv) any default by Grantor beyond all applicable notice, grace, and cure periods or any acceleration of any indebtedness owed by Grantor under any contract to which Grantor is a party, and (v) any material adverse_change in the character of Grantor's business as it existed on the date hereof.

For so long as no Default exists, Grantor may collect the rents, but not more than one (1) month in advance, in the ordinary course of business, unless otherwise provided by the express terms of the leases and approved by Beneficiary. In the event of any Default and at any and all times during the continuance thereof, in addition to all other rights and remedies of Beneficiary, Beneficiary shall have the exclusive right and power (but not the obligation) to enter upon and take possession of the Property or any part thereof, to rent or re-rent the same, either in the name of Beneficiary or Grantor, to receive all rents, revenues, profits, or other income from the Property and to apply all amounts received first, to the costs and expenses incurred by Beneficiary in protecting and operating the Property and next, to the payment of the Indebtedness in any manner and in any order of priority as Beneficiary shall determine. This action by Beneficiary shall not operate as a waiver of the Default, or as an affirmance of any lease or of the rights of any tenant of title to that part of the Property covered by the lease or held by the tenant, should the Property, or any part thereof, be acquired by Beneficiary or other purchaser at a foreclosure sale. The right of Beneficiary to receive all rents, revenues, profits, or other income from the Property during the continuance of any Default shall be applicable whether Beneficiary has entered upon or taken possession of the Property, or has otherwise attempted to exercise its rights hereunder and if any rents, revenues, profits, or other income are paid to or received by Grantor, Grantor shall immediately pay the same to Beneficiary, without the necessity of any request or demand therefor. Grantor agrees at any time and from time to time until the indebtedness is paid in full to execute and to deliver any additional assignments of leases and/or rents, security agreements and other instruments as Beneficiary shall from time to time reasonably require, provided such instruments do not increase Grantor's obligations (except as may be contemplated by the Loan Documents) or decrease Grantor's right under the Loan Documents. The substance, form, execution and delivery of additional assignments of leases and/or rents, security agreements and other instruments shall be reasonably satisfactory to Beneficiary.

VIII.

PERSONALTY

This Deed of Trust covers and includes, without limitation, Grantor's interest in the Personalty hereinabove described.

IX.

USE OF PERSONALTY

Grantor represents that all Personalty is property for business use and is not consumer goods. Grantor further covenants that there are and shall be no conditional sales contracts that cover any of the Personalty.

X.

SECURITY INTEREST IN PERSONALTY

Without limiting any of the provisions of this instrument, Grantor, as referred to in this paragraph as "**Debtor**," expressly does the following:

- A. <u>Grant.</u> Debtor hereby grants unto Beneficiary and its successors and assigns, described herein as Secured Party, and referred to in this paragraph as "**Secured Party**", a security interest in Debtor's interest in the Personalty (subject to the Permitted Encumbrances and the security interests and rights granted to Senior Lender).
- UCC Remedies. Debtor agrees, in addition to any other remedies granted in this instrument to Secured Party or the Trustee, that Secured Party may, during the existence of any Default, proceed under Chapter 9 of the Texas Uniform Commercial Code (the "UCC") as to all or any part of the Personalty and shall have and may exercise with respect to the Personalty all the rights, remedies and powers of a Secured Party under the UCC, including, without limitation, the right and power to sell at public or private sale or sales, or otherwise to dispose of, to lease, or to utilize the Personalty and any part or parts thereof, in any manner authorized or permitted under the UCC after default by a debtor and to apply the proceeds thereof toward payment of any reasonable costs, expenses and attorneys' fees and legal expenses thereby incurred by Secured Party and toward the payment of Debtor's obligations, including the Note and all other Indebtedness described in this instrument in any order or manner as Secured Party may elect. Among the rights of Secured Party during the existence of a Default, and without limitation, Secured Party shall have the right to take possession of the Personalty and to enter upon any premises where same may be situated for this purpose without being deemed guilty of trespass and without liability for damages thereby occasioned and to take any action deemed necessary or appropriate or desirable by Secured Party, at its option and in its discretion, to repair, refurbish or otherwise prepare the Personalty for sale, lease, or other use or disposition as herein authorized. Debtor agrees that if any notice of sale required under the UCC is mailed, postage prepaid, to Debtor at the address shown herein at least ten (10) days before the time of the sale or disposition, the notice shall be deemed reasonable and shall fully satisfy any requirement for giving of the notice.

If a Default exists, and to the extent it may lawfully do so and without limiting any rights and/or privileges herein granted to Secured Party, Debtor agrees that Secured Party and/or the above Trustee and any Substitute Trustee, may dispose of any or all of the Personalty at the same time and place and after giving the same notice provided for in this Deed of Trust in connection with a nonjudicial foreclosure sale under the terms and conditions set forth in this Deed of Trust. In this connection, Debtor agrees that the sale may be conducted by the Trustee or the Substitute Trustee; that the sale of the Land and Improvements described in this Deed of Trust and the Personalty or any part thereof, may be sold separately and/or together; and that if the Land and Improvements described herein and the Personalty or

12

any part thereof, are sold together, the Secured Party will not be obligated to allocate the consideration received as between the Land and Improvements and the Personalty.

- C. <u>Possession.</u> Debtor hereby grants to Secured Party the right, at its option upon a Default to transfer at any time to itself or to its nominee the Personalty, or any part thereof and to receive the monies, income, proceeds or benefits attributable or accruing thereto and to hold the same as security for Debtor's obligations or to apply it on the principal and interest or other amounts owing on any of Debtor's obligations, whether or not then due, in any order or manner as Secured Party may elect. All rights with respect to marshalling of assets of Debtor, including with respect to the Personalty, or to a sale in inverse order of alienation, are hereby waived.
- D. <u>Authority.</u> Debtor hereby covenants, stipulates and agrees that all recitals in any instrument of assignment or any other instrument executed by Secured Party incident to the sale, transfer, assignment, lease or other disposition or utilization of the Personalty or any part thereof hereunder shall be prima facie evidence of the matters stated therein and all prerequisites of the sale or other action taken by Secured Party or of any fact, condition or thing incident thereto shall be rebuttably presumed to have been performed or to have occurred.
- E. <u>Assembly and Expenses.</u> Debtor hereby covenants and agrees that Secured Party, during a Default, may require Debtor to assemble the Personalty and to make it available to Secured Party at a place to be designated by Secured Party that is reasonably convenient to both parties. All reasonable expenses of retaking, holding, preparing for sale, lease, or other use or disposition, selling, leasing or otherwise using or disposing of the Personalty and the like that are incurred or paid by Secured Party as authorized or permitted hereunder, including also all attorneys' fees, legal expenses and costs, shall be added to the Indebtedness and Debtor shall be liable therefor.
- Financing Statement. A carbon, photographic, or other reproduction of this Deed of Trust may be filed as a Financing Statement under the UCC between Debtor and Secured Party whose addresses are set forth below. Except for the security interest granted hereby in the Personalty, the security interests and rights in the Personalty granted to Senior Lender, the security interest granted to the Subordinate Lender or otherwise expressly stated in EXHIBIT B hereto, Debtor is owner and holder of the Personalty free of any adverse claim, security interest or encumbrance, and Debtor will defend the Personalty against all claims and demands of any person at any time claiming the same or any interest therein. Debtor has not heretofore signed any financing statement and no financing statement signed by Debtor is now on file in any public office except those statements, true and correct copies of which have been delivered to the Secured Party or in connection with the Senior Note (as defined below). So long as any amount remains unpaid on any Indebtedness described in this Deed of Trust, Debtor will not execute and there will not be filed in any public office any financing statement or statements affecting the Personalty other than financing statements in favor of the Senior Lender or Secured Party hereunder, unless the prior written specific consent and approval of Secured Party shall have first been obtained. Debtor authorizes Secured Party to file, in jurisdiction where this authorization will be given effect, a financing statement signed only by Secured Party covering the Personalty and at the request of Secured Party, Debtor will join Secured Party in executing one or more financing statements, pursuant to the UCC in form satisfactory to Secured Party and will pay the cost of filing the same or filing or recording this instrument as a financing statement, in all public offices at any time and from time to time whenever filing or recording of any financing statement or of this instrument is deemed by Secured Party to be necessary or desirable.

ENVIRONMENTAL MATTERS

A. <u>Compliance with Laws.</u> Grantor hereby represents, warrants, covenants and agrees to and with Beneficiary that:

- Grantor will not and will not permit any tenant or occupant of the Property to, generate, store, handle or otherwise deal with hazardous or toxic substances in, on, about or under the Property; and

AGENT OR REPRESENTATIVE OF BENEFICIARY AFTER BENEFICIARY HAS TAKEN POSSESSION OF THE PROPERTY.
- C. Remediation. If any investigation or monitoring of site conditions, or any cleanup, containment, restoration, removal or other remedial work (collectively, the "remedial work") is required under any applicable federal, state or local law or regulation, by any judicial order, or by any governmental entity, or in order to comply with any agreements affecting the Property because of, or in connection with any release of hazardous or toxic substances, Grantor shall perform, or cause to be performed, the remedial work in compliance with such law, regulation, order or agreement. All remedial work shall be performed by one or more contractors selected by Grantor and approved in advance, in writing, by Beneficiary and under the supervision of a consulting engineer selected by Grantor and approved in advance, in writing, by Beneficiary. All costs of any remedial work shall be paid by Grantor, including, without limitation, the reasonable charges of contractor(s) and/or the consulting engineer and Beneficiary's reasonable attorneys' fees and costs incurred in connection with the monitoring or review of any remedial work. If Grantor shall

fail to timely commence or cause to be timely commenced, or fail to diligently prosecute to completion, any remedial work, then Beneficiary may, but shall not be required to, cause such remedial work to be performed and all costs and expenses thereof, or incurred in connection therewith, shall be "Costs" within the meaning of Subparagraph B above. D. <u>Survival.</u> Notwithstanding anything to the contrary contained herein, or in the Note or Loan Agreement, the obligations of Grantor under this Paragraph XIII shall survive any assumption of the Indebtedness by a successor to Grantor (whether or not the assumption has been approved or disapproved, or whether or not Grantor was released from liability on the Indebtedness), foreclosure of this Deed of Trust (or transfer of the Property in lieu of foreclosure) and release or termination of this Deed of Trust.

XIV.

MISCELLANEOUS

- A. <u>No Waiver.</u> No delay by Beneficiary in exercising any right, option or remedy hereunder, or otherwise afforded by law, shall operate as a waiver thereof or preclude the exercise thereof during the continuance of any Default.
- B. <u>Cumulative Remedy.</u> All rights and remedies of Beneficiary under this Deed of Trust and any and all other instruments evidencing or securing the Indebtedness, are cumulative and concurrent and may be exercised singularly, successively, or concurrently.
- C. <u>No Release.</u> The granting to Grantor or to any other person or party of any extension(s) of time for payment of all or any part of the Indebtedness or the performance of any covenant or agreement contained herein, or the taking of other or additional security for the payment of the whole or any part of the Indebtedness, or the releasing of any part of the security at any time held in connection with the Indebtedness, shall not in any way release Grantor or any other person or party obligated for the payment of the Indebtedness, or release or impair this Deed of Trust or any other security held in connection with the Indebtedness, except to the extent of the person, party or property expressly released in writing by Beneficiary.
- D. <u>Severability.</u> If any provision in this Deed of Trust is invalid or unenforceable in whole or in part, this instrument shall in all other respects remain in full force and effect.
- E. <u>Successors and Assigns.</u> All of the provisions hereof shall apply to, inure to the benefit of, and be binding upon Grantor and the successors and assigns (provided the foregoing shall not be construed as consent to any transfer by Grantor of the Property.
- F. Further Assurances and Corrections. From time to time, at the request of Beneficiary, Grantor will (i) promptly correct any defect, error, or omission which may be discovered in the contents of this Deed of Trust or in any other Loan Document or in the execution or acknowledgment thereof; (ii) execute, acknowledge, deliver, record and/or file such further instruments (including, without limitation, further deeds of trust, security agreements, financing statements, continuation statements and assignments of rents or leases) and perform such further acts and provide such further assurances as may be necessary, desirable, or proper, in Beneficiary's reasonable opinion, to carry out more effectively the purposes of this Deed of Trust and the Loan Documents and to subject to the liens and security interests hereof and thereof any property intended by the terms hereof or thereof to be covered hereby or thereby, including without limitation, any renewals, additions, substitutions, replacements, or appurtenances to the Property; (iii) execute, acknowledge, deliver, procure, file, and/or record any document or instrument (including without limitation, any financing statement) deemed advisable by Beneficiary to protect the liens and the

security interests herein granted against the rights or interests of third persons; and (iv) pay all reasonable costs connected with any of the foregoing.

- G. <u>Choice of Law.</u> This Deed of Trust shall be performable and enforced in Harris County, Texas, and shall be construed in accordance with the laws of the State of Texas from time to time in effect except to the extent preempted by the United States federal law. Venue shall be appropriate in Harris County, as applicable.
- H. <u>Usury.</u> In no event shall any provision of this Deed of Trust, the Note, the Loan Agreement or any other instrument evidencing or securing the Indebtedness ever obligate Grantor to pay interest on the Note secured hereby at a rate greater than that permitted by law, or obligate Grantor to pay any taxes, assessments, charges, insurance premiums, or other amounts to the extent that the payments constitute interest under applicable law and when added to the interest payable on the Note secured hereby, would be held to constitute the payment by Grantor of interest at a rate greater than that permitted by law; and this provision shall control over any provision to the contrary.

It is expressly stipulated and agreed to be the intent of Grantor and Beneficiary at all times to comply strictly with the applicable Texas law governing the maximum rate or amount of interest payable on the Note or the Indebtedness or applicable United States federal law to the extent that it permits Beneficiary to contract for, charge, take, reserve or receive a greater amount of interest than under Texas law ("Highest Lawful Rate"). If the applicable law is ever judicially interpreted so as to render usurious any amount (i) contracted for, charged, taken, reserved or received pursuant to the Note, any of the other Loan Documents or any other communication or writing by or between Grantor and Beneficiary related to the transaction or transactions that are the subject matter of the Loan Documents, (ii) contracted for, charged or received by reason of Beneficiary's exercise of the option to accelerate the maturity of the Note and/or the Indebtedness, or (iii) Grantor will have paid or Beneficiary will have received by reason of any voluntary prepayment by Grantor of the Note and/or the Indebtedness, then it is Grantor's and Beneficiary's express intent that all amounts charged in excess of the Highest Lawful Rate shall be automatically cancelled, ab initio, and all amounts in excess of the Highest Lawful Rate theretofore collected by Beneficiary shall be credited on the principal balance of the Note and/or the Indebtedness (or, if the Note and all Indebtedness have been or would thereby be paid in full, refunded to Grantor), and the provisions of the Note and the other Loan Documents immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder and thereunder. Grantor hereby agrees that as a condition precedent to any claim seeking usury penalties against Beneficiary, Grantor will provide written notice to Beneficiary, advising Beneficiary in reasonable detail of the nature and amount of the violation, and Beneficiary shall have sixty (60) days after receipt of such notice in which to correct such usury violation, if any, by either refunding such excess interest to Grantor, or crediting such excess interest against the Note and/or the Indebtedness then owing by Grantor to Beneficiary. All sums contracted for, charged or received by Beneficiary for the use, forbearance or detention of any debt evidenced by the Note and/or the Indebtedness shall, to the extent permitted by applicable law, be amortized or spread, using the actuarial method, throughout the stated term of the Note and/or the Indebtedness (including any and all renewal and extension periods) until payment in full so that the rate or amount of interest on account of the Note and/or the Indebtedness does not exceed the Highest Lawful Rate from time to time in effect and applicable to the Note and/or the Indebtedness for so long as debt is outstanding. In no event shall the provisions of Chapter 346 of the Texas Finance Code (which regulates certain revolving credit loan accounts and revolving triparty accounts) apply to the Note and/or the Indebtedness. Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, it is not the intention of Beneficiary to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration.

I. <u>Covenants Run with the Land</u>. All obligations contained in this Deed of Trust and the other Loan Documents are intended by Grantor, Beneficiary and Trustee to be, and shall be construed as, covenants running with the Property until the lien of this Deed of Trust has been fully released by Beneficiary.

- J. JURY WAIVER. GRANTOR AND BENEFICIARY ACKNOWLEDGE THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED, EACH PARTY, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF THEIR CHOICE, KNOWINGLY AND VOLUNTARILY, AND FOR THEIR MUTUAL BENEFIT, WAIVES ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS NOTE, THE INDEBTEDNESS OR THIS DEED OF TRUST.
- K. Entire Agreement. THIS DEED OF TRUST, TOGETHER WITH THE NOTE AND LOAN AGREEMENT, THE OTHER LOAN DOCUMENTS, AND THE RESTRICTIVE COVENANTS CONSTITUTE A WRITTEN LOAN AGREEMENT AS DEFINED IN SECTION 26.02 OF THE TEXAS BUSINESS AND COMMERCE CODE. THIS WRITTEN LOAN AGREEMENT CONSTITUTES THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.
- Subordination. It is the intent of Beneficiary and Grantor that the indebtedness evidenced L. by the Note shall be subordinate in right of payment to the prior payment in full of the indebtedness evidenced by a Promissory Note in the maximum principal amount of up to TWELVE MILION AND NO/100 DOLLARS (\$12,000,000.00) (the "Senior Note") made by the HOUSTON HOUSING FINANCE CORPORATION, a public non-profit corporation (the "HHFC") to the Grantor using the proceeds of the purchase by ZIONS BANCORPORATION, N.A. d/b/a AMEGY BANK ("Zions") of the HHFC's Multifamily Housing Mortgage Revenue Bonds (Avenue on 34th Apartments Project) Series 2020, or order, to the extent and in the manner provided in a certain Intercreditor Agreement to be entered into between Beneficiary, Grantor, the City of Houston, the HHFC, Zions and Zions Bancorporation, National Association (in its capacity as trustee) (the "Intercreditor Agreement"). This Deed of Trust and all of the other Loan Documents are and shall be subject and subordinate in all respects to the liens, terms, covenants and conditions of the deed of trust securing the Senior Note ("Senior Deed of Trust") as more fully set forth in the Intercreditor Agreement. The rights and remedies of the Beneficiary and each subsequent holder of this Note and the Deed of Trust are subject to the restrictions and limitations set forth in the Intercreditor Agreement. Each subsequent holder of this Note shall be deemed, by virtue of such holder's acquisition of the Note, to have agreed to perform and observe all of the terms, covenants and conditions to be performed or observed by Beneficiary under the Intercreditor Agreement.

I. PROMISE TO REPAY.

FOR VALUE RECEIVED, AVENUE ON 34TH LP, a Texas limited partnership ("Maker"), hereby agrees and promises to pay to the order of AVENUE COMMUNITY DEVELOPMENT CORPORATION, a Texas nonprofit corporation ("Payee"), at 2505 Washington Avenue, Suite 400, Houston, Texas 77007 or at any other place as the holder hereof may from time to time in writing designate, on the times hereinafter provided, in coin or currency, which at the time of payment shall constitute legal tender of the United States of America, the principal sum of NINE MILLION NINETY THOUSAND AND NO/100 DOLLARS (\$9,090,000.00, or so much thereof as may be advanced, together with interest thereon as herein specified.

The loan ("Loan") evidenced by this Note is subject to the terms and conditions of that one certain Loan Agreement (Borrower/Owner) ("Owner Loan Agreement") between Maker and Payee of even date herewith which incorporates the terms and conditions of a Loan Agreement between the City of Houston ("City"), Maker and Payee dated _________, 2020 ("City Loan Agreement"). All capitalized terms used but not defined in this Note have the same meanings as assigned to such terms in the Owner Loan Agreement.

II. TERM.

The term of the Loan shall commence on the date of this Note ("Closing Date") and shall mature upon the date which is forty (40) years after Project Completion as defined in the City Loan Agreement (the "Maturity Date"). This Note is secured by and entitled to the benefits of a Deed of Trust, Security Agreement and Financing Statement of even date herewith ("Deed of Trust") executed by Maker to Tom McCasland, Trustee, covering fee ownership interest in the Property (as defined in the Deed of Trust).

III. PAYMENTS.

The unpaid principal balance of the Note together with accrued but unpaid interest thereon shall be due and payable on the Maturity Date. Upon the event of a Default that extends beyond any applicable cure period, the Payee may declare the outstanding deferred principal balance to be immediately due and payable, without further notice subject to the requirements stated in the Loan Documents or other legal requirements. During the Approved Construction Period, no interest will accrue on the Loan. Following the Approved Construction Period, the outstanding principal balance of this Note shall accrue interest at the rate of one percent (1%) per annum.

Following the expiration of the Approved Construction Period until the Maturity Date, Maker shall pay an annual installment equal to the lesser of (i) one percent (1%) annually on the outstanding balance of the Loan, plus accrued unpaid interest, if any, or (ii) fifty percent (50%) of Net Cash Flow. The annual interest payment or non-payment of such interest shall be accompanied by evidence acceptable to the Director documenting available cash flow or lack of available cash flow. Any accrued interest not paid will be added to principal.

For purposes of this provision Net Cash Flow as defined as follows:

<u>Net Cash Flow</u> shall mean all income and revenues actually received by Owner from the lease of the Project Units and other improvements, and all other income and revenues actually received by Owner in connection with the Project, excluding and deducting therefrom all (1) Operating Expenses including any debt service payments related to the Senior Loan (but not any subordinate loans); (2) security, pet or cleaning deposits,

IV. DEFAULT; ACCELERATION.

If a Default exists the entire debt represented by this Note, consisting of the outstanding principal balance and all accrued interest thereon, shall, at the option of the holder hereof, become immediately due and payable, and except as otherwise provided herein or in any of the other Loan Documents, without notice, presentment for payment, demand, notice of nonpayment, notice of intention to accelerate, acceleration, or other notices of any type which are specifically waived. Time being of the essence hereof. Payee's rights under this paragraph shall be in addition to any other rights or remedies it may have under the Owner Loan Agreement and any other loan documents executed in connection therewith ("Loan Documents"), at law or in equity, to enforce Maker's obligations under the Loan Documents. At Payee's option during the continuance of any Default, interest shall accrue on the outstanding balance of this Note at a rate equal to the lower of ten percent (10.0%) per annum or the highest annual rate permitted by applicable law ("Default Rate"). For purposes of this Note, the term "Default" shall mean a default in payment of the Note or under the terms of this Note, the Deed of Trust, the Owner Loan Agreement, the City Loan Agreement or any other Loan Document securing or executed in connection with the Note that continues past the expiration of all applicable notice and cure periods. Should the terms of this paragraph IV conflict with the Intercreditor Agreement, the Intercreditor Agreement shall control in all respects.

Notwithstanding anything to the contrary set forth herein or in the City Loan Agreement or any other documents executed in connection with the City Loan, as long as Hunt Capital Partners, LLC (or an affiliate of Hunt Capital Partners, LLC) is the Tax Credit Investor, Payee will not commence (i) foreclosure proceedings with respect to the Project or exercise any other rights or remedies it may have under the Loan Documents, including, but not limited to, accelerating the loan made under the Loan Documents, collecting rents, appoint (or seek appointment of) a receiver or exercising any other rights or remedies under any of the Loan Documents, or (ii) join with any other creditor in commencing any bankruptcy reorganization, arrangement, insolvency or liquidation proceedings with respect to the Borrower (collectively, the "Standstill Restrictions"). The Standstill Restrictions shall only be applicable during the "Tax Credit Compliance Period", as that term is defined in Section 42 of the Internal Revenue Code. The Standstill Restrictions shall not apply to the exercise of any rights or remedies under the Loan Documents by the City of Houston (the "City") pursuant to its rights under the terms of that certain Collateral Assignment of Note and Liens dated _________, 2020 by and between the City and Payee and/or the Loan Documents, including without limitation, any foreclosure proceedings against the Property by the City. The failure to exercise any remedy available to Payee shall not be deemed to be a waiver of any rights or remedies of Payee under this Note or under any of the other Loan Documents, or at law or in equity. No extension of the time for the payment of this Note or any installment due hereunder, made by agreement with any person now or hereafter liable for the payment of this Note, shall operate to release, discharge, modify, change or affect the original liability of Maker under this Note, either in whole or in part, unless Payee specifically, unequivocally and expressly agrees otherwise in writing. This Note may not be changed orally, but only by an agreement in writing signed by the party against whom enforcement of any waiver, change or modification is sought.

VIII. COSTS OF COLLECTION; ATTORNEYS' FEES.

IX. USURY LIMITATIONS.

No provision of the Owner Loan Agreement, this Note, or any instrument securing payment of or relating to the indebtedness, shall require the payment or permit the collection of interest in excess of the Default Rate. If any excess of interest in such respect is herein or in any other instrument provided for, or shall be adjudicated to be so provided for herein or in any other instrument, the provisions of this paragraph shall govern and neither Maker nor any guarantor or endorser of this Note nor their respective heirs, personal representatives, successors, or assigns shall be obligated to pay such interest to the extent it is in excess of the Default Rate. Any fees or other sums that under applicable law are deemed to constitute interest shall be or other sums so deemed interest shall be amortized, prorated, allocated and spread in equal parts over the full stated term of the loan evidenced hereby.

If the maturity of this Note is accelerated for any reason before the due date stated, or in the event of any prepayment by Maker, or in any other event, earned interest may never exceed the Default Rate, computed from the date of disbursement of the loan evidenced hereby until payment, and any unearned interest otherwise payable hereunder that is in excess of the Default Rate shall be cancelled automatically as of the date of the acceleration, prepayment, or other event, and if previously paid, shall at the option of

the holder of this Note be either refunded to Maker or credited on the principal of this Note, provided that, if the holder elects to credit the unearned interest on the principal of this Note, and such unearned interest exceeds the principal balance, the excess shall be refunded to Maker. Any interest computation under this Note and the Owner Loan Agreement shall be at not more than the Default Rate upon the portion of the face amount hereof representing principal that remains unpaid from time to time, it being the intention of the parties hereto to conform strictly to the laws applicable to the loan evidenced by this Note and the Owner Loan Agreement, and should it be held that interest payable under this Note and the Owner Loan Agreement is in excess of the Default Rate, the interest chargeable hereunder shall be reduced to the maximum amount permitted by law.

For purposes of this Note, "Debtor Relief Law" shall mean Title 11 of the United States Code, as now or hereafter in effect, or any other applicable law, domestic or foreign, as now or hereafter in effect, relating to bankruptcy, insolvency, liquidation, receivership, reorganization, arrangement or composition, extension or adjustment of debts or similar laws affecting the rights of creditors.

XVI. LIMITED RECOURSE:

- (a) Notwithstanding anything to the contrary set forth herein, or in the City Loan Agreement, or in any other documents executed in connection with the City Loan, upon the commencement of the Affordability Period, Maker and its Partners, except Guarantor during the effective period of the Guaranty Agreement (if Guarantor is a partner), shall have no personal liability under this Note, the Deed of Trust or the Loan Agreement for the repayment of the indebtedness or for the performance of any other obligations of Maker under the Loan Documents except as set forth below, and Payee's only recourse for the satisfaction of the indebtedness payable under the Loan Documents and the performance of such obligations shall be Payee's exercise of its rights and remedies with respect to the Project, Property and any other collateral held by Payee as security for the indebtedness except as set forth below. This limitation on Maker's liability shall not limit or impair Payee's enforcement of its rights against the Maker for any indebtedness or obligations of Maker under Section 16(b) of below.
- (b) Maker shall be personally liable to Payee for the repayment of a portion of the indebtedness payable under the Loan Documents equal to any loss or damage suffered by Payee as a result of:
 - (i) failure of Maker to pay to Payee upon demand after a Default, all rents, revenues and profits from the operation of the Project to which Payee is entitled under the Deed of Trust and the amount of all security deposits collected by Maker from tenants then in residence, subject to the rights of any senior lender with a first lien deed of trust on the Project;

 - (iv) fraud or any written material misrepresentation by Maker or any officer, agent, director, partner, member or employee of Maker in connection with the application for the Loan, the Loan Documents, or any request by Payee;
 - (v) failure to apply rents, revenues and profits, first, to the payment of reasonable operating expenses (other than property management fees that are not currently payable) and then to debt service amounts due, except that Maker will not be personally liable (i) to the extent that Maker lacks the legal right to direct the disbursement of such sums because of a senior loan deed of trust encumbering the Project, or bankruptcy, receivership or similar judicial proceedings, or (ii) with respect to surplus cash distributed in any calendar year if Maker has paid all operating expenses and debt service amounts due for that calendar year, provided that such distribution does not violate the terms of the City Loan Agreement;
 - (vi) failure of Maker to pay all deductibles required under any of the insurance policies required to be maintained under the Loan Agreement provided that funds are available to pay the deductibles;
 - (vii) the failure of the Maker to complete the construction of the Project by the date required under the Loan Agreement;

- (viii) the failure of the Maker, due to its negligence, fraud, or other purposeful act to qualify the Project as a "qualified low-income housing project" under Section 42(g) of the Code; or
- (ix) Failure of Maker due to its negligence, fraud, or other purposeful act to comply with the Restrictive Covenants executed in connection with the City Loan Agreement.

If at any time any payment received by Payee hereunder shall be deemed by a court of competent jurisdiction to have been a voidable preference or fraudulent conveyance under any Debtor Relief Law (as defined below), then the obligation to make such payment shall survive any cancellation or satisfaction of this Note or return thereof to Payee and shall not be discharged or satisfied with any prior payment thereof or cancellation of this Note, but shall remain a valid and binding obligation enforceable in accordance with the terms and provisions hereof, and such payment shall be immediately due and payable upon demand. For purposes of this Note, "Debtor Relief Law" shall mean Title 11 of the United States Code, as now or hereafter in effect, or any other applicable law, domestic or foreign, as now or hereafter in effect, relating to bankruptcy, insolvency, liquidation, receivership, reorganization, arrangement or composition, extension or adjustment of debts or similar laws affecting the rights of creditors.

This Construction Completion Guaranty ("Guaranty") is made by the undersigned, AVENUE COMMUNITY DEVELOPMENT CORPORATION, a Texas nonprofit corporation (whether one or more, collectively, jointly and severally, hereinafter referred to as "Guarantor"), in favor of THE CITY OF HOUSTON, TEXAS, a home-rule city organized under the laws of the State of Texas ("City"), and is a guarantee of certain obligations of AVENUE COMMUNITY DEVELOPMENT CORPORATION, a Texas nonprofit corporation ("Borrower"), and AVENUE ON 34TH LP., a Texas limited partnership ("Owner"), (Borrower and Owner sometimes herein collectively referred to as "Third Parties").

RECITALS:

WHEREAS, Third Parties have requested that the City enter into a certain Loan Agreement ("Agreement") of substantially even date herewith, by and between Borrower, Owner and the City, pursuant to which the City is being requested to lend to Borrower an amount not to exceed NINE MILLION NINETY THOUSAND AND NO/100 DOLLARS (\$9,090,000.00) ("Loan") to pay for eligible costs in connection with the new construction of a 70 unit apartment complex (collectively, the "Improvements") upon certain real property owned by Owner and located in Harris County, Texas ("Premises") (the Premises and the Improvements are hereinafter referred collectively to from time to time as, the "Project");

WHEREAS, Borrower's obligations to the City are evidenced by a certain Note executed by Borrower ("Note") of even date herewith and are secured, in part, by a certain Collateral Assignment of Note and Liens executed by Borrower assigning Borrower's right, title and interest in and to a loan made by Borrower to Owner in the maximum principal amount of the Loan, together with a Deed of Trust, Security Agreement and Financing Statement ("Deed of Trust") covering the Project, certain other security documents, and all of the documents evidencing, securing, guaranteeing or governing the Loan, are sometimes referred to collectively as the "Loan Documents"); and

WHEREAS, the City is unwilling to enter into the Agreement and to make the Loan unless Guarantor delivers this Guaranty to the City.

NOW, THEREFORE, in consideration of the foregoing and in order to induce the City to enter into the Agreement and to make the Loan to Borrower subject to the terms and conditions of the Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and further acknowledging that the City intends to rely on the guaranty of Guarantor hereunder, Guarantor hereby agrees as follows:

- OBLIGATIONS GUARANTEED. In consideration of the City entering into the Agreement and agreeing to make the Loan, and upon the terms and provisions hereof, Guarantor hereby irrevocably, jointly and severally, absolutely and unconditionally warrants and guarantees to the City the payment and performance of the following (the "Guaranteed Obligations"), when due, whether by their terms, by acceleration, or otherwise: (a) that Third Parties shall cause construction of the Project to be completed on or before the Completion Date, which shall be eighteen (18) months after the Closing of the Loan (as defined in the Agreement), subject to extensions not to exceed sixty (60) days in the aggregate for events of Force Majeure or (ii) the expiration date of the GLO Contract (as defined in the Agreement and construction shall be commenced within thirty (30) days after Closing, with time being of the essence for both deadlines; (b) that Third Parties shall cause the Project to be constructed and completed in accordance with the Loan Documents and all requirements of any governmental authority without deviation unless approved by the City, in writing, or specifically permitted by applicable provisions of the Agreement; (c) that Third Parties shall cause the Project to be constructed and completed free and clear of all liens other than those in favor of the Borrower (as collaterally assigned to City), Senior Lender, or as otherwise specifically permitted under the terms of the Deed of Trust; (d) that Owner shall strictly comply with the environmental covenants, representations and warranties contained in the Deed of Trust and (e) that Third Parties shall cause all costs of constructing the Project, including, but not limited to, all debt service and all operating deficits, to be paid when due, including without limitation, all costs in excess of those set forth in the Preliminary Project Budget (as defined in the Agreement) whether resulting from: (i) change orders; (ii) delays in obtaining any approvals from any governmental authority that are required for the construction, use, or occupancy of the Project (collectively, the "Approvals"); or (iii) otherwise. Guarantor further guarantees the payment and performance of the Guaranteed Obligations whether or not the same arise during or after the time that Owner is the owner of the Premises, whether subsequent owners of the Premises acquire the Premises by voluntary or involuntary means, by foreclosure or deed in lieu of foreclosure, or otherwise and notwithstanding that other persons or entities may be the subsequent owners of the Premises.
- 3. <u>CONSIDERATION</u>. Guarantor acknowledges that Guarantor has made this Guaranty to induce the City to make advances to Borrower of the Loan and that the City is making such advances to Borrower in reliance upon this Guaranty and would not make such advances without the appropriate execution and delivery of this Guaranty.

Guarantor represents and warrants to the City that Guarantor has a financial interest in Third Parties and will receive substantial economic benefit by reason of the City extending the Loan to Borrower, provided, however, that Guarantor's liability hereunder shall not be affected or impaired by such Guarantor's disposition or loss of its financial interest in Third Parties or by reason of the City's refusal in accordance with the terms of the Loan Documents to make Loan advances to Borrower.

OBLIGATIONS OF GUARANTOR UPON DEFAULT. If a Default exists that is a failure by any party to pay or to perform any part of the Guaranteed Obligations when due, Guarantor shall, within [CONFIRM: ten (10) business days] after written demand of the City to Guarantor (a) cure such failure to pay and/or commence to perform diligently, continuously and in good faith the applicable part of the Guaranteed Obligations and complete same in the time frames required under the Loan Documents; (b) diligently procure completion of the Project at Guarantor's sole cost and expense and in the time frames required under the Loan Documents; (c) fully pay and discharge all claims, including for labor performed and material and services furnished in connection with the construction of the Project, subject to the provisions of the Loan Documents, including the right thereunder to contest such claims; and (d) pay the City (x) all reasonable attorneys' fees and other costs the City incurs in enforcing the performance or the payment of the Guaranteed Obligations, with interest at the Default Rate (as defined in the Note), and/or (y) any and all sums the City has advanced to satisfy portions of the Guaranteed Obligations pursuant to the Agreement. The City agrees that: (i) in the event that and so long as Guarantor is not in default of the terms, conditions, provisions, and obligations hereunder beyond applicable grace periods; (ii) in the event that and so long as Guarantor is timely paying or performing the Guaranteed Obligations as required herein based on the written request of the City and without the requirement of any legal proceeding to enforce the

same; and (iii) after Guarantor commences and diligently and continuously continues, in good faith, to pay or perform a portion of the Guaranteed Obligations after written request of the City and Guarantor has provided the City with evidence satisfactory to the City that such Guaranteed Obligations are being timely performed, lien-free (or bonded around) and in strict accordance with the Loan Documents, there is no further Default by Third Parties under the Agreement or the other Loan Documents or failure by Guarantor in payment or performance of the Guaranteed Obligations hereunder, the City shall continue to advance any Loan funds then available pursuant to the provisions of the Agreement as if no Default had occurred and shall not institute foreclosure proceedings under the Deed of Trust or charge interest at the rate under the Note during the period after which Guarantor first pays or performs a portion of the Guaranteed Obligations (which portion is sufficient to the City to evidence that the Guaranteed Obligations will be timely completed in strict accordance with the Loan Documents) after written request of the City and prior to the date that one of the conditions described in items (i), (ii), and (iii) is no longer met. It is expressly understood and agreed that the City may institute such foreclosure proceedings and/or charge interest at the Default Rate under the Note, notwithstanding Guarantor's compliance and timely performance hereunder, should any Default exist that is not cured promptly after: (a) receipt by Guarantor of notice thereof, or (b) a demand by the City to Guarantor pursuant to this Section 4. ANYTHING IN THIS GUARANTY TO THE CONTRARY NOTWITHSTANDING, GUARANTOR FURTHER AGREES TO INDEMNIFY AND HOLD HARMLESS THE CITY AGAINST ANY LOSS, DAMAGE, COST OR EXPENSE (INCLUDING WITHOUT LIMITATION, REASONABLE ATTORNEYS' FEES AND COSTS) THAT THE CITY MAY SUFFER OR INCUR BY REASON OF THE BREACH OR FAILURE OF GUARANTOR'S UNDERTAKINGS AND AGREEMENTS PURSUANT TO THIS GUARANTY.

- 5. <u>TERMINATION</u>. The obligations of Guarantor hereunder shall terminate on the Completion Date as defined herein.
- 6. <u>CONTINUING GUARANTY</u>. This is a continuing Guaranty, and shall apply to and cover all of the Guaranteed Obligations and all renewals and extensions thereof until the termination date of Guarantor's obligations hereunder as established pursuant to Section 5 hereof
- 7. INDEPENDENT OBLIGATION; BANKRUPTCY OF BORROWER OR OWNER. The obligations of Guarantor hereunder are independent of the obligations of Third Parties, or any other person; and the City may enforce any of the City's rights hereunder independently of any other right or remedy that the City may at any time hold with respect to the Guaranteed Obligations or any security or other guaranty therefor. Without limiting the generality of the foregoing, the City may bring a separate action against Guarantor without first proceeding against Third Parties, any other guarantor or any other person, or any security held by the City, and regardless of whether Third Parties or any other guarantor or any other Person is joined in any such action. The City's rights hereunder shall not be exhausted by any action taken by the City until all Guaranteed Obligations have been fully paid and performed or until the obligations of Guarantor hereunder terminate pursuant to Section 5 hereof.

The liability of Guarantor hereunder shall be reinstated and revived, and the rights of the City shall continue, with respect to any amount at any time paid on account of the Guaranteed Obligations that shall thereafter be required to be restored or returned by the City upon the bankruptcy, insolvency, or reorganization of Third Parties, any other guarantor or any other person liable for the Guaranteed Obligations, or otherwise, all as though such amount had not been paid. In any bankruptcy or other proceeding in which the filing of claims is required by law, Guarantor shall file all claims which Guarantor may have against Borrower and/or Owner relating to any indebtedness of Borrower and/or Owner to Guarantor and shall assign to the City all rights of Guarantor thereunder. If Guarantor does not file any such claim, the City, as attorney-in-fact for Guarantor, is hereby authorized to do so in the name of Guarantor or, in the City's sole discretion, to assign the claim to a nominee and to cause proof of claim to be filed in the name of the City's nominee. The foregoing power of attorney is coupled with an interest and cannot be revoked. The City or its nominee shall have the right, in its reasonable discretion, to accept or reject any plan proposed in such proceeding and to take any other action which a party filing a claim is entitled to do. In all such cases, whether in administration, bankruptcy or otherwise, the person or persons authorized to pay such claim shall pay to the City the amount payable on such claim and, to the full extent necessary for that purpose, Guarantor hereby assigns to the City all of Guarantor's rights to any such payments or distributions; provided, however, Guarantor's obligations hereunder shall not be satisfied except to the extent that the City receives cash by reason of any such payment or distribution. If the City

receives anything hereunder other than cash, the same shall be held as collateral for amounts due under this Guaranty. If all or any portion of the obligations guaranteed hereunder are paid or performed, the obligations of Guarantor hereunder shall continue and shall remain in full force and effect in the event that all or any part of such payment or performance is avoided or recovered directly or indirectly from the City as a preference, fraudulent transfer or otherwise under the Bankruptcy Code or other similar laws, irrespective of (a) any notice of revocation given by Guarantor prior to such avoidance or recovery, or (b) full payment and performance of all of the indebtedness and obligations evidenced and secured by the Loan Documents.

8. WAIVER. Guarantor hereby waives: (a) any defense based upon any legal disability or other defense of Borrower, any other guarantor or other person, or by reason of the cessation or limitation of the liability of Borrower or Owner from any cause other than full payment and performance of those obligations of Borrower or Owner which are guaranteed hereunder; (b) any defense based upon any lack of authority of the officers, directors, partners, managers, members or agents acting or purporting to act on behalf of Borrower, Owner or any principal of Borrower or Owner or any defect in the formation of Borrower or Owner or any principal of Borrower or Owner; (c) any defense based upon the application by Borrower of the proceeds of the Loan for purposes other than the purposes represented by Borrower to the City or intended or understood by the City or Guarantor; (d) any and all rights and defenses arising out of an election of remedies by the City, even though that election of remedies has destroyed Guarantor's rights of subrogation or reimbursement against the principal; (e) any defense based upon the City's failure to disclose to Guarantor any information concerning Borrower's financial condition or any other circumstances bearing on Borrower's ability to pay and perform its obligations under the Note or any of the other Loan Documents or upon the failure of any other principals of Borrower to guaranty the Loan; (f) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in any other respects more burdensome than that of a principal; (g) any defense based upon the City's election, in any proceeding instituted under the Federal Bankruptcy Code, of the application of Section 1111(b)(2) of the Federal Bankruptcy Code or any successor statute; (h) any defense based upon any borrowing or any grant of a security interest under Section 364 of the Federal Bankruptcy Code; (i) any right of subrogation, any right to enforce any remedy which the City may have against Borrower or Owner and any right to participate in, or benefit from, any security for the Note or the other Loan Documents now or hereafter held by the City; (j) presentment, demand, protest and notice of any kind including notice of acceptance of this Guaranty; (k) the benefit of any statute of limitations affecting the liability of Guarantor hereunder or the enforcement hereof; (I) any right to require the City to institute suit or exhaust remedies against Borrower or others liable for any of such indebtedness, to enforce the City's rights against any collateral which shall have been given to secure the Loan, to enforce the City's rights against any other guarantors of such indebtedness, to join Borrower or any others liable on such indebtedness in any action seeking to enforce this Guaranty, to resort to any other means of obtaining payment of such indebtedness; (m) notices of disbursement of Loan proceeds, acceptance hereof, proof of non-payment, default under any Loan Document, notices and demands of any kind (it being Guarantor's and the City's intent that Guarantor shall not be considered a "debtor" in accordance with Section 9.102 of the Texas Business and Commerce Code, as now existing or hereafter amended); (n) the invalidity, illegality or unenforceability of all or any portion of the indebtedness guaranteed hereby or any of the Loan Documents for any reason whatsoever, including that interest on such indebtedness violates applicable usury laws, that Borrower or others liable for all or a portion thereof have valid defenses, claims or offsets to all or a portion of such indebtedness, or that the Note or other Loan Documents have been forged or otherwise are irregular or not genuine or authentic (it being agreed that Guarantor shall remain liable under this Guaranty regardless of whether Borrower or any other person shall be found not liable for repayment of all or a portion of such indebtedness); (o) notice of any advances made or credit extended to Borrower on the faith of this Guaranty and of the execution and delivery by Third Parties of any documents evidencing, securing, or pertaining to the Guaranteed Obligations; (p) notice of, and the right to consent to, the City's assignment of the benefits of this Guaranty; and (q) any and all benefits that might otherwise be available to Guarantor under applicable law. Guarantor further waives any and all rights and defenses that Guarantor may have because Borrower's debt is secured by real property; this means, among other things, that: (1) the City may collect from Guarantor without first foreclosing on any real or personal property collateral pledged by Borrower or Owner; (2) if the City forecloses on any real property collateral pledged by Borrower or Owner, then (A) the amount of the debt may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price, and (B) the City may collect from Guarantor even if the City, by foreclosing on the real property collateral, has destroyed any right Guarantor may have to

collect from Borrower or Owner. The foregoing sentence is an unconditional and irrevocable waiver of any rights and defenses Guarantor may have because Borrower's debt is secured by real property. These rights and defenses being waived by Guarantor include, but are not limited to, any rights or defenses based upon deficiency limitation, anti-deficiency, redemption or other similar rights. Without limiting the generality of the foregoing or any other provision hereof, Guarantor further expressly waives to the extent permitted by law any and all rights and defenses, including without limitation, any rights of subrogation, reimbursement, indemnification and contribution, and which might otherwise be available to Guarantor under Texas Property Code §§ 51.003, 51.004 and 51.005 or otherwise.

In addition, Guarantor agrees that the performance of any act or any payment which tolls any statute of limitations applicable to the Loan Documents shall similarly operate to toll the statute of limitations applicable to Guarantor's liability hereunder. Finally, Guarantor waives any rights and defenses it may have under Section 17.001 of the Texas Civil Practice & Remedies Code, Rule 31 of the Texas Rules of Civil Procedure, and Chapter 34 of the Texas Business & Commerce Code.

- 9. **GUARANTY UNIMPAIRED BY SUBSEQUENT EVENTS.** Except as otherwise provided herein, Guarantor hereby expressly waives the right to receive notice of, to consent to, or receive any additional consideration on account of any of the following, and Guarantor hereby agrees that its obligations under this Guaranty shall not be released, diminished, impaired, reduced, or otherwise affected by the occurrence of any of the following events (or the fact that any of such events have occurred):
 - (a) The amendment, renewal, extension, restatement, or assignment of any part or all of the Guaranteed Obligations or any of the plans and specifications, the Loan Documents, or other documents evidencing, securing, or pertaining thereto, or any other forbearance or agreement by the City to accept a deferred payment or performance of any Guaranteed Obligations; and
 - (b) The cancellation of any part of the Guaranteed Obligations or the release of Borrower, Guarantor, or any other Person from liability for all or any part of the Guaranteed Obligations; it being acknowledged and agreed by Guarantor that Guarantor may be required to pay or perform the Guaranteed Obligations in full without the assistance or support of any other party, and no Guarantor has been induced to enter into this Guaranty on the basis of any contemplation, belief, understanding, or agreement that any other party shall at all times be liable to pay or perform the Guaranteed Obligations or that the City shall look to other parties to pay or perform the Guaranteed Obligations.
- at any time and from time to time without notice and without affecting the liability of Guarantor hereunder, to: (a) alter the terms of all or any part of the Guaranteed Obligations and any security and guaranties therefor, including without limitation modification of times for payment and rates of interest; (b) accept new or additional instruments, documents, agreements, security, or guaranties in connection with all or any part of the Guaranteed Obligations; (c) accept partial payments on the Guaranteed Obligations; (d) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate, and enforce all or any part of the Guaranteed Obligations and any security or guaranties therefor, and apply any such security and direct the order or manner of sale thereof (and bid and purchase at any such sale), as the City, in the City's sole discretion, may determine; (e) release Borrower or Owner, any Guarantor, and/or any other Person from any personal liability with respect to all or any part of the Guaranteed Obligations; and (f) assign this Guaranty in whole or in part to a person or entity that becomes the holder or owner of the Note.
- Borrower and Owner or, during the existence of a Default, by any other guarantor of the Loan, to Guarantor to the obligations at any time owing by Borrower and Owner to the City under the Note and the other Loan Documents. Guarantor assigns all such indebtedness to the City as security for this Guaranty, the Note and the other Loan Documents. Guarantor agrees to make no claim for such indebtedness until all obligations of Borrower or Owner under the Note and the other Loan Documents have been fully discharged. Guarantor further agrees not to assign all or any part of such indebtedness unless the City is given prior notice and such assignment is expressly made subject to the terms of this Guaranty. If the City

so requests, (a) all instruments evidencing such indebtedness shall be duly endorsed and delivered to the City, (b) all security for such indebtedness shall be duly assigned and delivered to the City, (c) such indebtedness shall be enforced, collected and held by Guarantor as trustee for the City and shall be paid over to the City on account of the Loan but without reducing or affecting in any manner the liability of Guarantor under the other provisions of this Guaranty, and (d) Guarantor shall execute, file and record such documents and instruments and take such other action as the City deems necessary or appropriate to perfect, preserve and enforce the City's rights in and to such indebtedness and any security therefor. If Guarantor fails to take such action, the City, as attorney-in-fact for Guarantor, is hereby authorized to do so in the name of Guarantor. The foregoing power of attorney is coupled with an interest and cannot be revoked.

12. MISCELLANEOUS PROVISIONS.

- (a) Costs of Enforcement. If the City incurs any reasonable attorney's fees or costs in enforcing or defending any provisions of this Guaranty and is the prevailing party with respect to the same or incurs any costs in collecting any amounts due hereunder, with or without the hiring of an attorney or the filing of any legal action or proceeding, Guarantor shall pay to the City, promptly upon demand, all such costs and the amount of all reasonable attorneys' fees incurred. Guarantor also agrees to pay interest at the Default Rate on the amount of any other payment it is required to make hereunder that it fails to make when due.
- (b) <u>Binding Effect</u>. This Guaranty and all the terms, provisions, and conditions hereof shall be binding upon Guarantor and Guarantor's heirs, legal representatives, successors, and assigns, and this Guaranty shall inure to the benefit of the City and its successors and assigns and all subsequent holders of the Guaranteed Obligations.
- (c) <u>Governing Law.</u> This Guaranty shall be governed by, and construed in accordance with, the laws of the State of Texas.
- (d) No Waiver. Any failure by the City to insist, or any election by the City not to insist, upon strict performance by Guarantor of any of the terms, provisions, or conditions of this Guaranty shall not be deemed to be a waiver of the same or of any other terms, provisions, or conditions thereof; and the City shall have the right at any time or times thereafter to insist upon strict performance by Guarantor of any and all of such terms, provisions, and conditions.
- (e) <u>Counterparts</u>. This Guaranty may be executed by the parties hereto separately in any number of counterparts, each of which shall be an original and all of which collectively shall constitute one and the same agreement.
- (f) Nature of Guaranty. The obligations, covenants, agreements and duties of each Guarantor under this Guaranty Agreement shall be joint and several with Third Parties and each other Guarantor, shall be irrevocable, absolute and unconditional, shall remain in full force and effect until the Completion Date or full satisfaction of Guarantor's obligations under this Guaranty Agreement, and shall in no way be affected or impaired by reason of the happening from time to time of any other event.
- (g) No Remedy Exclusive. No remedy conferred upon or reserved to the City herein is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Guaranty or any instrument executed by any Guarantor to secure this Guaranty or in connection herewith, or now or hereafter existing at law or in equity.
- (h) <u>Jury Waiver</u>. GUARANTOR ACKNOWLEDGES THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED, GUARANTOR, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF ITS CHOICE, KNOWINGLY AND VOLUNTARILY, AND FOR ITS BENEFIT, WAIVES

INTERCREDITOR AGREEMENT

INTERCREDITOR AGREEMENT

COUNTY OF HARRIS

WHEREAS, HOUSTON HOUSING FINANCE CORPORATION, a Texas public, non-profit corporation of the State of Texas, as Issuer (the "Issuer") has made a loan to AVENUE ON 34TH, LP, a Texas limited partnership ("Owner"), in the principal amount of TWELVE MILLION AND NO/100 DOLLARS (\$12,000,000.00) ("Senior Loan") for the purpose of financing a portion of the costs to construct multifamily affordable housing located at 2136 W. 34th Street, Houston, Harris County, Texas 77018, as more particularly described in Exhibit A attached hereto and incorporated herein ("Property"), as evidenced by a certain promissory note, executed by Owner, of even date herewith ("Senior Lien Note") upon the terms and conditions of a Financing Agreement dated ("Senior Loan Agreement") among Issuer, ZIONS BANCORPORATION, N.A. d/b/a AMEGY BANK ("Bondowner Representative"), and Owner, and secured by a certain Construction and Permanent Deed of Trust, Security Agreement, Assignment of Leases and Rents and Fixture Filing, executed by Owner, covering the Property, and which has been or will be recorded in the Real Property Records of Harris County, Texas ("Senior DOT"). The Senior DOT, together with the Senior Lien Note, the Senior Loan Agreement, and all other documents evidencing, securing, guaranteeing or otherwise pertaining to the Senior Loan, including, without limitation, any express or implied vendor's lien retained in connection with the transfer of the Property to Owner or other equitable lien, collectively, the "Senior Lien Loan Documents";

WHEREAS, the Senior Lien Note has been assigned by the Issuer to ZIONS BANCORPORATION, NATIONAL ASSOCIATION, a national banking association (the "Trustee"), for the benefit of the Bondowner Representative as security for the Issuer's Multifamily Housing Revenue Bonds (Avenue on 34th Apartments Project) Series 2020 (the "Bonds") issued pursuant to the Indenture of Trust between (the "Trust Indenture") Issuer and Trustee and purchased by Bondowner Representative;

WHEREAS, the Issuer, the Bondowner Representative, and the Trustee are collectively (and sometimes, individually, as the context may require) referred to herein as the "Senior Lender"; however, each of the Issuer, Bondowner Representative and Trustee is making the agreements, covenants,

representations and warranties hereunder on its own behalf only and not on behalf of any other entity comprising the definition of "Senior Lender";

WHEREAS, under the terms of the Trust Indenture, the right to hold and administer the Senior Lien Loan Documents has been assigned by the Issuer to the Trustee, and the Bondowner Representative, as the holder of the Bonds, is the sole and exclusive party authorized to instruct the Trustee with respect to the administration of the Senior Loan;

WHEREAS, a condition of the Senior Loan is the execution by Issuer, Trustee and Owner of a Regulatory Agreement and Declaration of Restrictive Covenants (together with all renewals, modifications, consolidations, replacements and extensions thereof "Regulatory Agreement");

WHEREAS, in accordance with the terms of the Loan Agreement dated on or about even date herewith ("Subordinate City Loan Agreement"), THE CITY OF HOUSTON ("City") has made a loan ("City Loan") to AVENUE COMMUNITY DEVELOPMENT CORPORATION, a Texas nonprofit corporation ("Borrower") in the original principal amount of NINE MILLION NINETY THOUSAND AND NO/100 DOLLARS (\$9,090,000.00), and which Borrower will then lend the proceeds of the City Loan to Owner ("Subordinate Owner Loan"; collectively with the City Loan, the "Subordinate Loans") for the purpose of financing a portion of the costs to acquire and/or construct the improvements to the Property, and secured by a certain Deed of Trust, Security Agreement and Financing Statement, covering the Property, and which has been or will be recorded in the Official Public Records of Real Property of Harris County, Texas ("Subordinate DOT"). The Subordinate Owner Loan and all notes, documents, or instruments securing or evidencing the Subordinate Owner Loan, including the Subordinate DOT securing the Subordinate Owner Loan, have been collaterally assigned to the City pursuant to a Collateral Assignment of Note and Liens dated on or about even date herewith from the Borrower to the City ("Subordinate Collateral Assignment"). The Subordinate DOT, the Subordinate Collateral Assignment, and all documents evidencing, securing, quaranteeing or evidencing the Subordinate Loans, including without limitation the Subordinate City Loan Agreement, are collectively referred to herein as the "Subordinate Lien Loan Documents");

WHEREAS, the Property is encumbered (or will be encumbered) by that certain Restrictive Covenants executed (or to be executed) by Owner for the benefit of the City (together with all renewals, modifications, consolidations, replacements and extensions thereof, collectively, the "LURA").

3 ATTACHMENT I **AVENUE ON 34TH**

WHEREAS, pursuant to the Subordinate City Loan Agreement, the City has required that Borrower and Owner, as a condition to Borrower's right to receive the City Loan, obtain Senior Lender's consent and agreement to the terms and conditions thereof.

NOW, THEREFORE, for and in consideration of the City's extension of credit to Borrower evidenced by the City Loan, of the mutual promises, covenants and agreements contained herein, and in satisfaction of certain requirements set forth in the Subordinate City Loan Agreement, Senior Lender, Borrower, Owner and the City hereby agree, covenant, represent and warrant as follows:

Article I. Consents by Senior Lender. Senior Lender hereby consents to the execution, delivery, and performance of the Subordinate Lien Loan Documents and the recording of the Subordinate DOT and any other Subordinate Lien Loan Documents (to the extent applicable) in the Official Public Records of Real Property of Harris County, Texas.

Article II. Representations.

Section 2.01 By Senior Lender. Senior Lender hereby represents and warrants to the City that, as of the date hereof:

- (a) None of the Senior Lien Loan Documents have been altered or amended from and after the date of execution.
- (b) The Senior DOT secures only the indebtedness evidenced by the Senior Lien Note and obligations arising under the Senior Lien Loan Documents relating to the Property and the Senior Lien Note.
 - (c) [RESERVED].
- (d) Senior Lender has all necessary power and authority to execute, deliver, and perform its obligations under this Agreement.
- (e) All action on the part of Senior Lender that is required for the authorization, execution, delivery, and performance of this Agreement has been duly and effectively taken.
- (f) This Agreement has been duly executed and delivered by each applicable Senior Lender and constitutes the legal, valid, and binding obligations of such Senior Lender, enforceable against such Senior Lender in accordance with the terms hereof, except as such enforceability (i) may be limited by applicable bankruptcy,

insolvency, reorganization, moratorium, and other laws affecting the enforcement of creditors' rights and remedies generally, and (ii) is subject to general principles of equity.

As of the date hereof, Senior Lender has no actual knowledge of a Default or an Event of Default (as such terms are used in the Senior Lien Loan Documents) existing under the Senior Lien Loan Documents.

Section 2.02 By Borrower and Owner. Borrower and Owner each represents and warrants to Senior Lender and the City that:

- Each of Borrower and Owner has all necessary power and authority to execute, deliver, and perform its obligations under this Agreement.
- (b) All action on the part of Borrower and Owner that is required for the authorization, execution, delivery, and performance of this Agreement has been duly and effectively taken.
- This Agreement has been duly executed and delivered by (C) Borrower and Owner and constitutes the legal, valid, and binding obligation of Borrower and Owner, enforceable against Borrower and Owner in accordance with the terms hereof, except as such enforceability (i) may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other laws affecting the enforcement of creditors' rights and remedies generally, and (ii) is subject to general principles of equity.
- As of the date hereof, no Default or Event of Default (as such terms are used in the Senior Lien Loan Documents), or any facts or circumstances which with the passage of time or giving of notice or both could result in the occurrence of a Default or an Event of Default (as such terms are used in the Senior Lien Loan Documents), exist under the Senior Lien Loan Documents, the Subordinate Lien Loan Documents or the LURA.

ATTACHMENT I

Article III. Agreements by Borrower and Owner. Borrower and Owner agree that Senior Lender and the City may share information that each may acquire with respect to Borrower, Owner, or the Property and consent to the transfer of such information, whether financial or otherwise, between them, without having

to obtain Borrower's and/or Owner's consent. The Subordinate Lien Loan Documents are now and shall at all times be subject, subordinate and inferior to the lien, operation, and effect of the Senior Lien Documents. Article IV. Agreements by Senior Lender. Senior Lender agrees that so long as the Subordinate Loans are outstanding:

Section 4.01 The City, the Owner, and/or and Borrower may from time-to-time enter into modifications, renewals, extensions, and replacements of the Subordinate Loans and the Subordinate Lien Loan Documents without the further consent of Senior Lender so long as such agreements recite that they are, and shall be at all times, subject to the terms of this Agreement and so long as those agreements do not increase the amount of the periodic installments due under the Subordinate Loans or increase the interest rate. Unless and until all of the Senior Loan is fully paid and satisfied and the obligations of the applicable Senior Lender to make any further loans or advances to the Owner under the Senior Lien Loan Documents have ceased and terminated, the City will not (and will not permit Borrower or Owner to) without the consent of Senior Lender, take any additional collateral for the Subordinate Loans; provided, however, the preceding shall not alter or limit the rights of the City under Section 4.06.

Section 4.02 The applicable Senior Lender shall not make any further advances to Borrower which are secured by the Senior DOT, except as provided for in the Senior Lien Loan Documents relating to the construction, development, operation and/or protection, preservation, and maintenance of the Property, including repairs, taxes, insurance, and legal fees and other expenses of collection or defense of Senior Lender's lien or the security therefor.

Section 4.03 Any provision in the Senior DOT that purports to secure "other indebtedness" that is unrelated to the Senior Lien Note, the Senior Lien Loan Documents, and the Property shall be ineffective as against the City, and the Subordinate DOT and other Subordinate Lien Loan Documents shall have priority over any such "other indebtedness."

Senior Lender shall not amend the Senior Lien Loan Documents without the City's Section 4.04 prior written consent (which consent shall not be unreasonably withheld) if such amendment will have the effect of (i) increasing the principal amount of the Senior Loan or any amounts payable by Borrower to any Senior Lender except as otherwise provided under Section 4.02, (ii) increasing the rate of interest or changing the method of calculation of interest thereon, (iii) except as a result of extension of the construction term maturity as provided in Senior Lien Loan Documents, amending the amortization or term

thereof, (iv) except as specifically contemplated by the terms of the Senior Lien Loan Documents, increasing or decreasing the monthly payments or escrows for taxes, insurance, and other reserves, or (v) except for reallocations permitted by the terms of the Senior Lien Loan Documents, amending the construction budget, plans, or construction contracts relating to construction of the improvements on the Property. Subject to this Section 4.04, Senior Lender may otherwise amend the Senior Lien Loan Documents without the City's prior written consent.

Section 4.05 In the event of any casualty or condemnation resulting in insurance or condemnation proceeds being paid to the applicable Senior Lender under the Senior Lien Loan Documents for application to the payment of obligations secured by the Senior DOT, unless the proceeds are used for repair or restoration in accordance with the Senior Lien Loan Documents, then the applicable Senior Lender under the Senior Lien Loan Documents will remit all proceeds in excess of the portion thereof applied to the repayment of the Senior Loan to the City, to be distributed in accordance with the provisions of the Subordinate Lien Loan Documents

Section 4.06 If a default shall occur under or with respect to a Subordinate Loan, and is continuing, the City and/or the Borrower (as applicable) each agrees that, unless and until City and/or Borrower has given the Senior Lender at least 60 days' prior written notice they will not (i) commence foreclosure proceedings with respect to the Property or any other collateral described in the Subordinate Lien Loan Documents or the Subordinate Lien Loan Documents; (ii) bring suit for collection of the Subordinate Loans (or either of them), but nothing herein shall preclude filling of a proof of claim in the case of a bankruptcy filling; (iii) attempt to collect rents; or (iv) appoint or seek the appointment of a receiver or exercising any other possessory rights or remedies thereunder; provided further, however, the City and/or Borrower (as applicable) shall be entitled to exercise and enforce all other rights and remedies available to the City under the Subordinate Lien Loan Documents and/or under applicable laws.

Section 4.07 Subject to the foregoing in Section 4.05, Section 4.06 and Section 5.02 below, the exercise by the City and/or the Borrower of any of their rights in and to any and all collateral for the Subordinate Loans, including, without limitation, any Remedies Exercise (defined below), shall not constitute a default under the Senior Lien Loan Documents. A "Remedies Exercise" shall mean (i) a foreclosure sale of the Property to the City and/or the Borrower, or any of their affiliates, or a third party, (ii) a conveyance to the City and/or the Borrower, or any of their affiliates pursuant to a deed-in-lieu of foreclosure, or (iii) a sale

of the Property by the City and/or the Borrower, or any of their affiliates, if the City and/or the Borrower, or any of their affiliates is the purchaser at a foreclosure sale or obtains the Property through a deed-in-lieu of foreclosure.

Section 4.08 Any Remedies Exercise in the Property shall be subject to the Senior Lien Loan Documents. Any purchaser of any part of the Property pursuant to a Remedies Exercise shall take such portion of the Property subject to the Senior Lien Loan Documents without objection by Senior Lender and without payment of any assumption fee.

Article V. <u>Defaults, Notice, and Cure Rights</u>. The parties agree that:

Section 5.01 The occurrence of a Default or an Event of Default (as such terms are used in the Senior Lien Loan Documents) under the Senior Lien Loan Documents shall constitute a Default or an Event of Default (as such terms are used in the Subordinate Lien Loan Documents) under the Subordinate Lien Loan Documents.

Section 5.02 The occurrence of a Default or an Event of Default (as such terms are used in the Subordinate Lien Loan Documents) under the Subordinate Lien Loan Documents shall not, in and of itself, constitute a Default or an Event of Default (as such terms are used in the Senior Lien Loan Documents) under the Senior Lien Loan Documents.

Section 5.03 The applicable Senior Lender under the Senior Lien Loan Documents shall provide the City with copies of all written notices which are sent by that Senior Lender to Owner relating to defaults or exercise of remedies by that Senior Lender under the Senior Lien Loan Documents (including notices of default and notices of intention to exercise remedies under the Senior Lien Loan Documents), simultaneously with the sending of such notices to Owner.

Section 5.04 The City shall have the right, but not the obligation, to cure any monetary default by Owner under the Senior Lien Loan Documents at any time on or before the later to occur of (i) the thirtieth (30th) day following receipt by the City of written notice of a monetary default under the Senior Lien Loan Documents or (ii) five (5) calendar days following the expiration of any grace, notice, or cure period available to Owner for any monetary default under the Senior Lien Loan Documents ("Monetary Cure Period"). The City shall have the right, but not the obligation, to cure any non-monetary default by Owner under the Senior Lien Loan Documents at any time on or before the later to occur of (i) the sixtieth (60th) day following receipt by the City of written notice of a non-monetary default under the Senior Lien

Loan documents or (ii) five (5) calendar days following the expiration of any grace, notice, or cure period available to Owner for any non-monetary default under the Senior Lien Loan Documents ("Non-Monetary Cure Period").

Section 5.05 The applicable Senior Lender shall not accelerate the Senior Loan, or exercise any remedies under the Senior Lien Loan Documents, unless the City fails to cure such defaults prior to the expiration of the Monetary Cure Period or the Non-Monetary Cure Period, as the case may be, and if any portion of the Senior Loan has previously been or is thereafter accelerated, then the applicable Senior Lender shall reinstate the Senior Loan in accordance with its original terms, upon the cure of the defaults under the Senior Lien Documents within the Monetary Cure Period or the Non-Monetary Cure Period, as the case may be.

Section 5.06 The City and the Borrower (as applicable) shall provide Senior Lender with copies of any notices of intention to exercise any remedies under the Subordinate Lien Loan Documents, simultaneously with the sending of such notices to Borrower.

Section 5.07 The City shall have the right, but not the obligation, in lieu of curing any default under the Senior Lien Loan Documents, to purchase the Senior Loan, by paying the outstanding principal amount thereof, plus all accrued and unpaid interest thereon, together with reasonable expenses incurred by any Senior Lender in connection therewith (including reasonable attorneys' fees), in exchange for assignments, on forms approved by the Senior Lender, of the Senior Lien Loan Documents (including, without limitation, to the extent permitted by applicable law or regulation, the original title insurance policies for the Senior DOT and the original Senior Lien Note, all endorsed to the City or its designee), without recourse or warranty and pursuant to which the City shall release the Senior Lender, from all claims and other liabilities of the City relating to the Senior Loan as required by the Senior Lender.

Article VI. <u>Escrow Accounts</u>. Pursuant to the Senior Lien Loan Documents, the applicable Senior Lender may require Owner to escrow amounts for the payment of taxes and insurance with respect to the Property ("Escrow Accounts"). If the applicable Senior Lender requires such Escrow Accounts, then that Senior Lender agrees to use (or cause to be used) such amounts to pay such taxes and insurance as they become due and will not apply such amounts to the Senior Loan except after foreclosure of the Senior Loan. If the applicable Senior Lender does not require Owner to maintain Escrow Accounts, the City may

require (but shall not be obligated to do so) Owner and/or Borrower to maintain Escrow Accounts and to pledge such Escrow Accounts to the City.

Article VII. Conditions Precedent; Effective Date. This Agreement shall not become effective until the date (such date being the "Effective Date") when all of the following conditions precedent have been satisfied or waived:

- (a) This Agreement shall have been duly executed by each of the parties hereto; and
- (b) Borrower and Owner each have executed all of the Subordinate Lien Loan Documents in addition to the Subordinate Loan Agreements.

Article VIII. <u>Controlling Agreements; LURA.</u> In the event of any conflict between the terms and conditions of this Agreement and the terms and provisions of the Senior Lien Loan Documents or the Subordinate Lien Loan Documents, then the terms and provisions of this Agreement shall control. Notwithstanding anything contained in this Agreement or the Senior Lien Loan Documents to the contrary, (i) in no event shall the LURA be deemed a Subordinate Lien Loan Document, (ii) the LURA shall at all times be prior and superior to the lien securing the Senior Loan and any and all other provisions of the Senior Lien Loan Documents (SAVE AND EXCEPT the repayment of any part of the Subordinate Loan that is triggered by the default under the LURA); provided that the LURA and the Regulatory Agreement shall be equal in priority and (iii) in the event that there is a conflict in the terms and provisions of (x) this Agreement, (y) the Senior Lien Loan Documents, or (z) that certain Declaration of Subordination of Subordination"), the terms and provisions of the Declaration of Subordination shall control. Notwithstanding anything contained in this Agreement, in no event shall the LURA be deemed a Subordinate Lien Loan Document.

Article IX. No Third-Party Beneficiary. Nothing in this Agreement, express or implied, is intended or shall be construed to confer upon, or to give to, any party other than the parties hereto and their respective successors and assigns, any right, remedy or claim under or by reason of this Agreement or any covenant, condition, or stipulation thereto; and the covenants, stipulations, and agreements contained in this Agreement are and shall be for the sole and exclusive benefit of the parties hereto and their respective successors and assigns.

Article X. City Council Approval.

Section 10.01 This Agreement shall not be effective until the Subordinate City Loan Agreement has been approval by the City of Houston City Council ("City Council") and is signed by the Mayor of the City of Houston ("Mayor") and countersigned by the Controller of the City ("Controller") and the remaining Subordinate Lien Loan Documents are signed by the Director of the Housing and Community Development Department of the City. Notwithstanding anything in this Agreement to the contrary, the cure of the Defaults or Events of Default under the Senior Lien Loan Documents and/or the purchase of Senior Lien Note by the City are all subject to City Council approval.

Section 10.02 Notwithstanding anything contained herein to the contrary, this Agreement does not, nor shall it be construed to, foreclose or waive the application of all lawful requirements under the applicable laws of the State of Texas for the approval or issuance of future agreements, permits or licenses by the City.

Section 10.03 Any provision of this Agreement which contemplates (i) the payment of money by the City, which payment would require the appropriation of funds over and above any sums appropriated prior to the Effective Date of this Agreement in connection with this Agreement (and the transactions contemplated herein), or (ii) any other future action, decision, agreement, waiver or approval which by its nature must be approved by the City Council, including without limitation, the issuance of permits or licenses, shall be subject to the approval of any subsequent City Councils to which such matter is presented and to the appropriation by such City Council of the required funds, in the exercise of its legislative discretion.

Article XI. Miscellaneous.

Section 11.01 Notices. All notices, demands, certificates, or other communications hereunder shall be in writing and shall be deemed sufficiently given or served for all purposes when delivered personally, when sent by certified or registered mail, postage prepaid, return receipt requested or by private courier service, in each case, with the proper address as indicated below; provided that any such notices, demands, certificates, or other communications shall be deemed effective only upon receipt. All terms not defined in this Environmental Indemnity Agreement shall have the same meanings as given them in the Loan Documents.

PERFORMANCE BOND

THAT WE,	, as Principal, (the "Contractor"),	and the other subscriber hereto,,
as Surety, do hereby acknowledge	owledge ourselves to be held and firmly b	bound to the City of Houston (the "City"), a
municipal corporation, and	d AVENUE ON 34TH LP, a Texas limite	ed partnership (individually, "Owner" and
collectively with the City, th	e "Obligees"), in the penal sum of \$	for the payment of which sum, well and
truly to be made to Obligee	es, their successors and assigns, Contra	ctor and Surety do bind themselves, their
heirs, executors, administ	rators, successors and assigns, jointly a	nd severally.

THE CONDITIONS OF THIS OBLIGATION ARE SUCH THAT:

WHEREAS, the Contractor has on or about this day executed a Contract in writing with ______ for the construction of a seventy (70) unit apartment complex located at 2136 W. 34th Street, Houston, Harris County, Texas 77018, all of such work to be done as set out in full in said Contract documents therein referred to and adopted by the City Council, all of which are made a part of this instrument as fully and completely as if set out in full herein.

NOW THEREFORE, if the said Contractor shall faithfully and strictly perform the Contract in all its terms, provisions, and stipulations in accordance with its true meaning and effect, and in accordance with the Contract documents referred to therein and shall comply strictly with each and every provision of the Contract and with this Bond, then this obligation shall become null and void and shall have no further force and effect; otherwise the same is to remain in full force and effect. Should the Contractor fail to faithfully and strictly perform the Contract in all its terms, including but not limited to the indemnifications thereunder, the Surety shall be liable for all damages, losses, expenses and liabilities that Obligees may suffer in consequence thereof, as more fully set forth herein.

It is further understood and agreed that the Surety does hereby relieve the Obligees or their representatives from the exercise of any diligence whatever in securing compliance on the part of the Contractor with the terms of the Contract, and the Surety agrees that it shall be bound to take notice of and shall be held to have knowledge of all acts or omissions of the Contractor in all matters pertaining to the Contract. The Surety understands and agrees that the provision in the Contract that Owner will retain certain amounts due the Contractor until the expiration of 30 days from the acceptance of the Work is intended for the Obligee's benefit, and the Obligees will have the right to pay or withhold such retained amounts or any other amount owing under the Contract without changing or affecting the liability of the Surety hereon in any degree.

It is further expressly agreed by Surety that the Obligees or their representatives are at liberty at any time, without notice to the Surety, to make any change in the Contract documents and in the Work to be done thereunder, as provided in the Contract, and in the terms and conditions thereof, or to make any change in, addition to, or deduction from the Work to be done thereunder; and that such changes, if made, shall not in any way vitiate the obligation in this Bond and undertaking or release the Surety therefrom.

It is further expressly agreed and understood that the Contractor and Surety will fully indemnify and save harmless the Obligees from any liability, loss, cost, expense, or damage arising out of Contractor's performance of the Contract.

If the Obligee/s gives Surety notice of Contractor's default, Surety shall, within 45 days, take one of the following actions:

- 1. Arrange for Contractor, with consent of the Obligees, to perform and complete the Contract; or
- Take over and assume completion of the Contract itself, through its agents or through independent contractors, and become entitled to the payment of the balance of the Contract Price.

If the Surety fails to take either of the actions set out above, it shall be deemed to have waived its right to perform and complete the Contract and receive payment of the balance of the Contract Price and the Obligees shall be entitled to enforce any remedies available at law, including but not limited to completing the Contract itself and recovering any cost in excess of the Original Contract Price from the Surety.

This Bond and all obligations created hereunder shall be performable in Harris County, Texas.

Notices required or permitted hereunder shall be in writing and shall be deemed delivered when actually received or, if earlier, on the third day following deposit in a United States Postal Service post office or receptacle, with proper postage affixed (certified mail, return receipt requested), addressed to the respective other party at the address prescribed in the Contract documents, or at such other address as the receiving party may hereafter prescribe by written notice to the sending party.

ATTACHMENT P TO LOAN AGREEMENT

LOAN AGREEMENT (BORROWER/OWNER)

LOAN AGREEMENT (BORROWER/OWNER)

This Loan Agreement ("Agreement") is made and entered into this the __day of _____, 2020 by and between AVENUE COMMUNITY DEVELOPMENT CORPORATION, a Texas nonprofit corporation ("Lender"), and AVENUE ON 34TH LP, a Texas limited partnership, ("Borrower"), for the purposes and consideration hereinafter set forth.

WHEREAS, Lender has agreed to make a loan ("Borrower Loan") to Borrower in the original principal sum of \$9,090,000.00, as evidenced by a note ("Borrower Note") of even date herewith and secured by a Deed of Trust against the property described therein ("Property") and located on the Land, more particularly described in Exhibit A attached hereto:

WHEREAS, Borrower and Lender desire to enter into this Agreement to set forth certain terms and conditions of the Borrower Loan to supplement the provisions of the other documents executed in connection with or securing the Borrower Loan ("Loan Documents").

NOW THEREFORE, for and in consideration of the Borrower Loan and the mutual covenants contained herein, the parties agree as follows:

- 1. Terms of Borrower Loan. The terms of the Borrower Loan are as follows:
- (a) <u>Note</u>. Borrower's obligation to repay Lender is evidenced by a promissory note of even date herewith, payable to Lender in the original principal amount of \$9,090,000.00.
- (b) <u>Purpose.</u> The purpose of the loan is to construct a seventy (70) unit multifamily apartment complex for affordable housing on the Property.
- (c) <u>Term.</u> The term of the Loan shall commence on the date of Closing (as defined in the COH Loan Agreement (as defined below)) and shall mature on the Maturity Date (as defined in the Borrower Note).
- (d) Interest. The Loan shall bear interest at the rate specified in the Note after the Approved Construction Period (as defined in the COH Loan Agreement) until Maturity Date except that in the event of a Default (as defined below) while such Default is continuing under the Borrower Loan or any of the Loan Documents, at Lender's option, the Borrower Loan shall accrue interest at default rate interest in the amount equal to the lower of the highest lawful rate or ten percent (10.0%) per annum. Interest shall be payable as set out in Borrower's Note and COH Loan Agreement.
- COH Loan and COH Loan Agreement. The Borrower, Lender and the City of Houston ("City") have entered into one certain Loan Agreement ("COH Loan Agreement") of even date herewith with respect to a \$9,090,000.00loan ("COH Loan") from the City to Lender, the proceeds of which are funding the Borrower Loan. The Borrower Loan, this Agreement, the promissory note evidencing the Borrower Loan and all the Loan Documents executed in connection with or securing the Borrower Loan (including, without limitation, the Deed of Trust securing the Borrower Loan) have been collaterally assigned to the City to secure the COH Loan. The covenants, obligations, requirements, representations and warranties of Borrower under the COH Loan Agreement, to the extent applicable to Borrower or the Property, or to the ability of the Parties to perform their obligations related to the Property and the COH Loan Agreement, are incorporated in to and made a part of this Agreement and shall additionally constitute covenants, obligations, requirements, representations and warranties of Borrower to Lender and the City, as a third party beneficiary of this Agreement and as a collateral assignee of the Loan Documents. Borrower, the Borrower Loan and the Property shall be subject to all terms and conditions of the COH Loan Agreement. Borrower specifically assumes and agrees to perform all of the covenants, obligations, and requirements to be performed by Borrower as "Owner" set

forth in the COH Loan Agreement for the benefit of the City and confirms the representations and warranties of Borrower as "Owner" thereunder for the benefit of the City and as a condition of the COH Loan and the Borrower Loan. In the event of a conflict between the terms and conditions of this Agreement and the COH Loan Agreement, the terms and conditions of the COH Loan Agreement shall control.

Funding.

- (a) No Liability for Interruption of Funding. In the event that the City ceases funding the COH Loan to Lender in accordance with the COH Loan Agreement, Lender may cease funding the Borrower Loan to the Borrower without obligation to the Borrower and without being liable to the Borrower for any damages Borrower may incur as a result of such cessation in funding; provided, however, Lender agrees to deliver to Borrower reasonably satisfactory documentation evidencing City's decision to cease funding, and Lender agrees to use reasonable efforts to resolve any City concerns.
- (b) <u>Deemed Funding under Loan</u>. Disbursements under the COH Loan will be by check by the City made payable to Lender, Borrower or the entity which has provided the services entitled to be funded under the COH Loan Agreement and this Agreement. The entire amount of any funding provided by the City to Lender under the COH Loan shall be used by Lender to fund the Borrower Loan and shall be deemed to be funding of the Borrower Loan.

Borrower's Representations and Warranties.

Borrower hereby each represents, warrants and agrees for the benefit of the City and the Lender that as of the date hereof and continuing during the entire term of this Agreement, and for so long as the City shall have any commitment or obligation to make any disbursements of the COH Loan, and during the Affordability Period as follows:

- (a) Ownership of Property. Borrower will hold on the Closing Date (as defined in the COH Loan Agreement) of the COH Loan and thereafter fee simple title in and to the Property and shall provide the Director of the City's Housing and Community Development Department ("Director") with a copy of the deed thereto. Borrower shall promptly disclose to the Director if Borrower acquired the Property from Lender; or any director, officer, employee, partner, company or individual of, related to or affiliated with Lender or Borrower.
- (b) <u>Information Submitted True and Correct</u>. The information contained in or submitted in connection with Lender's application to the City for the COH Loan, as amended by further information provided and disclosed to the City, is true and correct.
- (c) <u>Taxes and Assessments</u>. There are no delinquent taxes, assessments, or other impositions on the Property, or if there are any delinquent taxes, assessments, or other impositions on the Property, same will be paid prior to or simultaneously with Closing of the COH Loan. The Property has not been subject to any special (reduced) real estate appraisal, or abatement, exemption or deferral of ad valorem taxes (other than statutorily permitted challenges as to the amount) in the five (5) years preceding the date of Borrower's acquisition of title, unless Borrower has an effective agreement providing that another party is liable for all liability, accruing prior to Borrower's acquisition of the Property for ad valorem taxes owing as a result of an change or revocation of such special (reduced) real estate appraisal, or abatement, exemption or deferral of ad valorem taxes.
- (d) <u>Financial Capacity</u>. The financial representations made by Lender to the City and by Borrower to Lender or the City concerning Lender's and Borrower's financial condition are true and correct and, upon the Closing of the COH Loan and the Borrower loan, Lender and Borrower have the financial capacity to carry out their respective obligations under this Agreement, the Loan Documents and the COH Loan Agreement and related documentation. If any material negative change in either Lender's or Borrower's

3

AVENUE ON 34TH

- (e) <u>Authorization</u>. All action on the part of Borrower necessary to authorize the transactions contemplated by this Agreement and the COH Loan Agreement has been taken, and upon execution of this Agreement and the COH Loan Agreement, this Agreement shall constitute the binding and enforceable obligation of Borrower which shall be enforceable by the Lender and City in accordance with their terms. In addition, all of the covenants, obligations, and requirements set forth herein to be assumed by Borrower and the representations and warranties made hereunder by Borrower shall constitute the binding and enforceable covenants, obligations and requirements and representations and warranties of Borrower which shall be enforceable by the Lender and City in accordance with their terms.
- (f) Mechanics' and Materialmen's Liens. As of the Closing Date, there are no existing or threatened mechanics' and materialmen's liens against the Property, and the Borrower does not know of any reason such liens may be filed or threatened against the Project (as defined in the COH Loan Agreement). As of the date of disbursement of COH Loan funds, no work will have been performed on or materials incorporated into the Project by Borrower, Lender or Borrower's or Lender's contractors or subcontractors that could result in the imposition of a lien against the Project. No work shall commence on the Project prior to the disbursement of COH Loan funds.
- (g) Approved Final Construction Budget Contents. The Approved Final Construction Budget (as defined in the COH Loan Agreement) specifies (a) a listing of all costs necessary to (i) complete the Work (as defined in the COH Loan Agreement) on the Project and (ii) reach a 92% occupancy level, and (b) the sources of funding which will be used to complete the Work and reach 92% occupancy;
- (h) <u>Expertise</u>. Borrower has engaged competent persons and firms for the purpose of constructing, leasing and managing the Project.
- (i) <u>Legal Existence</u>. Borrower is a Texas limited partnership duly created, validly existing and in good standing under the laws of the State of Texas.
- (j) Access. Access by vehicles to the Project for the full utilization of the Project for its intended purposes either (a) exists over paved roadways dedicated to the public and accepted by the appropriate governmental authority, or (b) the necessary rights-of-way for such roadways have been acquired by the appropriate governmental authority and all necessary steps have been taken by Borrower and/or such governmental authority to assure the construction and installation of such roadways.
- (k) <u>Use of Project.</u> During the Affordability Period, that portion of the Project specified in <u>Section 6.8</u> of the COH Loan Agreement hereof shall be used solely for the purpose of housing for low and very low income residents in accordance with <u>Section 6.8</u> thereof, and for no other purpose.
- (I) <u>No Religious Affiliation.</u> Borrower is not a religious organization and no portion of the proceeds of the COH Loan will be used to construct or acquire housing to be owned, operated or used by a religious organization.
- (m) <u>Compliance with Federal, State, and Local Laws and Regulations.</u> Borrower shall construct, lease and operate the Project in accordance with all applicable law including, without limitation, the Model Energy Code, the Americans with Disabilities Act of 1990 and the Architectural Barriers Act of 1968.
- 5. <u>Default under this Agreement</u>. The Lender may declare a default ("Default") under this Agreement or any one or more of the Loan Documents upon the occurrence of any one or more of the following circumstances:

- (a) Monetary Default. If Borrower fails to pay when due any portion of the sums owing under the Borrower Note, this Agreement and/or any of the Loan Documents and such failure continues for ten (10) business days after written notice thereof from the Lender or any holder of the Borrower Loan;
- (b) Non-Monetary Default. If Borrower fails, refuses or neglects to perform fully and timely any obligation or breaches and covenant, condition, representation or warranty under this Agreement or any other Borrower Loan Document and such failure continues for thirty (30) days following written notice from Lender to Borrower, or, if the failure is not susceptible to cure within said 30-day period, such greater period of time (not to exceed sixty (60) days) as is necessary to cure such failure provided Borrower commences to cure such failure within said 30-day period and diligently works to cure such failure, provided however, that in the event that any such cure periods would cause a material violation to occur under applicable law or cause a recapture of any tax credits the notice and cure period shall be reduced to a length of time that would not cause a material violation of applicable law or cause such a recapture;
- (c) <u>Default under COH Loan Agreement by Borrower</u>. Notwithstanding the foregoing, a "Default" (as defined by the COH Loan Agreement) under the COH Loan Agreement by Borrower shall immediately constitute a Default by Borrower under this Agreement. Notwithstanding the provisions of Subparagraphs 4(a) and 4(b) above, in the event of a conflict between the available notice and cure periods under the COH Loan Agreement and this Agreement, the COH Loan Agreement shall control, and upon the occurrence of a Default under the COH Loan Agreement, no further notice and/or cure periods shall be available under this Agreement for such event and such event shall immediately be deemed a Default by Borrower under this Agreement.
- 6. <u>Notice and Cure Rights.</u> Notwithstanding anything to the contrary contained in the Loan Documents, Lender hereby agrees that any cure of any default or Default made or tendered by a Tax Credit Investor (as defined in the COH Loan Agreement) shall be deemed to be a cure by Borrower and shall be accepted or rejected on the same basis as if made or tendered by Borrower. Copies of all notices which are sent to Borrower or any other party under the terms of the Loan Documents shall also be sent to:

Hunt Capital Partners, LLC 15910 Ventura Boulevard, Suite 1100 Encino, CA 91436 Attention: Jeffrey N. Weiss, President

Nixon Peabody LLP 799 9th Street, NW, Suite 500 Washington, DC 20001-5327 Attention: Matthew W. Mullen

- 7. <u>Lender's Remedies.</u> If a Default exists under this Agreement, Lender shall be entitled to exercise all rights and remedies available under the Loan Documents, without further notice or opportunity to cure by Borrower except as may be required by applicable law.
- <u>Amendments and Waivers</u>. Borrower and Lender acknowledge and agree that the terms and provisions of this Agreement and the Loan Documents may not be amended and no waivers of any provisions of this Agreement or any Loan Document shall be effective without the prior written consent of the City as the collateral assignee of Lender. In addition, any prepayment of the Borrower Note shall require the prior written consent of the City as the collateral assignee of the Lender.
- 9. <u>Limit to Indemnification</u>. Notwithstanding anything to the contrary set forth in any of the Loan Documents, no indemnity obligation set forth in any Loan Document shall extend to or

be enforceable against any limited partner of Borrower including any Tax Credit Investor in its capacity as a limited partner of Borrower (but not otherwise).

- 10. <u>Amendments to Organizational Documents</u>. Borrower shall not have the right to amend its organizational documents without Lender's and the City's prior written approval.
- 11. Removal of Borrower's General Partner (if any). Notwithstanding anything to the contrary contained in the Loan Documents but subject to the requirements of the COH Loan Agreement, if Borrower is a limited partnership, the removal and/or replacement of Borrower's general partner for cause in accordance with the terms of Borrower's partnership agreement shall not require Lender's consent, constitute a default under the Loan Documents or accelerate the maturity of the Loan, but shall be subject to the terms and conditions of the COH Loan Agreement.
- 12. <u>Transfer of Borrower's Partnership Interest</u>. Subject to the terms of the COH Loan Agreement, but notwithstanding anything to the contrary contained in this Agreement and/or in any of the other Loan Documents, if Borrower is a limited partnership, Lender's consent shall not be required (and it shall be expressly permitted and not be deemed a Default under any of the Loan Documents), in connection with:

 - (c) A change in the beneficial ownership of any Tax Credit Investor so long as such entity remains controlled by an affiliate thereof;
