Non-Network Reimbursement	For services provided by a non-network dentist, Cigna Dental will reimburse according to the Maximum Reimbursable Charge. The MRC is calculated at the 90th percentile of all provider allowed amounts in the geographic area. The dentist may balance bill up to their usual fees.			

<i>Cross Accumulation</i>	All deductibles, plan maximums, and service specific maximums cross accumulate between in and out of network. Benefit frequency limitations are based on the date of service and cross accumulate between in and out of network.
<i>Calendar Year Benefits Maximum</i>	The plan will only pay for covered charges up to the yearly Benefits Maximum, when applicable. Benefit-specific Maximums may also apply.
<i>Calendar Year Deductible</i>	This is the amount you must pay before the plan begins to pay for covered charges, when applicable. Benefit-specific deductibles may also apply.
<i>Carryover Provision</i>	Dental Expenses incurred and applied toward the Individual or Family Deductible during the last 3 months of the calendar year will be applied toward the next year's Deductible.
<i>Late Entrant Limitation Provision</i>	Payment will be reduced by 50% for Class III and IV services for 12 months for eligible members that are allowed to enroll in this plan outside of the designated open enrollment period. This provision does not apply to new hires.
<i>Pretreatment Review</i>	Pretreatment review is available on a voluntary basis when dental work in excess of \$200 is proposed.
<i>Alternate Benefit Provision</i>	When more than one covered Dental Service could provide suitable treatment based on common dental standards, Cigna will determine the covered Dental Service on which payment will be based and the expenses that will be included as Covered Expenses.
<i>Oral Health Integration Program*</i>	The Cigna Dental Oral Health Integration Program offers enhanced dental coverage for customers with certain medical conditions. There is no additional charge to participate in the program. Those who qualify can receive reimbursement of their coinsurance for eligible dental services. Eligible customers can also receive guidance on behavioral issues related to oral health. Reimbursements under this program are not subject to the annual deductible, but will be applied to the plan annual maximum. For more information on how to enroll in this program and a complete list of terms and eligible conditions, go to www.mycigna.com or call customer service 24/7 at 1-800-Cigna24.
