Subject: RE: 7954 Glenvista

Good Afternoon,

Im no longer in this division, im currently with iniviormental enforcement, but I can provide you some information on this property, the previous Senior Inspector is no longer with this divion also, any questions may be answered by the acting senior Defi Smith, but I can provide some back ground on this property, previous contractor was working without a Building permit and was reported to Habability Div. Original complaint was on 12/28/2021. First attempt for a building permit was on 01/09/2022. PN 22002241. Witch was rejected. 6 citations have been issued. I have no knowledge to whom they were written to. First citation was written on 01/18/2022 and the last citation was written on 07/26/2023. A second attempt for a permit was PN 23042692 , Last activity on this permit was 08/23/2024. This property requires a residential remodel permit with garage conversion, home was gutted and floor plan was changed from original floor plan, this is as much information I can provide for this property, please address further questions to acting Senior Inspector Defi Smith and current Inspector I39 G.Murillo.
